

Shabbat Shalom, all who worship Yahuah Alahim and Yahusha haMashiach on their Kadosh (set-apart) New/Renewed Moons, Lunar Sabbaths, and Feast Days according to the full moon as the start of His lunar months!

<https://www.youtube.com/watch?v=FUb6QjzvRXU>

Today is the **15th day** of our Creator's Eighth **Lunar Month** count, in which the year begins in the spring. It is also the authentic **second lunar Sabbath of the month**. It looks like 08-15-5994. It coincides with the Roman Gregorian calendar planetary date of *Wed, 11-19-2025*.

Our Creator placed His full moon beacon as the original New Moon and the start of His months, high above for all to see. All praise to Yahuah Alahim for His steadfast love and compassion for His children and His patience in restoring His lost truths in preparation for the Second Coming of His Son, Yahusha haMashiach (the Messiah).

Simply because the full moon as New Moon, with its count to Lunar Sabbaths and annual Feast Days, is not popular among the Rabbinical Pharisee Jews or the Romanized Christian churches today, does in no way diminish its LIGHT OF TRUTH shining from the pages of Scripture and His Eternal Throne. Only Yahuah's Ruach (power, presence, and provision) gives those who seek Him with all their hearts "eyes to see and ears to hear." Ask Him today to reveal His New Moon and lunar Sabbath to you, and see how your life will change as your soul temple is synchronized to His for all eternity.

“Blessed are those who hear the joyful call to worship, for they will walk in the light of your presence, Yahuah. They rejoice all day long in your wonderful reputation. They exult in your righteousness.”
 Psalms 89:15-16

Abraham's Prophetic Appointment: *The Day, The Mountain, and the Sacrifice*

From the windswept ridges of Mount Moriah comes one of the most astonishing and prophetic narratives in all of Scripture, Abraham's call to offer up his son, Isaac, as a sacrifice unto YHUH (Yahuah). At first glance, this sacred test appears to be about obedience alone. But upon closer study, it reveals a breathtaking orchestration of divine prophecy that stretches across time to unveil the very foundation of Yahuah's redemptive plan.

Conclusion

In the light of the profound prophecies associated with Abraham's Sacrifice and Covenant, we stand in awe of the divine orchestration that spans millennia, unveiling the depths of Yahuah's love and the eternal consistency of His lunar appointed times. **Abraham's test was more than a personal trial; it was a prophetic shadow that underpins the very heart of the Plan of Salvation. It revealed not only the pattern of redemptive love but also the specific day, mountain, and sacrifice that would one day culminate in the day YAHU-SHA (lamb – 72 – sha – H7716) haMashiach (the Messiah) laid down His life as the Lamb of Yahuah, the atonement on behalf of all mankind. The account's prophetic precision, correlating with the 14th of Abib by the lunar calendar, confirms beyond doubt**

that the Creator's timekeeping system is woven into the very fabric of redemption.

This moment was not an isolated event but illustrated an unbroken timeline governed by the moon and aligned with the covenant promises. Therefore, to dismiss the lunar-appointed Feast Days is to ignore the framework through which Yahuah has revealed His greatest act of love. The sacred lunar appointed Feast Days were never meant to be relics of an ancient past, but living testimonies of *covenant fidelity* and *divine love*. Each Feast Day is a prophetic rehearsal, a love-appointed encounter with the Most High and His Son, pointing backward to His mighty acts and forward to the promises yet to be fulfilled. As we honor these sacred lunar markers, we align ourselves with the rhythm of heaven, walk in the footsteps of the Messiah, and proclaim the message of this most transformative sacrifice of love from Genesis to Revelation.

May our love and obedience to YAHU-SHA, our Messiah, be as Abraham's, trusting, unwavering, and prophetic, until faith becomes sight and we behold the Lamb in His glory. HalleluYAH!

Father Yahuah, my heart stands in awe of the mystery You unveiled
on Mount Moriah, the place where love, obedience,
and sacrifice came together in
perfect harmony.

You asked Abraham to surrender his beloved son, and in doing so,
You foreshadowed the unfathomable gift of Your own Son,
Yahusha, who would carry the wood upon His
back and lay down His life at the
appointed time and place.

Thank You for the clarity and precision with which You declared
the end from the beginning, that we might see
the depth of Your covenant *love* and trust
in the surety of Your promises.

Let me never forget that the first mention of *love* in Your Word
was a father's *love* for his son, a *love* You shared
with the world when You gave your only
Son, Yahusha, as our Lamb.

May I live each day in humble gratitude, knowing that I am loved
with the same eternal *love* You
have for Your Son.

Strengthen me to offer my own life as a *living sacrifice*,
holy and pleasing in response to the great
price of redemption paid on
the wood of the altar.

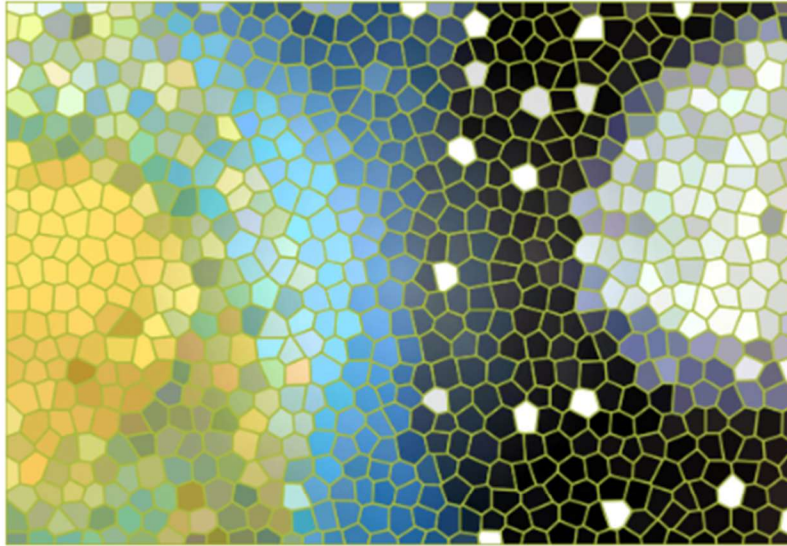

Barak hashem Yahusha haMashiach!
(*Bless the name of Yahusha the Messiah!*)

Kerrie's Korner

My sincere apologies for a late Sabbath Message. I had an out-of-town appointment and arrived home late. Life happens. I pray for each of you that Yahusha continue to guide you in your journey to a closer walk with Him.

Hidden in Plain Sight: *The Mosaic of Lunar Time*

(Explains why there are no proof texts.)

From the first dawn of creation, the heavens have told a story written not in ink but in light. The sun, moon, and stars were set as divine instruments, living witnesses marking our Creator's appointed times. Yet over millennia, this perfect celestial harmony was obscured by mistranslation, tradition, and the subtle hand of human alteration. What once was clear in the language of the heavens became buried beneath the calendars of men.
