

Shabbat Shalom, all who worship Yahuah Alahim and Yahusha haMashiach on their Kadosh (set-apart) New Moons, Lunar Sabbaths, and Feast Days!

Today, 05-01-2022, although coincident with the Roman Gregorian calendar solar Sunday, it is the authentic Second lunar Sabbath (the 15th day) of our Creator's First Lunar Month count that begins in the spring. It appears it has been 5991 years since creation, and only nine more years to complete 6,000 years.

He placed His full moon beacon as the original New Moon and start of His months, high above for all to see. All praise to YAHUAH Alahim for His steadfast love and compassion for His children and His patience in restoring His lost truths in preparation for the Second Coming of His Son, Yahusha haMashiach (the Messiah). Simply because the full moon as New Moon, with its count to Lunar Sabbaths, and annual Feast Days is not popular among the Rabbinical Pharisee Jews or the Romanized Christian churches today, does, in no way diminish its LIGHT OF TRUTH shining from the pages of Scripture and His Eternal Throne. Only YAHUAH'S Ruach (power, presence, and provision) gives those who seek Him with all their hearts *"eyes to see and ears to hear."* Ask Him today to reveal His New Moon and lunar Sabbath to you and see how your life will change as your soul temple is synchronized to His for all eternity.

"Blessed are those who hear the joyful call to worship, for they will walk in the light of your presence, YAHUAH. They rejoice all day long in your wonderful reputation. They exult in your righteousness." Psalms 89:15-16

Just a short preface. This Sabbath is the First Day of the seven day Feast of Unleavened Bread and the 15th day of the first lunar month. The day following is the Day of Resheet, otherwise known as the Firstfruits offering. While the introduction of this Sabbath Message is about the Firstfruits offering, the attached article will tie Passover, First Day of Unleavened Bread, and the Firstfruits offering together, that will explain an age old conundrum with regard to the three days and three nights our Messiah spent in the tomb.

THE DAY OF THE RESHEET

Firstfruits and Wave Sheaf Offering

By Jonathan Cahn

He took me into one of the chambers inside the school's main building. I would learn later that it was called the Chamber of Scrolls. He led me over to what looked like an ornate upright wooden chest called the ark. Inside the ark was a long scroll, which he removed, unrolled on a large wooden table, and from which he began to read: "When you enter the land...and reap its harvest, you will bring in the sheaf of the firstfruits of your harvest to the priest. And he will wave the sheaf before Yahuah Alahim on the day after the Sabbath." This is the *Day of Resheet*. The *Resheet* is the firstfruits, the beginning of the harvest, the first grain. The firstfruits would represent all that would be reaped or gathered in the days that followed. So on the Day of the Resheet, the first sheaf of the spring harvest would be lifted up to Yahuah Alahim and dedicated to Him. And since it represented all the sheaves that would follow, by its consecration the entire harvest was consecrated. It would all take place on the day after the Sabbath of Passover. [Passover the 14th, Sabbath the 15th, Firstfruits the 16th.] It was the day of new life, the day that sealed the ending of winter and the beginning of springtime...and a day that contains a mystery of cosmic proportions."

"How so?"

"The world is fallen. The curse of winter and the shadow of death hang over it. But Yahuah Alahim's will is to redeem it. And the promise of redemption is that one day the curse of death and the barrenness of winter will be broken. And the firstfruits break the winter...and bring new life."

He looked up at me. "When did Messiah die?" he asked.

“On Passover, [the 14th] I replied.

“And then He was in the tomb?”

“On the Sabbath.” [the 15th]

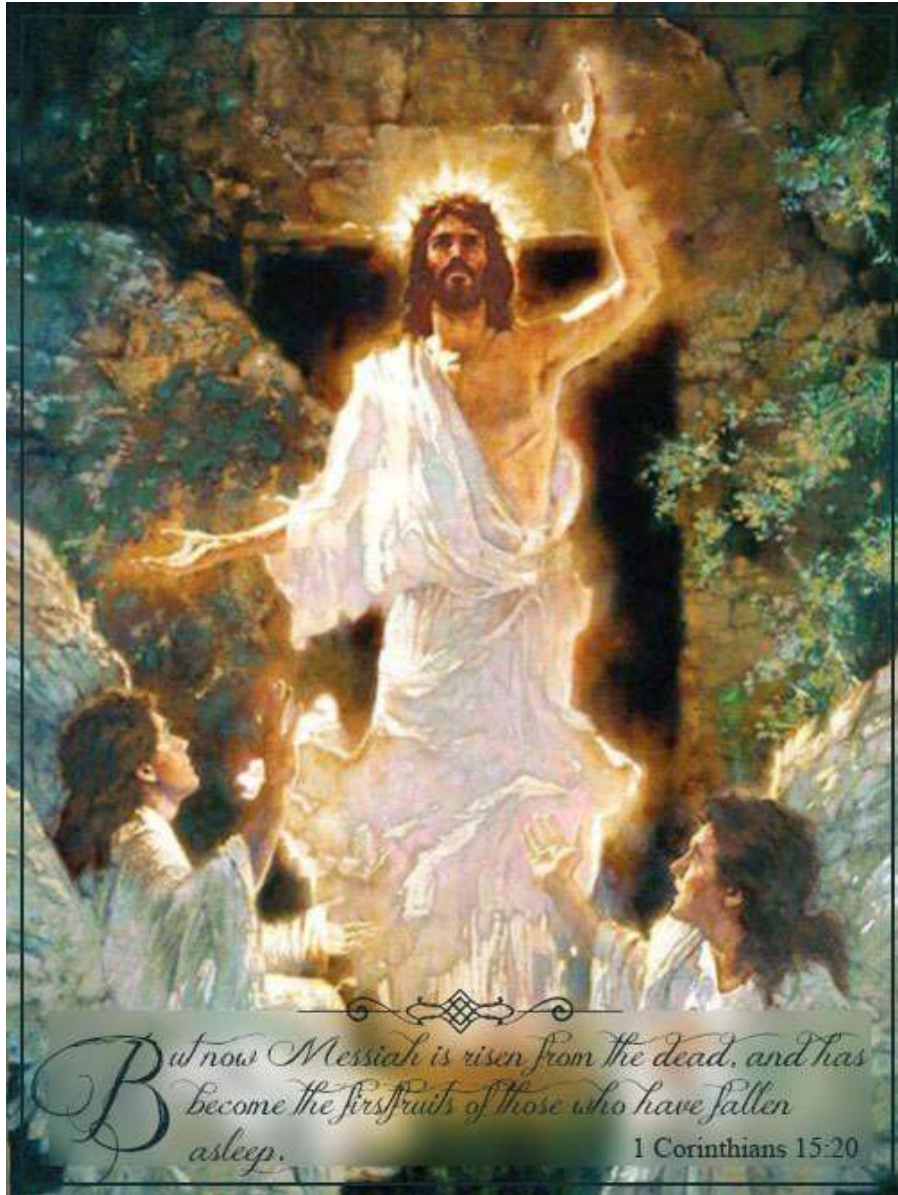

“The Sabbath of Passover,” said the teacher. “So then when did He rise?”

“On the day after the Sabbath of Passover!” [the 16th] I said. “On the Day of the Resheet...as the firstfruits! When the firstfruits are lifted up to Yahuah Alahim.”

“The day of His resurrection is the Day of the Resheet. It had to happen on Resheet, the Firstfruits that ends the winter of our lives, which begins spring, and gives us new life. **And if the firstfruits stand for all, and if He has overcome death and this world...**”

“Then through His offering up as our firstfruits to Yahuah Alahim, so can I.”

The Mission: The Resheet (Yahusha our Messiah) has overcome death and the grave on your behalf. Live today, in full confidence of Resurrection Day.

Song: [He's Alive ~ Don Francisco](#) (This is the best song ever describing the events and emotions of that great Resurrection day. But it is only Yahusha who is Alive, and not *Jesus*, as mentioned one time in this song.)

Sabbath Reading: Today's focus article is titled, [Three Days and Three Nights, Riddle Solved.](#)

Why Is This Strategically Important?

It was the Messiah, Himself who prophesied that He would be in the tomb for *three days and three nights*. **Anything short of arriving at *three days and three nights* is a demonstration of not rightly dividing His ordained time units**, or declares Him an outright liar. The modern Roman calendar cannot be harmonized with His important SIGN, because its days commence at midnight. Nor can one achieve these results with the modern Jewish day reckoning that commences at sunset. Discover the secrets to solving this age old mystery. (Note this article is tedious as it compares all the Gospel accounts.)

Firstfruits Reading - Save this for the Feast of Firstfruits which will be tomorrow. I will not be sending anything out until next Sabbath. [Because Yahusha Lives](#)

Barak hashem YAHUSHA haMashiach! (*Bless the name of YAHUSHA the Messiah!*)
