

Shabbat Shalom fellow lunar Sabbatarians!

Today, **03-27-21**, although coincident to the Roman Gregorian calendar solar **Saturday**, it is the authentic **fourth** lunar Sabbath of our Creator's **Twelfth Lunar Month**. This year continues one more month to include the Thirteenth month. **The New Year will commence on 04-27-21.**

He placed His full moon beacon as the original New Moon and start of His months, high above for all to see. All praise to YAHUAH Alahim for His steadfast love and compassion for His children, and His patience in restoring His long lost truths in preparation for the Second Coming of His Son, Yahusha haMashiach (the Messiah). Simply because the full moon as New Moon, with its count to Lunar Sabbaths, and annual Feast Days are not popular among the Rabbinical Pharisee Jews or the Romanized Christian churches today, does, in no way diminish its LIGHT OF TRUTH shining from the pages of Scripture and His Eternal Throne. Only YAHUAH'S Ruach (power, presence, and provision) gives those who seek Him with all their hearts, "eyes to see and ears to hear." Ask Him today to reveal His New Moon and lunar Sabbath to you and see how your life will change as your soul temple is synchronized to His.

THE FACE IN THE WATER

By Jonathan Cahn

We walked for some time until we came to a pool of water hidden at the foot of one of the desert mountains. We sat down by its edge.

"Smile," said the teacher. So I did.

"No," he said, "smile into the water. Lean over the water and smile." So I did.

"Now make a face of anger." So I did.

"Now open your hand and stretch it over the water as if giving a gift." So I did.

"Now do the opposite." What's the opposite?"

“Stretch your hand to the water, close it and withdraw it, as if taking something away.”

“I’m not seeing the point of this.”

“Oh, but there is a point,” he said, “and the point is critical for you to learn. When you smiled at the water, there was a man smiling back at you.” “My reflection.”

“And when you glared at it, the fact of an angry man glared back at you. And when you stretched your hand out to the waters to give to it, the hand in the waters stretched back to give to you. And when you reached toward the waters to take from it, the hand reached back as if to take from you. This is the law of reflection. As you do, so it will be done to you. If you bless others, you will be blessed. If you withhold blessing, your blessings will be withheld. If you live a life of giving, it will, in the end, be given to you. Condemn other, and you will be condemned. Forgive others, and you will be forgiven. Life with a closed hand, and His hand will be closed to you. Live with an open hand of giving, and His hand will be opened to you. What you give will be given back. What you take will be taken back. Therefore, live a life of love, of giving, of blessing, of compassion, of an open hand and heart. Whatever you do, remember what you saw here in the reflection of the water. Live your life in view of the face in the water.”

The Mission: What is it that you seek from life and from others? Today, make it your goal to give to others the very thing you seek. Proverbs 27:19; Luke 6:37-38; Galatians 6:7-10.

[Disclaimer: Please note that “*The Book of Mysteries*” is Jonathan Cahn’s notes from the lessons he received while spending a year under the tutelage of “The Teacher” in Yasharal (*Israel*). I have found many of these to be worthy to share and will make additional comments on them as needed. Those teachings not supported by Scripture that don’t meet the mark on any level are not shared or posted. **We are not followers of Jonathan Cahn as there are many beliefs we don’t hold in common. However, these are shared that you too may be barakah (blessed) by the wisdom of “The Teacher.”**]

An Inconvenient Truth

As folks consider the lunar Sabbath and lunar appointed Feast Days as the original way of the Most High, it is easy to overlook and even minimize the value and importance the Creator Yahuah Alahim has placed upon the **New Moon Day**. For centuries, and nearly 2,000 years, the world has succumbed to the custom of a seven-day week cycle that includes only one sacred day. But was this by Divine design? Most folks have understood the sacred day to be either Saturday (the seventh) or Sunday (the first) of the Roman calendar invention and its continuous weekly cycle. So in returning to the ancient paths of the Most High, and in preparation for His Return and Kingdom government, our hearts and eyes are being opened to a new reality, which has always existed. So many are open to the lunar Sabbath with its corresponding lunar Feast Days, but then there is this entirely new idea of keeping an additional day holy, sacred, and undefiled each month. For many, keeping the New Moon Day sacred and holy is a stumbling block and an inconvenient truth.

Here are a few questions you may have:

Did the Most High Yahuah Alahim ordain the New Moon Day as having greater value than the seventh-day Sabbath? [Worship at the East Gate](#)

Is the New Moon Day really a holy day, in which no work is to be done? [New Moon by New Moon You Shall Keep](#)

Is there an example in the Bible about Israel being required to keep holy the New Moon Day in addition to the weekly lunar Sabbath? [When Will the New Moon and Sabbath be Past?](#)

At the end of the day, it is the full New Moon that announces New Year's Day, New Moon Day, all seventh-day Sabbaths, and the lunar appointed Feast Day events. It is the foundation for our Creator's unique Calendar and call to worship. Do you hear Him calling? It is time to choose. Is it your desire to unite your heart to His in every regard? If so, you can have assurance that He will guide you and sustain you through every new and inconvenient obstacle. And those very seemingly difficult obstacles, will become the most dear to you. Why because you begin to see His purposes and blessings in them. *"It is Yahuah that girds me with strength and makes my way perfect."*

May Yahuah Alahim and His Son, Yahusha haMashiach barak (bless) you this sacred and set-apart day as you seek faithfulness and synchronization to His Torah teachings and divinely appointed New Moon calendar model.
