

## Shabbat Shalom, fellow lunar Sabbatarians!

Today, **01-24-22**, although coincident with the Roman Gregorian calendar solar **Monday**, it is the authentic **first lunar Sabbath** of our Creator's **Tenth Lunar Month** count that begins in the spring.

He placed His full moon beacon as the original New Moon and start of His months, high above for all to see. All praise to YAHUAH Alahim for His steadfast love and compassion for His children and His patience in restoring His lost truths in preparation for the Second Coming of His Son, Yahusha haMashiach (the Messiah). Simply because the full moon as New Moon, with its count to Lunar Sabbaths, and annual Feast Days is not popular among the Rabbinical Pharisee Jews or the Romanized Christian churches today, does, in no way diminish its LIGHT OF TRUTH shining from the pages of Scripture and His Eternal Throne. Only YAHUAH'S Ruach (power, presence, and provision) gives those who seek Him with all their hearts "*eyes to see and ears to hear.*" Ask Him today to reveal His New Moon and lunar Sabbath to you and see how your life will change as your soul temple is synchronized to His for all eternity.

"Blessed are those who hear the joyful call to worship, for they will walk in the light of your presence, YAHUAH. They rejoice all day long in your wonderful reputation. They exult in your righteousness." Psalms 89:15-16

## MOUNTAINS AND CAPSTONES

**Jonathan Cahn**

"When the remnant of Yasharal," said the teacher, "returned to the land, after their exile in Babylon, they knew it was the will of Yahuah Alahim (God) to rebuild the temple. The man in charge of the rebuilding was Zerubbabel, a descendant of King David. But as they began the

undertaking, they encountered resistance and conflict. And because of it their work was brought to a standstill. Then Yahuah Alahim spoke through the prophet Zechariah saying ‘*Not by might nor by power, but by My Ruach haKadosh (Spirit). Who are you, O great mountain? Before Zerubbabel you shall become a plain! And he shall bring forth the capstone with shouts of Grace.*’ So then what was Yahuah telling Zerubbabel?”

“Yahuah would remove the obstacles and cause the temple to be rebuilt. And Zerubbabel himself would complete the work by laying the capstone.”

“That’s right,” said the teacher. “And the prophecy would come true. What was the symbol, in that word, of the obstacles to Yahuah’s purposes?”

“The mountain [as in looming],” I replied.

“And what was the symbol of the fulfillment of Yahuah’s purposes?”

“The capstone of the completed work.”

“Do you notice anything about that?”

“They’re both made of stone.”

“Yes,” he said, “both the obstacle to Yahuah’s purposes and the fulfillment of His purposes are made of the same substance, the same material. But it’s even more than that. Where do you think the capstone came from?”

“A mountain?”

“Yes,” said the teacher. “The capstone came from a mountain. And what does this reveal? Yahuah never promises that our lives will be free of obstacles, problems, crises, and adversities. He promises something better. He will use every sorrow in your life to bring to fulfillment the very purposes He has planned for your life. Every problem, every crisis, every adversity, every setback, and every sorrow will be turned around to bring a breakthrough, blessing, and triumph. And in Yahuah, every mountain, every obstacle that has hindered Yahuah’s purposes in your life, will, in the end, be turned around and become a capstone to bring about the completion of those very purposes.” HalleluYAH!!!

**The Mission:** Today, see every problem, obstacle, trouble, and adversity as a mountain to be turned into a capstone. Take part in turning it. Genesis 50:15-21; Isaiah 60; Zechariah 4:6-9; James 1:2-4.

[Disclaimer: Please note that “*The Book of Mysteries*” is Jonathan Cahn’s notes from the lessons he received while spending a year under the tutelage of “The Teacher” in Yasharal (*Israel*). I have found many of these to be worthy to share and will make additional comments on them as needed. Those teachings not supported by Scripture that don’t meet the mark on any level are not shared or posted. **We are not followers of Jonathan Cahn as there are many beliefs we don’t hold in common. However, these are shared that you too may be barakah (blessed) by the wisdom of “The Teacher.”**]

Just as the word picture was presented to Yasharal (Israel) that even in troublous times and amid looming mountains of obstacles His Temple would be rebuilt, so too we are the Temple of the Ruach haKadosh, and our rebuilding will also be accomplished in all those who strive for it. Just as it took effort cutting the stones to fit perfectly into the plan, melting the gold to form the lamp stands and other vessels of the temple, so too there is a part we play in Salvation.

Ours is to continue to grow in the knowledge of Salvation. Resolutely desire to comply with the Bridal Covenant (Torah Law & Grace). Our old man of sin needs to be perfectly cut away, and our hearts must be melted into perfect love for the one who laid down His life for us. We must humbly seek forgiveness when we fall miserably short. Encourage and pray for others along life's rocky journey.

But remember that the physical Temple, which held such a paramount position among Yahuah's elect people anciently, was entirely based upon the principles of TIME and EVENT. Its purpose was to illustrate the prophetic plan of Salvation. They speak of their fall, their path of obstacles, and looming mountains of problems, but mostly the Creator's Calendar is eternally linked to the sinner's DIVINE REMEDY, and the RESTORATION of our soul temples. It was for this purpose the Temple was built and rebuilt in ancient times. Through its time centric ceremonies a word picture and story-line in types and shadows illustrate the pragmatic work of salvation through GRACE from start to finish.

It continues today to be provided and in fact is part of the Bridal Covenant and vetting system Yahuah will use to identify His waiting Bride. These are they who under divine guidance synchronize their soul Temples with that of the Most High, Yahuah Alahim and Yahusha haMashiach. Alone, they are lacking, but together, TIME and EVENT identify those who seek an ETERNAL HOME with their MESSIAH.

For me the looming mountain is that of false teachings and outright lies that have been passed down to us from millenniums of rebellion to the Most High. But the promise is sure, He has a CAPSTONE that if we are faithful in all things, He will finish the work He has begun in us. Revelation 7:4-9 speaks of "144,000 and a great multitude that no man can number." This tells us that His promises are sure, as He will have a people who will be "alive and remain, shall be caught up together with them in the clouds, to meet Yahusha in the air: and so shall we ever be with Yahusha," when He returns. (1 Thessalonians 4:17)

### **Your Time Zone Affects Your New Moon Day**

Remember these calendars represent the **Pacific Standard Time Zone only**. **Meaning that depending upon your time zone the New Moon Day and the four successive Sabbaths may occur on the previous day or the day following the date posted here at TheCreatorsCalendar.com.** This reality occurs because the arbitrary man-made *International Dateline* in the Pacific Ocean continues to regulate the Gregorian calendar dates and intercepts a complete lunar calendar date. Most often the New Moon Day will cross over two Gregorian dates in a 24-hour lunar cycle. For example, all those living between the International Dateline and California (PST) could have their New Moon Day occur a full day prior or behind me in California. The same is true of those living between California and the International Dateline. The only time we are all on the same date is occasionally when the Full Moon as the New Moon occurs directly over the International Dateline. [\(Refer to illustration.\)](#)

Because the full moon is mobile, the *Creator's Lunar International Dateline (CLID)* is also mobile, causing *the true lunar dateline* to occur in a different location each month based upon the first observable full New Moon location. The easiest way to convert the calendar to your own Time Zone is with this [UTC – TIME ZONE CONVERSION CHART.](#)
