

## **Shabbat Shalom, all who worship Yahuah Alahim and Yahusha haMashiach on their Kadosh (set-apart) New Moons, Lunar Sabbaths, and Feast Days!**

Today is the **02-08-5991**, the authentic **first lunar Sabbath** of our Creator's **Second Lunar Month** count that begins in the spring. It is coincident with the Roman Gregorian calendar **05-23-2022** and its solar **Monday**.

He placed His full moon beacon as the original New Moon and start of His months, high above for all to see. All praise to YAHUAH Alahim for His steadfast love and compassion for His children and His patience in restoring His lost truths in preparation for the Second Coming of His Son, Yahusha haMashiach (the Messiah). Simply because the full moon as New Moon, with its count to Lunar Sabbaths, and annual Feast Days is not popular among the Rabbinical Pharisee Jews or the Romanized Christian churches today, does, in no way diminish its LIGHT OF TRUTH shining from the pages of Scripture and His Eternal Throne. Only YAHUAH'S Ruach (power, presence, and provision) gives those who seek Him with all their hearts *"eyes to see and ears to hear."* Ask Him today to reveal His New Moon and lunar Sabbath to you and see how your life will change as your soul temple is synchronized to His for all eternity.

"Blessed are those who hear the joyful call to worship, for they will walk in the light of your presence, YAHUAH. They rejoice all day long in your wonderful reputation. They exult in your righteousness." Psalms 89:15-16

**THE HEARTBEAT OF A MIRACLE**

## By Jonathan Cahn

We were sitting on two large stones at the base of a small mountain. The teacher leaned down to the ground, picked up a rock, and handed it to me.

“What do you feel?” he asked.

“Nothing,” I replied. “A rock.”

“Now put your hand on your neck. Do you feel anything?”

“My heartbeat.”

“But the rock had no heartbeat,” he said.

“Of course not.”

“The rock exists as a rock with no heartbeat. It retains its shape, its size, its consistency, with no need of a heartbeat. But you have a heartbeat. Every moment of your existence hangs on a heartbeat. The moment it stops, your existence is over. That’s the difference between a rock and your life. [Yahuah Alahim] ~~God~~ ordained it. Rocks just exist. But life never just exists. It must strive to exist, fight to exist (with air, water, and food). Your heart must keep beating every moment of your life. Even if you do nothing, your heart beats. Even when you sleep, it keeps beating every moment so that you can remain alive. If you waste your moments on earth, still it beats while you waste your time. When you sin, when you gossip, when you covet and hate, still it beats while you do so. When you grieve and weep, when you give up hope, still it beats so that even in your tears and despair, it still fights for you to live and to be able to cry.”

“So the difference between my existence and that of a rock is ....”

“Your life doesn’t just exist; it strives to exist. Your life is a miracle. Your every moment is a miracle. Your joys are a miracle. Even your tears are a miracle. Your very life and existence are a gift from Yahuah Alahim. Every moment is sustained by Him. Every moment is a miracle.”

“How does one apply this?”

“You cease taking your life for granted. You stop wasting it, mistreating it, treating it as something less than the miracle it is. You cease to allow your life to be given to sin and what is less than [Yahuah’s] ~~God’s~~ will. You begin to treasure the existence with which you were entrusted. You stop throwing away your moments. You treat your life and your time on earth as a treasure. You treat your every moment as if there was a heart beating behind it, striving for that moment to exist. In short... You live a life worthy of every heartbeat [and worthy of the GREAT SACRIFICE of Yahusha our Messiah, who laid down His life for yours].

**The Mission:** Life this day in the miracle of your existence. Take account of every heartbeat and make your moments worthy of each one. *Psalms 139:14-17*

**Today's Sabbath Message is from THE BOOK OF MYSTERIES by Jonathan Cahn, for context.**

[Disclaimer: Please note that “*The Book of Mysteries*” is Jonathan Cahn’s notes from the lessons he received while spending a year under the tutelage of “The Teacher” in Yasharal (*Israel*). I have found many of these to be worthy to share and will make additional comments on them as needed. Those teachings not supported by Scripture that don’t meet the mark on any level are not shared or posted. **We are not followers of Jonathan Cahn as there are many beliefs we don’t hold in common. However, these are shared that you too may be barakah (blessed) by the wisdom of “The Teacher.”**]

by Donna Carroll – Professor of Physics at Maastricht University

Note that Professor Carroll makes many astounding points that can be very useful when sharing the Creator’s Calendar with others, yet there remain gaps and a few false statements. But for the most part, she gave a terrific presentation.
