

## Shabbat Shalom, fellow lunar Sabbatarians!

Today, **10-12-2021**, although coincident with the Roman Gregorian calendar solar Tuesday, it is the authentic **third lunar Sabbath** of our Creator's **Sixth Lunar Month** that begins in the spring.

He placed His full moon beacon as the original New Moon and start of His months, high above for all to see. All praise to YAHUAH Alahim for His steadfast love and compassion for His children and His patience in restoring His lost truths in preparation for the Second Coming of His Son, Yahusha haMashiach (the Messiah). Simply because the full moon as New Moon, with its count to Lunar Sabbaths, and annual Feast Days are not popular among the Rabbinical Pharisee Jews or the Romanized Christian churches today, does, in no way diminish its LIGHT OF TRUTH shining from the pages of Scripture and His Eternal Throne. Only YAHUAH'S Ruach (power, presence, and provision) gives those who seek Him with all their hearts "*eyes to see and ears to hear.*" Ask Him today to reveal His New Moon and lunar Sabbath to you and see how your life will change as your soul temple is synchronized to His for all eternity.

"Blessed are those who hear the joyful call to worship, for they will walk in the light of your presence, YAHUAH. They rejoice all day long in your wonderful reputation. They exult in your righteousness."  
Psalms 89:15-16

# THE WARS OF THE HOLY

By Jonathan Cahn

He opened one of the drawers in his study and took out a thin rectangular wooden box. Inside was a collection of ancient coins, most of them badly worn, but some well preserved. He gave me time to examine them.

“Of the entire surface of this planet,” said the teacher, “what plot of land on earth do you think has been the most fought over in history?”

“I wasn’t a history major,” I answered. “I really have no idea.”

“The answer is *Jerusalem*. All these coins are from that plot of land, each representing a kingdom or empire that approached its walls. Jerusalem, the City of Alahim (God), the City of Peace, yet it’s been reduced to ashes more than once and been laid siege over twenty times. It’s been the ground of over a hundred conflicts. From ancient times to the modern world, no city on earth has been so fought over or the focus of so much warfare. Why? It has no great military or strategic value, and no great resources.

**If we were visiting this planet for the first time, it would tell us that there’s something about that city, something that sets it apart from all other places, and beyond natural explanation.** What conflict would there be from that which is beyond the natural... to war against the City of Peace?”

“A conflict in the spiritual realm. The conflict of the enemy.”

“And why?” asked the teacher.

**“Because Jerusalem is at the center of Yahuah Alahim’s (God’s) purposes?”**

“Yes,” he said, “at the center of His purposes, past, present, and future, the place where His feet will touch the earth, and the throne from which the kingdom of Yahuah will go forth. (Zechariah 14:4) Thus it must be the most warred over of grounds. So all the conflict, the controversy, and the warfare itself is a testimony to Jerusalem, to what Jerusalem is – **the central ground of Yahuah Alahim’s (God’s) purposes on earth.** And why is the conflict so great? Because His purposes for Jerusalem are so great...”

**“And so too in your life, and in the lives of all His children....as you do the will of Yahuah Alahim, there must be conflict, and warfare, and attacks. But**

**don't ever let that discourage you. Be encouraged. It's a sign of revelation by default, that you're on the right path and what you're doing will be of great effect and reward. DON'T STOP!!! But press on all the more. For the greatness of the battle is only because of the greatness of Yahuah Alahim's (God's) purposes for His holy place—you!"**

**The Mission:** Don't fear the battles. Embrace them. What is of Yahuah Alahim (God) will be opposed. And that which is good is worth fighting for. Fight the good fight. And you will prevail. *Isaiah 52:1-2; 2 Corinthians 6:4-10; 2 Corinthians 10:3-5, Zechariah 14:4.*

[Disclaimer: Please note that "*The Book of Mysteries*" is Jonathan Cahn's notes from the lessons he received while spending a year under the tutelage of "The Teacher" in Yasharal (*Israel*). I have found many of these to be worthy to share and will make additional comments on them as needed. Those teachings not supported by Scripture that don't meet the mark on any level are not shared or posted. **We are not followers of Jonathan Cahn as there are many beliefs we don't hold in common. However, these are shared that you too may be barakah (blessed) by the wisdom of "The Teacher."**]

## **When and Where It All Began**

The Bible tells us there was war in heaven:

**“And war broke out in heaven:** Michael (Yahusha) and his angels fought with the dragon, and the dragon and his angels fought, but they did not prevail, nor was a place found for them in heaven any longer. So the great dragon was cast out, that serpent of old called the Devil and Satan, who deceives the whole world; he was cast to the earth, and his angels were cast out with him. Then I heard a loud voice saying in heaven, "Now salvation, and strength, and the kingdom of our Alahim (God), and the power of His ~~Christ~~ Messiah have come, for the accuser of our brethren, who accused them before our Alahim (God) day and night, has been cast down. And they overcame him by the blood of the Lamb and by the word of their testimony, and they did not love their lives to the death. Therefore rejoice, O heavens, and you who dwell in them! Woe to the inhabitants of the earth and the sea! For the devil has come down to you, having great wrath, because he knows that he has a short time." Now when the dragon saw that he had been cast to the earth, he persecuted the woman (the obedient followers of Yahuah and Messiah) who gave birth to the male *Child*.” Revelation 12:7-13

**I believe the above is a synopsis of the big picture that began before this earth was created. The war that began in heaven did not end there.** When earth was created and Adam and Eve were made in the image of Yahuah Alahim and placed in their garden home, so too Satan was by some legal arrangement was allowed to be there for a time as well. He carried with him his rebellion and argument that Yahuah Alahim, the Most High, was controlling, unjust, and unfair. But now the object of the conflict changed to include the new creation called mankind. Satan's goal was to cause the new creation, Adam and Eve to also rebel and sin against their creator, as he sought to prove to the unfallen realm that indeed his claims against Yahuah the Most High were founded. By so doing, it would continue the battle on earth between Satan and Yahuah Alahim and His Son, all for the sake of the object of Yahuah and Yahusha's love and attention for you and me. But most significantly, this arrangement would ultimately cause the death of the Yahusha, the Son of the Most High. So it is that the battle of good and evil on earth began.

### **Sin's First Sacrifice and Passover's First Pass Over**

The following is a list of time-centric events that occurred in their order on the very same plot of land spanning 4,000 years.

- The first sin on earth occurred in the Garden of Eden. The curse was now upon mankind and all their offspring, which declared, "*upon the day that you eat thereof you shall surely die.*" (Genesis 2:17) Adam and Eve would have surely died that very day had it not been for the lamb sacrifice that followed that selfsame day. The lamb was to be the symbol of the promise and became the continual replacement sacrifice for sin that pointed forward to the Messiah, the anointed Lamb, the only begotten Son of Yahuah, who would one day lay down His life once as a sacrifice for all mankind. By extension, you and I would cease to exist the first time we sinned but for this same fact that the curse is held at bay by our anointed Messiah who paid the required price, as "*the wages of sin is death.*" (Romans 6:23)
- The first lamb sacrifice and promise of the Messiah, the TRUE LAMB, occurred in this same Garden on the same day, preventing the death of Adam and Eve and all those living from that time to the time of the promised Messiah's sacrifice.

- Approximately 2,500 years after the first sacrifice, Abraham was called by Yahuah Alahim to sacrifice His only son at the place that Yahuah would show him. Abraham and Isaac were led to Mount Moriah, a specific mountain in Jerusalem. When Isaac stated, “*Behold the fire and the wood: but where is the lamb for a burnt offering?*” Abraham answered, “*My son, Yahuah Alahim will provide himself a lamb...*” (Genesis 22:7)
- Nearly 2,000 years after Abraham and Isaac were led to sacrifice at Mount Moriah, the long-promised Messiah, Yahusha haMashiach laid down His life **at the very spot**. He alone was the LAMB that Yahuah Alahim would provide as the ultimate sacrifice for sin and redemption for all mankind.

## **X Marks the Spot**

Do you see a parallel between the *Garden of Eden* with its first lamb sacrifice location at Mount Moriah and the place where Yahuah led Abraham and Isaac and then fulfilled His promise at the very spot by the sacrificial death of Yahusha haMashiach (the Messiah)? It is like bread crumbs of evidence being dropped so that you and I may see the connection, and realize the intrinsic importance of that plot of land.

The *Cross of Calvary* is the X that marks the spot of the greatest treasure mankind can comprehend. Jerusalem represented the location where not only sin first entered that caused the fall of the entire human race, but also its full restoration. How? It

represents the POWER, PROMISE, and PROVISION of YAHUAH ALAHIM, who sent YAHUSHA ha Mashiach, His only Son to lay down His life that you and I might LIVE, and that the WAGES OF SIN (DEATH) be held in check. He accomplished this that He may restore His faithful and obedient followers back to YAHUAH ALAHIM the MOST HIGH ETERNAL FATHER, permanently. Indeed, the greatest treasure coming forth from that sacred plot of land we now call Jerusalem is ETERNAL LIFE TO ALL WHO WOULD BE LOST, via YAHUSHA haMASHIACH the only begotten Son of YAHUAH ALAHIM.

The day the sacrificial types were met by the antitypical sacrifice of YAHUSHA haMashiach, GRACE was made manifest for all who would reach out and receive it and faithfully walk in His Torah Laws and Statutes. This was the only way that mankind can signify their acceptance of His so gracious gift. The Torah Law and Grace work hand in hand, and do not now, nor have they ever existed one without the other.

## **From Salem to Jerusalem**

At the time of Abraham, this sacred spot was simply called SALEM (Salem – H#8004 = peace, shalom) (Genesis 14:18, Psalms 76:2)

“Then Melchizedek king of **Salem** (Shalom/Peace) brought out bread and wine; he *was* the priest of Yahuah Alahim (God) Most High.”  
Genesis 14:18

“In **Salem** (Shalom/Peace) also is His tabernacle, and His dwelling place in **Zion**.” Psalms 76:2

Psalms 76:2 identifies that Salem was indeed the same place that was later called Jerusalem, as it became the place of tabernacle/temple and Zion.

## **Jerusalem to Yarushalom**

In our modern Bibles, this sacred plot of land is called and spelled “*Jerusalem*.” There are a few problems with this. First of all, there are no “J” sounds in Hebrew. The first letter is the yod, which sounds like “Ya” as in the sacred names of Yahuah Alahim and Yahusha haMashiach. Then we add the “r” to it and we have “Yar.”

This is a match for the first two of three letters in the word for *moon* (H#3394 – ירח - yareach – moon). Add this together with the word shalom, and you have Yarushalom or “*moon’s peace.*”

I believe Yarushalom is spelled this way as a sacred bond connecting this sacred plot of land to the Creator and His LUNAR TIME SIGNATURE set in motion at creation. Interestingly, there is no getting around the connection of Yahuah’s sacred plot of land, and His time-measuring model placed in the heavens based primarily upon the moon.

## Yarushalom – Where Sacred Land and Lunar Time Intersect

Once we comprehend that the sacred plot of land and the Creator’s calendar intersect in “Yarushalom” (Moon’s Peace) then it is easy to understand that only the true Messiah, Yahusha haMashiach died for the sins of the world on Passover, Abib 14. It is the fourteenth day counted from the New Moon Day of Rosh Hashanah (New Year’s Day) in the spring. In conflict with this narrative, we were all taught that the personage referred to as “Jesus Christ,” was the anointed messiah recorded in the English New Testament versions, yet it is taught that He died on Good Friday of the Roman solar calendar system and resurrected on Easter SUNDAY. Strikingly, the very facts laid out from the beginning in Scripture identify that the sacred months and weeks are lunar, exposing the pseudo messiah, “*Jesus Christ*” and his pagan solar calendar rhythm as impostors.

## The Date Sin Entered the Eden Home

Is it possible that that the 14<sup>th</sup> of Abib marks the date that Adam and Eve first brought sin into the world? We know that Adam and Eve were created on the 6<sup>th</sup> day of Creation and spent the seventh-day Sabbath in joy and communion with their maker. They were instructed to be fruitful and multiply and fill the earth, yet we know that when they sinned they still had no children and that Eve gave birth after sin while in pain.

Seeing that Passover, the 14<sup>th</sup> of Abib, was the date given years later to the Israelites on which to celebrate Passover, then 1,500 years later, it was the selfsame Passover date and anointed time for Yahusha haMashiach (the Messiah) to lay down His life upon the cross/stake, might it have been the actual date when sin entered, just one week after Adam and Eve were created? If sin had occurred on Abib 14, one year later, there is no doubt that these two perfect humans who were given instructions to “*be fruitful and multiply,*” would have had a child by then. But since they had no children at the time of their removal from Eden, doesn't it appear that the first sin and its sacrifice actually occurred one week after they were created?

## **The First Month of Earth's History**

**Might it be this very evidence that defines that in all actuality, the first Passover occurred on the 14<sup>th</sup> day in the first month of earth's history and not simply at the time of Moses and the great exodus?** Might Passover have always marked the day Adam and Eve were spared from certain death and were passed over because of the slain lamb sacrifice? Then might the skins of the lamb that were fashioned then placed upon our first parents as tokens of the promised LAMB'S ROBES OF RIGHTEOUSNESS that cover us? “*...They have washed their robes and made them white in the blood of the lamb.*” *Revelation 7:14* Then by Yahuah Alahim's power and provision, might this sacred plot of ground and its specific sacred date, synchronized to PASSOVER Abib 14, become the SACRED SIGN, SEAL, and PROMISE unto ETERNAL LIFE for all who will receive the free gift, and arise and walk in it throughout the ages, past, present and future? The evidence appears to indicate that just one week after Adam and Eve were created, they ate of the forbidden tree and failed the test of obedience.

Is it any wonder that the enemy of souls has maintained war and strife since those first two weeks at the very beginning of time on earth? So we discover that this rather small plot of land at the site of Yarushalom (Moon's Peace) has held the secret of TIME & EVENT, but also LOCATION, LOCATION, LOCATION. It is the site of not only the first lunar Passover Promise but also its sacred lunar Passover fulfillment. Each occurring on Abib 14, as found only upon His unique astro-luni-solar calendar, as counted from the full New Moon on the east-west time continuum?

## **Rabbinical Jewish Claims**

But don't be deceived today by the Rabbinical Jewish claims concerning this land. For in their denial of the Messiah both past and present, they renounce their claim as the chosen people of the promise, as the promise is specifically about Yahusha haMashiach (the Messiah). They have lost their way because they gave their allegiance instead to the Babylonian Talmud and the Mishna and their oral traditions of men. And it is simply impossible to ride the fence between these opposing positions. They corrupted the sacred time-measuring model given to them as oracles for safekeeping by the Most High. Instead, they now reflect a combination of Babylonian and Roman calendar systems with a sprinkling of Biblically skewed Feast Days on top. No longer do their beliefs or rhythms of worship reflect the children of the promised Messiah, in obedience and honor of the Most High.

## **Roman Catholic Christian Claims**

With regard to the Roman Catholic *Christians*, who have become a dominant factor at this holy site in *Yarushalom*, their presence has not added an ounce of value or sacredness. Why? Because of several of her rebellious witty inventions that are all self-made customs opposed to the truths of Scripture: 1) Their denouncement of the Torah Law of instruction, claiming "*We are no longer under the LAW, but under*

*Grace,*” affects the sacred calendar and all the lunar New Moon Days, lunar Sabbaths, and lunar Feast Day appointments. When we never meet with Him on His sacred appointed days, He will say on that great day, “*Depart from Me, I never knew you!*;” 2) Their replacement of Yahusha the Messiah with the fictional *Jesus Christ* causes all who worship *him* to go to the one behind the mask; 3) The replacement of the lunar appointed Passover date of Abib 14, with Easter Sunday on a fabricated solar calendar system, causes all the world to receive the Mark of the Beast because keeping Passover, Abib 14 is the pre-ordained SIGN and SEAL in our hand and in our forehead that we honor and worship the Most High Yahuah by way of Yahusha haMashiach’s blood atonement. And in these things, all her daughter Christian churches follow in close pursuit.

So it is that both the Jews and the Christians represent the fallen state of mankind that remain in rebellion to Yahuah Alahim and His only Son Yahusha haMashiach. As we near the end of time wars and rumors of wars will continue. Each of these factions will declare peace and safety, but they will never experience it because they are not covered by the *blood of the Lamb*.

“And the dragon was wroth with the woman [obedient followers of Yahuah], and went to make war with the remnant of her seed, who keep the commandments [**Torah Law**] of Yahuah Alahim, and have the **testimony of Yahusha haMashiach** (the Messiah).” Revelation 12:17

Although war-torn to the end of time, PEACE & GRACE were and still are bestowed to His obedient and faithful followers, who through the lunar appointments of TIME & EVENT are covered by the BLOOD OF THE LAMB. These treasures of knowledge that were once tragically lost are now miraculously restored in that very location where X MARKS THE SPOT. HalleluYAH!!!

He speaks of widespread destruction in all Jerusalem as well.

*"But for all the rest of the wall, it was so thoroughly laid even with the ground, by those that dug it up to the foundation, that there was left nothing to make those that came thither believe it had ever been inhabited. This was the end which Jerusalem came to..."*
