

**Shabbat Shalom, all who worship Yahuah Alahim and Yahusha haMashiach on their Kadosh (set-apart) New/Renewed Moons, Lunar Sabbaths, and Feast Days according to the full moon as the start of His lunar months!**

<https://www.youtube.com/watch?v=FUb6QjzvRXU>

Today is the **29th day** of our Creator's **Eleventh Lunar Month** count, in which the year begins in the spring. It is also the authentic **fourth lunar Sabbath of the month**. It looks like **11-29-5994**. It coincides with the Roman Gregorian calendar planetary date of *Mon, 03-02-2026*.

Our Creator placed His full moon beacon as the original New Moon and the start of His months, high above for all to see. All praise to Yahuah Alahim for His steadfast love and compassion for His children and His patience in restoring His lost truths in preparation for the Second Coming of His Son, Yahusha haMashiach (the Messiah). Simply because the full moon as New Moon, with its count to Lunar Sabbaths and annual Feast Days, is not popular among the Rabbinical Pharisee Jews or the Romanized Christian churches today, does in no way diminish its LIGHT OF TRUTH shining from the pages of Scripture and His Eternal Throne. Only Yahuah's Ruach (power, presence, and provision) gives those who seek Him with all their hearts "eyes to see and ears to hear." Ask Him today to reveal His New Moon and

lunar Sabbath to you, and see how your life will change as your soul temple is synchronized to His for all eternity.

## **Tithing Miracle**

### **Circumstances Cannot Break Yah's (God's) Promises**

Long before anyone became aware of the Creator's Calendar, Alexander H. Kerr was a converted Christian under the ministry of Dwight L. Moody at the age of fourteen and joined the Presbyterian Church in Philadelphia. In 1902, Mr. Kerr read the book entitled "Judah's Scepter and Joseph's Birthright," by Bishop Allen. In his book, Bishop Allen referred to the vow Jacob made in Genesis 28, where we find the following words, *"Of all that Thou shalt give me, I will surely give the tenth unto Thee."*

As the Bible story goes, twenty years later, Jacob returned to his home with servants and cattle in great abundance. He thus became one of the richest men of the East as a result of keeping his covenant of tithing with the Eternal Most High.

Alexander Kerr, with some doubts, but a sincere desire to test if the promises of Scripture are true, set out to prove without a shadow of a doubt that there is a personal Alahim (God) and that His promises are from everlasting to everlasting, and that they are intended for people of this day. On June 1, 1902, Alexander made a special covenant with the Eternal Father to set aside one-tenth percent of his income for His sacred use.

At that time, he had a mortgage on his little home, owed many obligations, and was burdened with cares and worries, especially of a financial nature. However, he was determined to prove the Most High Eternal Father, as did Jacob (Prov. 3:9-10; Lev. 27:30-32; Gen. 14:20, 13:2; especially Mal. 3:7-18).

Mr. Kerr often remarked that if modern-day skeptics wanted proof that there is an Alahim (God) and that the Bible is His Holy Word and all its promises are true, all that is necessary is to tithe for one year, and the Eternal Most High will prove to them without a doubt that He is "the same yesterday, and today, and forever" (Heb. 13:8).

Within three months after Mr. Kerr began to tithe, unexpected and unforeseen blessings came to him – so much so that it seemed to him that God had thus opened his eyes to behold His love and His faithfulness to His promises, especially made concerning tithing or giving one-tenth.

*"According to your faith be it unto you" Matthew 9:29*

That same year, Mr. Kerr, with little capital but a strong faith in Alahim's (God's) tithing promises contained in Malachi 3:10-12, started his own business known as the Kerr Glass Manufacturing Company. It eventually became one of the largest firms selling fruit jars in the United States. The jars were manufactured for him in San Francisco.

After Alexander Kerr had put practically every cent he had in the world into this fruit jar enterprise, the great San Francisco earthquake of 1906 rocked California! Jumping to conclusions, His friends came to him and said, "Kerr, you are a ruined man." He replied, "I don't believe it... I know God will not go back on His promises."

He wired to San Francisco and received the following reply: "Your factory is in the heart of the fire, and undoubtedly is destroyed. The heat is so intense that we will be unable to find out anything for some days."

What a time of testing this was! But his faith in the Eternal Most High never wavered. He believed Malachi 3:11: "I will rebuke the devourer for your sakes, and he shall not destroy the fruits of your ground." Alexander stood unmoved upon this promise. About a week after the earthquake and fire, a second telegram arrived saying: "Everything for a mile and a half on all sides of the factory burned, but only your factory was miraculously saved."

Alexander immediately boarded a train for San Francisco. His factory was a two-story wooden building containing huge tanks where the glass was melted. These tanks were kept at extremely high temperatures. Oil was used for fuel, and therefore he knew his building was the most flammable in all of San Francisco.

The fire had raged on all sides of this glass factory, creeping up to the little wooden fence surrounding the building. Then the flames and fire leaped around, over, and beyond the building, burning everything in its path. However, the little wooden fence remained untouched by the scorching flames, as well as the entire building. Add to this, that not a single glass jar was broken or cracked by either the earthquake or fire.

This was nothing short of a miracle of the Eternal Father's divine power of protecting one of His own, who remained true to his faith that the promises of Scripture made to those who tithe would never be broken by any circumstances! The Eternal Father's Word cannot return to Him void (Isa. 55:8-11).

Three weeks before his death Alexander Kerr addressed the members of the First Baptist Church of Riverside, California, on the blessings and riches of tithing increase (income). Every business in which he had interests tithed. His returns were so great that he created a Tithing Fund and had it incorporated. His tithing gifts went around the world, for he was deeply interested in missions at home and abroad. He gave liberally. He was greatly interested in the distribution of Testaments, Gospels, and religious literature.

Alexander Kerr was able to bless others because he trusted that the Eternal Most High would honor His promise to pour out His blessings today upon those who would thoughtfully and carefully heed the tithing instructions provided in Scripture for His faithful followers – to set aside one-tenth of their income (increase) for His divine purposes.

## **Are Tithes and Offerings Required Today?**

This article, “*Are Tithes and Offerings a Scriptural Requirement of the Righteous Believers Today?*” will answer many questions regarding consistent tithing and the giving of freewill offerings. It is entirely based upon Scripture’s dynamic, time-honored principles.

### **The Billionaire’s Club**

In 2010, Bill Gates and Warren Buffett, two of the top three wealthiest men in the world at the time, crafted and introduced, for membership by a select few, the *Billionaire’s Club*. It came with two stipulations for joining: 1) One must be

a billionaire, and 2) be willing to give away half of one's wealth. As of 2018, in a sea of over 2,208 billionaires worldwide, fourteen billionaires have joined this philanthropic club to give away half their wealth to any cause of their choice. They have chosen to join it as a team effort to make a difference in the world, yet on their own terms.

Today, as many folks are waking to TRUTHS not thoroughly understood since the Dark Ages began under Roman rule, some are hearing about the principles of *tithing and giving free-will offerings* for the first time. Yet, at the same time, others are writing books declaring all believers are under a new covenant with no obligation to anything written in the Old Testament TORAH (Law of Moses), including returning tithes and giving a heartfelt offering. What is the truth seeker to do? How can one know which view is correct concerning this vital subject? [Warren Buffett and the Billionaire's Club.](#)

## **Following the Leader**

Stunningly, many are unaware that history records that it was the Roman framers of "*Christianity*," who founded it upon the premise that the TORAH (Law) was done away with. (This is revealed in their creed posted below.) This is the basis of the slogan proclaimed by most protestant denominations: "*We are not under the law but under grace.*" All this because of the Romans' great hatred of all things "Jewish." But because they so thoroughly eliminated the TORAH (*first five books of the O.T. Law recorded by Moses*) and the TANAKH (*writings of the other canonized Old Testament Prophets*), the Roman Catholics had to devise another method to extract funds from the people, as they could no longer utilize the Old Testament Scripture as support for tithing one-tenth or for freewill offerings. Thus, they introduced what they call "indulgences." A method used to this day by creating a fear-based illusion that ordinary folks could receive forgiveness of sins through penance with a purchase price of buying their way out of hell, purgatory, or personal sin.

## **Questions to Consider**

Here are some questions to ask yourself as you read through the following 26 principles from Scripture:

- What was the original purpose of tithing?

- Are there any Scripture verses that declare tithes and offerings were done away with at our Messiah's crucifixion, as some Christians claim?
- Because there appear to be only two kinds of people, tithers and non-tithers, how can this be, and what is the difference?
- According to Scripture, are tithes and offerings needed and required of YAHUAH Alahim's (*God*) righteous today?
- Are those who claim "*no responsibility*" to YAHUAH Alahim (*God*) for returning tithes and giving offerings, revealing their desire to be in one accord with Him, or are they exposing thieving hearts of greed?

### **Prayer:**

Abba Yahuah, Possessor of heaven and earth, You who give every good and perfect gift, search our hearts and cleanse our motives as we consider the sacred matter of tithes and offerings.

Teach us whether these things are merely customs of men or enduring expressions of covenant love, gratitude, and trust in Your unchanging faithfulness.

Guard us from fear, greed, or rebellion, and instead plant within us a willing spirit that delights to honor You with the firstfruits of all You place in our hands.

If returning a tenth and giving freely remains Your appointed way to sustain truth, care for the poor, and proclaim redemption through Yahusha our Messiah, then write that conviction deeply upon our hearts.

May all we possess, and all we return, rise before You as

worship, binding us ever closer to You in righteousness,  
humility, and everlasting joy.

Barak hashem Yahusha haMashiach!  
*(Bless the name of Yahusha the Messiah!)*
