

Happy New Moon Day!

Today, **07-24-2021**, although coincident to the Roman Gregorian calendar solar **Saturday**, it is the authentic **New Moon Day** of our Creator's **Fourth Lunar Month** of the year cycle that begins in the spring.

He placed His full moon beacon as the original New Moon and start of His months, high above for all to see. All praise to YAHUAH Alahim for His steadfast love and compassion for His children and His patience in restoring His lost truths in preparation for the Second Coming of His Son, Yahusha haMashiach (the Messiah). Simply because the full moon as New Moon, with its count to Lunar Sabbaths, and annual Feast Days are not popular among the Rabbinical Pharisee Jews or the Romanized Christian churches today, does, in no way diminish its LIGHT OF TRUTH shining from the pages of Scripture and His Eternal Throne. Only YAHUAH'S Ruach (power, presence, and provision) gives those who seek Him with all their hearts "*eyes to see and ears to hear.*" Ask Him today to reveal His New Moon and lunar Sabbath to you and see how your life will change as your soul temple is synchronized to His for all eternity.

"Blessed are those who hear the joyful call to worship, for they will walk in the light of your presence, YAHUAH. They rejoice all day long in your wonderful reputation. They exult in your righteousness." Psalms 89:15-16

Born of Love

The Inexplicable Equation

Discover how this equation of $0+X=A$ gives every person hope and a future beyond the grave.

Using a stick, the teacher began drawing letters and symbols in the sand, first a zero, then a plus sign, then an X , then an equal sign, and then the letter A . $0+X=A$. “It’s an equation,” he said. **“The zero will stand for a life and a movement brought to nothingness,** that of the Jewish Rabbi Yehusha. His followers had believed that their leader was the Messiah. But it all came to a traumatic end with His public execution on the cross. They were demoralized, traumatized, in mourning, broken, and fearing for their lives. If ever a movement was crushed, it was this one. But then something happened. The crushed and broken followers of the crucified Rabbi were transformed into the most confident, unbowed, unafraid, and overcoming people the world has ever witnessed. Their despair was replaced by hope and their mourning by an unconquerable joy. Their fear of persecution entirely vanished, as did their fear of death. They became unstoppable, and they changed the course of world history.”

He pointed to the A and continued, **“The A represents all that took place after that transformation, an Alpha, for the new beginning.** So what happened? How do you go from 0 to A , from death and total crushing devastation to the overcoming of the world? From mourning to joy? 0 is death. And the power of X must be greater than the power of 0 . So the power of X must be greater than death. And as 0 was a real and historical event, so X must be an equally real and historical event. It is X that turns mourning into joy and nullifies the fear of death. And it is X that is the overcoming of 0 . So X must equal nothing less than the overcoming of death. So what is X ?”

“The resurrection,” I said.

“Yes, X can only equal the resurrection. For only the resurrection could bring them from 0 to A , from death and from the tomb to the new beginning so powerful it changes the history of the world. There can be only one answer. X equals the empty tomb, the risen Messiah. And if you’re in Messiah, then you have the same equation over your life, and the same power, the power to turn the end into the beginning, death into life, despair into hope, and mourning into joy. And when you find yourself broken and at your end, it will be that power by which you rise up...and overcome the world. It is that power alone that explains the

equation of your life and that will bring about the equation of your victory –the power of *X*.”

The Mission: Apply today the power of *X*. Do what you could not have done and live what you could not have lived except by the power of *X*.

Born of Love

The foundation of every TRUTH RESTORED is about LOVE and a RELATIONSHIP with Yahuah Alahim and His Son, born of the $0+X=A$ equation. “*For Yahuah Alahim so loved the world (you and me) that He gave His only begotten Son (Yahusha haMashiach), that whosoever believes (love, trusts, honors, and obeys) in Him should not perish but have everlasting life.*” John 3:16

I often get comments from folks that none of this restoration of truth, such as New Moon Days and lunar Sabbaths, is important to our salvation but that all we need is a loving relationship with the Messiah. Yet, if we are restoring TRUTH, isn’t the author of it our Creator and Messiah? Isn’t knowing the *truth* going to bring us closer to this magnificent Father and Son duo who have accomplished everything they could to restore us into a perfect relationship with them. It was the Law that was broken. Thus the Law must be restored and ultimately written on the hearts of His loving and obedient followers. Isn’t the Torah Law that is written on our hearts born of LOVE?

Is it possible that those who think all they need is to believe and have a relationship with the Messiah mistaken? Might they not be fully aware of how far they and the rest of humankind have fallen? Our Messiah said, “*If you love me, keep My commandments.*” John 14:15. Is this not a perfect explanation of how to show our love for Him? Our obedience illustrates our love. And interestingly enough, the Ten Commandments are not all the “commandments” being referred

to. “...Keep **ALL** His commands that you heard from the beginning that you should walk in them....” John 1:6.

“And keep the charge of Yahuah your Alahim/Elohim, to walk in His ways, to keep 1) His statutes, and 2) His commandments, and 3) His judgments, and 4) His testimonies, as it is written in the TORAH LAW of Moses, that you may prosper in all that you do, and whithersoever you turn yourself.” 1 Kings 2:3

Our Messiah’s Bible

The only Bible, our Messiah, read from and taught from while on this earth was the Old Testament. The first five books of the Old Testament are called the Torah Law. They are the instructions for all the people of Yahuah (Yasharal) and His Son Yahusha to the end of time, including those of us who are grafted in. This is where we discover the entire Plan of Salvation made manifest and placed in their order on His lunar appointed Feast Days. Is that not love? This Torah Law is so essential that our Messiah had to die to fulfill and ratify it. Is that not love?

“But when the fullness of the time came, Yahuah Alahim sent forth his Son, made of a woman, made under the LAW, to redeem them that were under the LAW, that we might receive the adoption of sons. And because you are sons, Yahuah Alahim has sent forth the Ruach (presence) of his Son into your hearts, crying, Abba, Father. Wherefore thou art no more a servant, but a son; and if a son, then an heir of Yahuah Alahim through Yahusha haMashiach.” Galatians 4:4

“Whosoever transgresses [sins by breaking TORAH], and abides not in the TORAH LAW of Messiah, has not Alahim [the Father]. He that abides in the TORAH LAW of Messiah, he has both the Father and the Son.” 2 John 1:9

Can Grace Stand Alone?

There are many church leaders and assemblies that have taught for hundreds of years that we are no longer under the Law but are now under Grace. Yet, Grace cannot exist outside the presence of the Law. In this erroneous teaching, they undermine the LOVE that is made manifest for humankind to be restored. Law and Grace are forever bound together in our Messiah who desires that we follow in His

footsteps. This is a path the worldly and unconfessing sinners will never follow. The shocking truth is in the reality that our LOVE for our Eternal Father and His Son is exhibited by our obedience to His Laws, a returning to His teachings, commandments, statutes, judgments, and testimonies.

Our living under the $0+X=A$ equation anticipates our faithfulness to follow Him according to all His Word, including not picking and choosing whole principles and portions of Scripture. The Prophet Isaiah put it this way:

“To the Torah Law and to the Testimony if they speak not according to this word, it is because there is no light [truth] in them.” Isaiah 8:20

At the very end of time, this two-part principle is repeated. It illustrates the contrast regarding the few who will receive the Seal of Yahuah and not be touched by the Mark of the Beast.

“Here is the shalom (peace) of the RIGHTEOUS (zadok), here are they who keep the TORAH LAW and have the TESTIMONY of YAHUSHA haMashiach (the Messiah). Revelation 14:12

Who knew that this tidy little two-part principle is the foundation of TRUTH. Getting this right is a sign that we are His.

“Moreover the Torah Law was given, that our sins would be made plain. But where sin is made plain, grace is much more present: Just as sin has reigned unto death, even so might grace reign through righteousness unto eternal life through Yahusha haMashiach our master.” Romans 5:20-21

His Equation Becomes Ours

Thus the equation of $0+X=A$ in our lives is only possible because of His love and our trusting obedience: 1) Because we transgressed the Torah Law, we deserve death, represented by the 0 , which has now been paid in full by the death of Yahusha our Messiah; 2) Our Messiah’s resurrection to New Life becomes our resurrection and the promise of a future, as we confess our sins, made manifest by the Torah Law, and walk in His path, represented by the X . 3) By this principle, we can therefore be restored beyond what we could otherwise think or hope. His death & resurrection, together with our choice to follow His example, has made ETERNAL LIFE and SALVATION POSSIBLE, represented by the A .

We are certainly nearing the end of time. Now is the time to update our out-of-date paradigms by seeking the pathway of our Messiah that is founded upon the two principles of Torah Law and Grace and is born of LOVE.
