

Happy New Moon Day to all who worship Yahuah Alahim and Yahusha haMashiach on their Kadosh (set apart) Lunar New Moons and Sabbaths!

<https://www.youtube.com/watch?v=FUb6QjzvRXU>

Today is **Day One** of the Creator's authentic **Eighth Lunar Month**, in which the year begins in the spring. It looks like **08-01-5994**. It coincides with the Roman Gregorian solar calendar *Wed, 11-05-2025*.

Each month, it is awe-inspiring to watch the full moon rise in the East and make its way along the east-west time continuum under the Creator's tireless direction. Then, see with your own eyes that moment when the sun's first rays shine forth to greet the descending full moon before it sets in the west. They greet each other with a nod and agreement that this moment, while visible from opposite coordinates together, marks the start of the new lunar month. Honoring His New Moons, as declared from His sacred Torah Law, shows Him who desires to enter through the pearly gates of His Eternal Kingdom government. I hope to see you there! HalleluYah!

Psalms 89:15-16

349 New Moon References in Scripture

The New/Renewed Moon is referred to 349 times in Scripture. It is derived from the Hebrew word “Chodesh” (H#2320 – חֹדֶשׁ; H#2319 – חֹדֶשׁ; H#2318 – חֹדֶשׁ). It literally means the *new moon, renewed moon, month, monthly, the first day of the month, or the lunar month*. Notably, it never refers to a solar month, underscoring its unique significance in the Creator’s time-measuring system.

This consistent emphasis on the New Moon throughout the Bible offers compelling evidence that the divine model for measuring years, months, weeks, and days, including the seventh-day Sabbaths, is inherently lunar. This realization opens the door to a deeper understanding of how the Biblical calendar aligns with the natural cycles established at creation among the trinity of lights (sun, moon, and stars), challenging conventional solar-based systems and inviting a return to the original and divinely ordained lunar rhythms of time.

Prayer:

Eternal Father of Lights, You who hung the moon as a faithful witness in the sky, we thank You for inscribing Your rhythms into creation so none might miss Your call to worship.

As the Chodesh renews itself 349 times in Your Word, may our hearts, too, be renewed in obedience to Your divine order, forsaking the traditions of men for the luminescent truth You ordained at Creation.

Restore our vision, Father, that we may discern the harmony between sun, moon, and stars, each testifying of Your steadfast covenant.

Teach us to count our days by Your light and to mark our Sabbaths by the heavens' design, not by human decree.

And as the moon restores its brilliance each month, may our faith likewise be restored, ever waxing toward the fullness of Your perfect light in Yahusha, our Redeemer.

Barak hashem Yahusha haMashiach!
(Bless the name of Yahusha the Messiah!)
