

Happy ROSH HASHANNAH (New Year's Day) fellow lunar Sabbatarians!

Today, **04-27-2021**, although coincident to the Roman Gregorian calendar solar **Tuesday**, it is the authentic first day of the Biblical New Year, referred to in Exodus 12:1-4 as **Rosh Hashannah**. This day is also coincident to the first day of the **First Lunar Month of Abib (Aviv/Nissan)**.

Our Creator placed His full moon beacon as the original New Moon and start of His months, high above for all to see. All praise to YAHUAH Alahim for His steadfast love and compassion for His children, and His patience in restoring His long lost truths in preparation for the Second Coming of His Son, Yahusha haMashiach (the Messiah).

Simply because the full moon as New Moon, with its count to Lunar Sabbaths, and annual Feast Days are not popular among the Rabbinical Pharisee Jews or the Romanized Christian churches today, does, in no way diminish its LIGHT OF TRUTH shining from the pages of Scripture and His Eternal Throne. Only YAHUAH'S Ruach (power, presence, and provision) gives those who seek Him with all their hearts, "*eyes to see and ears to hear.*" Ask Him today to reveal His New Moon and lunar Sabbath to you and see how your life will change as your soul temple is synchronized to His. [Support Evidence for the Full Moon as the Original New Moon.](#)

"Blessed are those who hear the joyful call to worship, for they will walk in the **light** of your presence, YAHUAH. They rejoice all day (daylight) long in your wonderful reputation. They exult in your righteousness." Psalms 89:15-16

Today's Sabbath Message begins in THE BOOK OF MYSTERIES by Jonathan Cahn, for context.

Appointing Our Days

In his book, *“The Book of Mysteries,”* Jonathan Cahn relays a lesson given to him while in Israel. His short narrative transitions nicely into the subject of learning how to *number and appoint our days.*

“We’ve spoken of the year before you,” said the teacher. “Today we will speak of the days before you. What will the days, yet to come, bring to your life?”

“How could I know that?” I replied. “I don’t really have a say in the matter.”

“But what if you did?”

“How?”

“It is written, ‘Teach us to number our days.’ What does it mean?”

“That our days are limited, and so it’s wise to number them”

*“That’s correct,” he said, “And it’s the first meaning of the Scripture verse. But in the original language is a secret. And this secret can change your life, the days of your life. In Hebrew, it says, ‘Teach us to **manah** our days.’ The same word, **manah**, appears in the Book of Jonah where it is written that Yahuah Alahim **manah**’s a fish, a worm, and the wind.”*

*“Then **manah** must mean more than number.”*

*“It does. **It means to prepare and to appoint. So you must not only number your days, you must learn to prepare your days to appoint your days.**”*

“What does that mean?”

“It means that you’re not just to watch and wait passively to see what your days will bring. You are to prepare them.”

“How can I prepare my days before they happen?”

“How did the first days happen in the beginning? They didn’t just happen. Before they existed, Yahuah Alahim our Creator prepared them. He appoints them. He purposed them. So if you’re a child of His, you are called to do likewise.”

“How?”

“Prayer.”

“Praying for days that don’t yet exist?”

“Prayer isn’t only for what is, but for what is not yet.”

“But I can’t determine what will happen.”

“It doesn’t matter what happens. You appoint your days trusting Yahuah Alahim to bring what is good. You consecrate them for HIS PURPOSES. And then you use your days to accomplish those purposes. **Don’t let your days determine your life. Let your life determine your days.** And don’t just let your days go by. Prepare them, that they might become vessels of blessing and life. Appoint your days.” ~ *The Book of Mysteries, Jonathan Cahn, p. 5.*

Seasons and Their Beginnings

We have discovered that *manah* (H#4487- מנה) means to number and also to appoint. What would you say, if “**in the beginning**” of both creation and your personal life, our Creator, Yahuah Alahim gave you and me the *tools* to correctly *number and appoint* all our personal days? And what if these numbered days were laid out according to His worship schedule? Would you consider that viable? Let’s take a look...

“In the beginning, Alahim created the shamayim (heavens) and the earth... Genesis 1:1

*And Alahim said, “Let there be **LIGHTS** in the firmament of the heaven to divide the day from the night, and let them be for **SIGNS**, and for **SEASONS**, and for **DAYS**, and **YEARS**...day four. Genesis 1:14.*

Here in Genesis 1, we find that our Creator laid the foundation of His TIME principles. He did this by ordaining the **LIGHTS** of the SUN, MOON, and STARS to be used as our tools and instruments of time-measuring along the east-west time continuum. And while much could be said regarding each of the time elements of DAYS, YEARS, and SIGNS, our focus in this article will be to determine the meaning and significance of **SEASONS**.

Did you know that the word translated as **SEASONS** in Genesis 1:14 comes from the plural Hebrew word (H#4150 – מִידְעוּמַ – *mo’edim* = *appointed times*)? In all Hebrew dictionaries, this very important word is consistently defined primarily as “appointed times.” **This is the divine time signature designating WHEN to assemble for set-apart worship EVENTS.**

Yet, in addition to the Hebrew dictionaries, it has been discovered that Scripture provides extremely specific details for this word **SEASONS** (H#4150 – מִידְעוּמַ – *mo’edim* = *appointed times*). **It identifies precisely which single tool among the time-measuring instrument of the**

SUN, MOON, and STARS is to be utilized for numbering ALL APPOINTED TIMES. We find this amazing piece of evidence in Psalms 104:19.

“He ordained the MOON for SEASONS...” Psalms 104:19

Let’s break it down:

“He (Alahim our Creator) ordained (H#6213 asah – שעָה) the MOON (H#3394 yareach – יָרַח) for SEASONS (#4150 mo-edim – יְדִעוּמָה – appointed time)...” Psalms 104:19

Now lets add the final puzzle piece...

*Although (SEASONS – #4150 mo’edim) is defined as merely “appointed times” in all our Hebrew Dictionaries, it is this very verse in Psalms 104:19 that changes everything for the sheer fact that it explicitly states that **“He ordained the MOON for appointed times.”***

Wow! Wow! Wow! What a concept! But what does this mean?

SEASONS literally means **“LUNAR APPOINTED TIMES”** (seasons – #4150 – mo’edim = lunar appointed times) or in other words, **“APPOINTED TIMES AS ANNOUNCED BY THE MOON!”**

Have you ever heard of this concept that SEASONS literally means “LUNAR APPOINTED TIMES?” You would think that knowing this would awaken the churches and good folks everywhere would be scrambling to adjust their work and sacred worship schedules accordingly. But as Matthew 7:14 says, “...few there be that find it.” Interestingly, none of the Hebrew Dictionaries, including Strong’s Concordance and Brown-Driver-Briggs are revealing this astonishing fact from Scripture with regard to the word **SEASONS**. And add to this that all the churches and synagogues ignore it as well. This is the moment to consider why this evidence has been hidden and even replaced with alternate calendar systems. But hold this thought for a moment.

Now let’s see how this same hidden piece of evidence becomes personal to you and me...

Getting Personal with the Lunar Appointed Times of Our Lives

So far we found that indeed, our Creator gave us a specific time-measuring tool to ensure that numbered and appointed time on earth was in harmony with His worship schedule. Even if mankind were derailed for a time, His ordained trinity of LIGHTS would continue consistently, surrounding earth with DIVINE LOVE.

In bringing this closer to home, are you aware that from the moment a young woman begins to have her life-giving period, menstruation cycle, from which babies are incubated and born, **these are measured from month to month on a lunar calendar?** What this means is that in normal situations she will ovulate and menstruate on specific lunar phases consistently from lunar month to lunar month. All she needs to do is keep an eye on the same lunar phase every 29-30 days.

Astonishingly, from the moment of conception, the gestation and developmental age of all unborn babies (fetuses) are also consistently measured in lunar months. Nine lunar months will be about eight days short of nine solar months. So what does this mean? Is it simply coincidental? Together, these lunar life cycles forever tie mankind to their Creator and the calendar

of His creation as set-apart as holy by His **lunar appointed times (SEASONS)**. This shows that from the first cell division to the fullness of our muscles and tendons, our bodies, in all their progressive expansion, were knit together according to the rhythm of **LUNAR APPOINTED TIMES** by a loving Creator.

Synchronized through Lunar Appointed Time

Through this nearly obscure time-measuring system, specifically announced by the MOON, you and I were divinely synchronized to the eternal time-measuring model of our Creator. And through this model alone,

He continues to extend the promise of restoring and reuniting the sinner with the Savior through the process of linking our lives with His. **This fact, more than any other portrays that ALL LIVES MATTER to our loving Eternal Father, who purposely fashioned each of them in their beginnings to His appointed rhythms.** Although you will never hear this from the church pulpits, the **LUNAR APPOINTED TIME** rhythms born out in Scripture emphasize the same, as they are consistently measured “*from one New Moon to another*” (Isaiah 66:23, Ezekiel 46:1-3). Refer to the article, [New Moon by New Moon](#).

This includes the YEARS that commence in spring; twelve and even thirteen LUNAR MONTHS; four WEEKS that cycle from one (full) New Moon Day to the next; four seventh-day SABBATHS that are counted from the (full) New Moon Day; DAYS that are demarcated by 29-30 lunar phases that begin on the full moon; and for ALL ANNUAL PROPHETIC SET-APART WORSHIP ASSEMBLIES ([H#4744-miqra](#)).

I can hear the wheels of your mind turning, as it does not align with what we were taught in church. “*Yes, it is true that the lunar appointed times do number and appoint the Jewish Feast Days, but even the Jews don’t count their seventh-day Sabbaths from the moon anymore. And they should know because they have been doing this a very long time.*” *On the surface, this ideology may appear true. However, it doesn’t take much to illustrate a systemic flaw in this popular paradigm. Refer to the article, [Appointing Our Days – Part 2](#). (Coming Soon)*

Derailed Momentarily

With all this Scriptural clarification, how is it that mankind of earth has become so completely derailed from their original divine **lunar appointed rhythms** of life and worship? And why has this evidence been ignored and hidden for the past 1,700 years?

It’s no secret. It’s all been caused by the great deceiver who continues to live among us for yet a little while and has been working tirelessly to eradicate the ancient Scriptural truths from the minds of Yahuah’s faithful people, and specifically, the Creator’s beautiful lunar appointed time-measuring instrument. He knows the harmonizing east-west time continuum that was appointed for you and me would assist us in being restored to the rhythms of the FREE GIFT OF SALVATION if only our blind eyes were opened to see.

The deceiver was predominantly influential in 45 B.C. when Julius Caesar first eliminated the moon from the Roman calendar and legislated an eight-day week that cycled with no lunar boundaries. He was instrumental in the creation of Constantine’s new solar calendar model in

A.D. 325, in full defiance and rebellion against the Creator of heaven and earth and His Torah Law. Is there any wonder good folks today remain utterly unaware that they are marching to the rhythm of the counterfeit, with Satan himself, behind the curtain, as the orchestrating Pied Piper?

As it turns out this **LUNAR APPOINTED TIME** model is one half of the “**EVIDENCE EQUATION**” for the **PLAN OF SALVATION**. The other half is the **SET-APART PROPHETIC ASSEMBLY EVENTS** themselves to be fulfilled by **Yahusha HaMashiach, alone**. These two can never be separated as together they form the unbreakable bond of EVIDENCE that we serve a loving Alahim who will stop at nothing to save a people, restoring them into His image and likeness. His entire plan has been to synchronize our soul temples to that of His own for all eternity, a condition that will be consistently followed in His Eternal Kingdom.

The Open and Shut Door

Throughout Scripture, there is an ongoing invitation to enter at the gate/door to meet with **Yahuah Alahim and His Son Yahusha, our Messiah**. Its rhythm of APPOINTED TIME of being open or closed for worship (Ezekiel 46:1-3) is set by the moon as we discovered that the word **SEASONS** means “*lunar appointed times.*” Of course we are to pray and commune with our maker and Savior anytime day or night, but He has designated when the door/gate is open for all to assemble according to His TIME & EVENT PLAN. It identifies who His faithful are.

In Revelation 3:8, there is a reference to the open door that no man can shut. Together these reveal that Yahuah and Yahusha’s faithful followers are ordained to enter at the door when it is open for **LUNAR APPOINTED TIMES OF WORSHIP**. These are the ordered PROPHETIC and SET-APART APPOINTED FEAST DAYS that commence on ROSH HASHANAH in the spring. It begins when the full moon is nearest Bethulah’s (Virgo’s) feet, such as (today 04-27-2021) and ends with the last APPOINTED FEAST DAY in the fall.

Each Feast in their place along the pathway of **LUNAR APPOINTED TIME** identifies that the **PLAN OF SALVATION** is tied to specific lunar dates including the **SECOND COMING**. Amazingly, it is this **LUNAR APPOINTED FEAST ASSEMBLY EVENT SCHEDULE** that is the living **PATH OF THE LAMB**. Only by this ordered lunar arrangement may our soul temples be synchronized to that of His that we may be granted admission to enter the Holy of Holies (Kadosh of Kadoshim) by faith. But one day soon we will enter through the pearly gates, to **FOLLOW THE LAMB WHETHER SOEVER HE GOES FOR ALL ETERNITY**.

At the end of time, there will be two groups who claim to be believers and followers of the Messiah. These are referred to as the five wise and five foolish virgins. (Matthew 25:1-13) Both will be awakened to the midnight cry, “**BEHOLD THE BRIDEGROOM COMETH, GO YOU OUT TO MEET HIM!!!**” But alas, only those with enough of the oil of His anointing will have their lamps trimmed and burning bright, having knowledge and wisdom **when the DOOR to the MARRIAGE SUPPER OF THE LAMB IS OPEN** and will arrive on time. Those without the oil of His anointing will be out buying it on the day the DOOR is open. And then when they finally arrive at the door, they will be too late as it will be shut.

Folks, **IT IS ALL ABOUT HIS APPOINTED TIMES** and how willing we are to **harmonize our soul temples to His**. Today is our Creator’s authentic ROSH HASHANAH. It is the first day of His sacred year in the spring and the first day of the First Lunar Month of Abib (Aviv/Nissan).

Did you know, our Creator's original calendar was restored to Moses and Aaron sixteen days prior to leaving Egypt? Yahuah did this to ensure they arrived at the correct 14th day for Passover and were in trusting preparation for leaving Egypt on the 15th by night, after the sacred hours of the seventh-day Sabbath had passed. In like manner, He is restoring His calendar to His faithful seekers of truth today in preparation for His return and entering His Promised Land (Exodus 12:1-4).

So it is that the DOOR is made up of two parts, the SEASONS meaning "LUNAR APPOINTED TIME AND THE EVENTS PERFORMED BY OUR MESSIAH UNTO SALVATION." This is the DOOR, specifically designed by the Master Designer, that we may be vetted and enter in. What will your decision be? WHAT A MARVELOUS AND COMPASSIONATE ETERNAL FATHER AND SON WE SERVE! HALLELUYAH!!!

"Verily, verily, I say unto you, 'He that enters not by the door into the sheepfold, but climbs up some other way, the same is a thief and a robber.'" John 10:1

"He that enters in by the door is the shepherd of the sheep." John 10:2

Yahusha said unto him, "I am the way, the truth, and the life, no man comes to the Father, but through me." John 14:6

"Teach us to number (appoint) our days that we may have a heart of wisdom." Psalms 90:12
