

Shabbat Shalom, fellow lunar Sabbatarians!

Today, **12-17-2021**, although coincident with the Roman Gregorian calendar solar **Friday**, it is the authentic **fourth lunar Sabbath** of our Creator's **Eighth Lunar Month** count that begins in the spring.

He placed His full moon beacon as the original New Moon and start of His months, high above for all to see. All praise to YAHUAH Alahim for His steadfast love and compassion for His children and His patience in restoring His lost truths in preparation for the Second Coming of His Son, Yahusha haMashiach (the Messiah). Simply because the full moon as New Moon, with its count to Lunar Sabbaths, and annual Feast Days are not popular among the Rabbinical Pharisee Jews or the Romanized Christian churches today, does, in no way diminish its LIGHT OF TRUTH shining from the pages of Scripture and His Eternal Throne. Only YAHUAH'S Ruach (power, presence, and provision) gives those who seek Him with all their hearts *"eyes to see and ears to hear."* Ask Him today to reveal His New Moon and lunar Sabbath to you and see how your life will change as your soul temple is synchronized to His for all eternity.

"Blessed are those who hear the joyful call to worship, for they will walk in the light of your presence, YAHUAH. They rejoice all day long in your wonderful reputation. They exult in your righteousness." Psalms 89:15-16

HEAVEN'S WOMB

Jonathan Cahn

We had been observing one of the tent villages when the stillness was suddenly broken by a burst of high-pitched cries of excitement.

“Birth,” said the teacher. “Do you remember when we saw the woman sitting by the tent door, the one who was expecting? That’s the sound of celebration for her newborn baby.”

It was some time before people began emerging from the tent, first a middle-aged woman, a friend or relative of the mother, cradling the newborn baby boy.

“Do you remember when I spoke of the child in the womb ...how that child would never be able to make sense of his life in the womb because the womb was not the world he was made for, but the place of preparation for the world he was made for? It wasn’t just a revelation about heaven. It was a revelation about this world ...and about your life. When Messiah spoke of what comes after this world, He spoke of it as the day we ‘enter life.’ Think about it ...to enter life. If we will enter life then, then what is this present life?”

“It must be a pre-life,” I said.

“Yes,” he said. “pre-life ...pre-birth. In fact, it is written in the Scriptures that ‘the whole creation groans and labors with birth pains together until now.’ This entire life is prenatal. Do you know what this life really is?”

“What?”

“The womb of heaven,” he said. “This life is heaven’s womb. It’s not what you’re destined for. It’s not your home. It’s the place of your preparation for the place you are destined for. As the womb was to prepare you for this life ...this life is to prepare you for what is yet to come. As an unborn child can never understand or judge his life by the womb, neither can you understand or judge your life by your present circumstances ...but only by that which they are preparing you for ... heaven. And Yahuah Alahim (God) will use everything of this world, and everything in your life, the joys and the sorrows, the victories and the losses, the mountains and the valleys, all of it, to prepare you, to grow you, and to form you into the child of heaven you are yet to become. From here on, see this world and your life as it actually is, and let it prepare you for the life beyond this life, and the world beyond this world, that you would be ready on that day ... when you leave this world ... and are born to eternity. For everything you’ve known of this world and of your life on earth ... was none other than heaven’s womb.”

The Mission: Take part in a new revelation— see everything in your life, as your preparation for eternal life. See this life as the womb of heaven. And live your life accordingly. *Psalms 139:13-16; Matthew 18:3; Matthew 19:17; John 16:21-22; Romans 8:22-23, 29.*

[Disclaimer: Please note that “*The Book of Mysteries*” is Jonathan Cahn’s notes from the lessons he received while spending a year under the tutelage of “The Teacher” in Yasharal (*Israel*). I have found many of these to be worthy to share and will make additional comments on them as

needed. Those teachings not supported by Scripture that don't meet the mark on any level are not shared or posted. **We are not followers of Jonathan Cahn as there are many beliefs we don't hold in common. However, these are shared that you too may be barakah (blessed) by the wisdom of "The Teacher."**]
