

## Shabbat Shalom, fellow lunar Sabbatarians!

Today, **07-23-2021**, although coincident to the Roman Gregorian calendar solar **Friday**, it is the authentic **fourth lunar Sabbath** of our Creator's **Third Lunar Month** that begins in the spring.

He placed His full moon beacon as the original New Moon and start of His months, high above for all to see. All praise to YAHUAH Alahim for His steadfast love and compassion for His children and His patience in restoring His lost truths in preparation for the Second Coming of His Son, Yahusha haMashiach (the Messiah). Simply because the full moon as New Moon, with its count to Lunar Sabbaths, and annual Feast Days are not popular among the Rabbinical Pharisee Jews or the Romanized Christian churches today, does, in no way diminish its LIGHT OF TRUTH shining from the pages of Scripture and His Eternal Throne. Only YAHUAH'S Ruach (power, presence, and provision) gives those who seek Him with all their hearts "eyes to see and ears to hear." Ask Him today to reveal His New Moon and lunar Sabbath to you and see how your life will change as your soul temple is synchronized to His for all eternity.

"Blessed are those who hear the joyful call to worship, for they will walk in the light of your presence, YAHUAH. They rejoice all day long in your wonderful reputation. They exult in your righteousness." Psalms 89:15-16

Following this Sabbath day, the full moon will arise and make its way along the east-west time continuum, announcing the New Moon Day will commence at sunrise on the Gregorian date of 07-24-2021. Here is an illustration of the Fourth Month.

## **THE DAYS OF ONE-ETERNITIETH**

**Jonathan Cahn**

“Which is more valuable,” asked the teacher, “that which is common or that which is rare?”

“That which is rare,” I replied.

“And which is more valuable: that which is rare or that which is extremely rare?”

“That which is extremely rare,” I said.

“How valuable is this life?” he asked. “How valuable is your time on earth?”

“I don’t know.”

“Is it rare or is it common?” he asked.

“I would say it’s common as it’s what everybody has. And it’s made up of countless moments, every day, every year.”

“So then it wouldn’t be especially valuable,” he said. “Now let’s say your time on earth is one hundred years. But time goes on for a thousand years. Your time on earth becomes rare, one-tenth of time. And what happens after a million years have gone by? How long was your time on earth?”

“One ten-thousandth.”

“One ten-thousandth of time, one in ten thousand...very rare. Now, what happens when we consider eternity? What happens to your time on earth in light of eternity?”

“It becomes once in eternity.”

“So your life on earth becomes one-eternitieth,” he said. “How rare is that?”

“Very,” I answered.

“Infinitely rare,” he said. “So how valuable is your time on earth?”

“Of infinite value.”

“That’s correct. Your days on earth come around only once in an eternity... only once. Every moment you have comes around only once in an eternity...and never again. Every moment is a

once-in-eternity moment, a one-eternitieth moment. Therefore, every moment is of infinite value...infinitely priceless. Then how must you live?"

"Appreciating every moment."

"Therefore make the most of every moment. For it will never come again. Whatever goo you would do, do it now. Treat every moment as if it was infinitely rare and of infinite value...because it is. For every moment, and your life itself comes around only once in an eternity."

**The Mission:** Whatever good you would do, do it now. Treat this day as if it comes around only once in an eternity –because it does. Psalms 90:10-12; Romans 13:11-14; 2 Corinthians 6:1-2; Ephesians 5:16

**Suggested Sabbath reading:** [Restoring the Creator's Calendar](#)

About this article: Just prior to the exodus from Egypt, Yahuah began restoring the Creator's Calendar to Moses and Aaron along with all of Israel who sought release from bondage or desired to be led to the Promised Land.

That event so long ago was designed to typify the experience of His true followers at the very end of time. And just as Yahuah revealed His calendar then, he is now doing the same. For if we have the wrong calendar, we will have the wrong Passover and therefore not have the Seal of Yahuah. The wrong calendar will cause the would-be faithful to miss out on the time-centric Second Coming of our long-awaited Messiah. Admission to the Promised Land and Yahusha's Eternal Kingdom are dependent upon obedience to His revealed and restored divine calendar, exactly as was given to Moses and Aaron.

What an exciting time in which to live as the Bible prophecies are being revealed and fulfilled before our eyes. Let us arise and make every moment count in our study, prayer, and sharing with others the revealed truths that will prepare others for His Return.
