

Shabbat Shalom, all who worship Yahuah Alahim and Yahusha haMashiach on their Kadosh (set-apart) New Moons, Lunar Sabbaths, and Feast Days according to the full moon as the start of months!

Today is the **22nd day** of our Creator's **Fifth Lunar Month** count that begins in the spring. It is also the authentic **third lunar Sabbath of the month**. It is coincident with the Roman Gregorian calendar planetary *Fri.*, 09-02-2022.

He placed His full moon beacon as the original New Moon and start of His months, high above for all to see. All praise to YAHUAH Alahim for His steadfast love and compassion for His children and His patience in restoring His lost truths in preparation for the Second Coming of His Son, Yahusha haMashiach (the Messiah). Simply because the full moon as New Moon, with its count to Lunar Sabbaths, and annual Feast Days is not popular among the Rabbinical Pharisee Jews or the Romanized Christian churches today, does, in no way diminish its LIGHT OF TRUTH shining from the pages of Scripture and His Eternal Throne. Only YAHUAH'S Ruach (power, presence, and provision) gives those who seek Him with all their hearts "*eyes to see and ears to hear.*" Ask Him today to reveal His New Moon and lunar Sabbath to you and see how your life will change as your soul temple is synchronized to His for all eternity.

"Blessed are those who hear the joyful call to worship, for they will walk in the light of your presence, YAHUAH. They rejoice all day long in your wonderful reputation. They exult in your righteousness." Psalms 89:15-16

THE ALAHIM (ELOHIM) MYSTERY

By Jonathan Cahn

“*B’resheet bara Alahim (Elohim),*” said the teacher.” “In the beginning God created...’ The first words of Scripture. The word Alahim (Elohim) is God. Do you notice anything about the word?”

“It has the *im* ending that you told me about.”

“And what does the *im* signify?”

“That it’s a plural word.”

“It is...And why is that strange?”

“Because it’s the word for God?”

“Exactly. It’s the word for God, and yet it’s plural.”

“Shouldn’t it be translated as ‘god’?”

“It could be translated that way in another context. But the word next to it, created, is the Hebrew *bara*. *Bara* is not plural but singular.”

“A plural noun and a singular verb. Doesn’t that break the rules?”

“It does...and in the very first sentence of Scripture. It’s because there’s something deeper here...a mystery.”

“Which is...?”

“The singularity and plurality of God (Alahim). And beyond that, in Hebrew, when you have a plural word that should be singular, it’s telling you that there’s something profound about the reality behind the word.”

“What it’s saying is that the reality of God is so transcendent, so awesome, and so beyond, that there’s no word in any language that can express it, not even the word God. The word Alahim (Elohim) is letting you know that whatever you think God is, He’s more than that. No matter how good you think He is, He’s better. No matter how beautiful, majestic, and amazing, He’s more beautiful, He’s more majestic, and He’s more amazing. No matter how awesome you think He is, He’s more awesome. And no matter how beyond you think He is, He’s even beyond that. What does Alahim (Elohim) reveal? It reveals that no matter how much you think you know of God, there’s always more to know, so much more...and so much more than so much more. So never stop seeking Him. For He is Alahim (Elohim), and of His awesomeness, there will be no end.”

The Mission: Today, seek to know Alahim (Elohim) as one who doesn't know the half of Him. Seek to know Him more, as there is no limit. *Genesis 1:1; 1 Kings 8:26; Job 38*

[Disclaimer: Please note that "*The Book of Mysteries*" is Jonathan Cahn's notes from the lessons he received while spending a year under the tutelage of "The Teacher" in Yasharal (*Israel*). I have found many of these to be worthy to share and will make additional comments on them as needed. Those teachings not supported by Scripture that don't meet the mark on any level are not shared or posted. **We are not followers of Jonathan Cahn as there are many beliefs we don't hold in common. However, these are shared that you too may be barakah (blessed) by the wisdom of "The Teacher."**]

Kerrie's Comments: For the most part I love what is taught above. I don't seek to be critical of the Teacher who taught Jonathan Cahn the 365 lessons while he was under his tutelage. However, we must be critical thinkers and bring all things on the subject together for perspective.

First, Alahim (Elohim) (the two ways of spelling the Hebrew word for God) is a plural word. And secondly, YAHUAH the Eternal Father is far beyond what we could think or know. So what is taught above is so important to understand. But I believe there is more to the plural name of God.

So while the above carries much truth, I believe it falls short for the following reason. Beginning in John 1:1 it says,

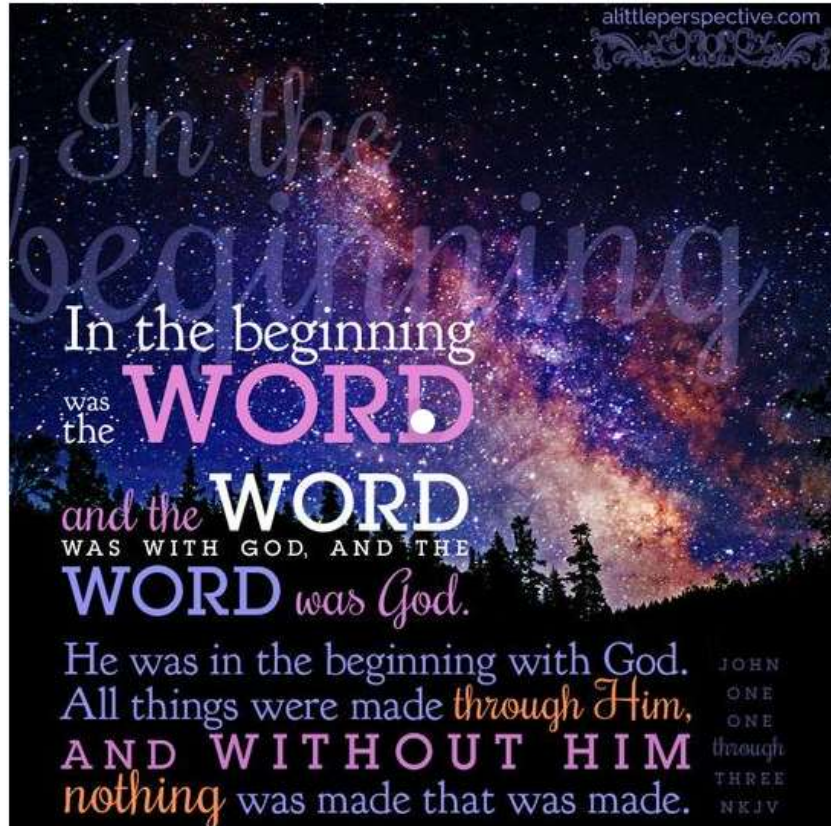

John 1:1 *"In the beginning was the Word, and the Word was with God (Alahim), and the Word was God (Alahim).*

John 1:2 *The same was in the beginning with God (Alahim).*

John 1:3 *All things were made by him; and without him was not anything made that was made.*

John 1:4 *In Him was life; and the life was the light of men."*

From these verses in the book of John we discover that Yahusha our Messiah was with the Father when this world was created and had an equal part in it. For as it says, *"All things were made by Him, and without Him was not anything made that was made."* So to complete the narrative on this subject of a plural God as identified in the Hebrew word Alahim (Elohim), yet with a singular verb of *bara* (created) it appears the Son was with the Father as a singular minded duo. HalleluYah!!!

Changing subjects... Many of you responded with how much you enjoyed reading the emails of several who have contacted me recently and shared their journey of discovering Yah's sacred names and calendar truths. So I will include a few more here.

Good Morning and Happy Sabbath! 😎

Thank you for sending us the Sabbath's greeting today. Interesting lesson about the footstool. Also, it was interesting to read comments from others about discovering Yahweh's truth. Some people are still searching for the truth. It's nice to mow that.

Mark and I are usually busy during the week before each 7th day Sabbath, so we always look forward to rest on the 7th day & worship before Yahweh and Yeshua. It's wonderful! They knew we need to "rest" one day a week, thus be recharged for the following week! 😊

I grew up as a 7th day Adventist in my family. While Mark and his family grew up, going to an Episcopal church on Sunday.

So when Mark was going to a “Catholic” college, he discovered “The Plain Truth” magazine from the World Wide Church of God, WCG in its library. Is that interesting? Later, we came into the WCG in 1987 and went to many off-shoot churches after the WCG fell apart in the late 90’s or in the early 2000’s. Finally went independent in 2002 and did a lot of intensive studies which led us to discover the true New Moon (full moon) Day. What a journey it has been to come this far and learn these beautiful truths and we are still learning.... The learning will never end, right? 😎

Before I forget, do you get a few people from Oregon that use the Creator’s calendar website?

Meanwhile, take care and have a wonderful and delightful Sabbath day!

All the best

Thank you for your words!

I'm new knowing this about the Creator's True Calendar but I have a few years reading the Bible because in my young age of 17 I was lead to an Evangelical Church here in Lima Peru. I read the Bible there and at home because I wanted to more or the Creator.

I also would like to say that I know Samantha Hensley from the USA, she and her family and know a little about them. Yes we were following someone that didn't teach the Creator's Calendar instead she said that she was The Creator's Daughter and she was here in these last time to help.

She maybe told you more Sherry Shriner wasn't her name.

To cut it short, I was raised Catholic but my father entered to a group that maybe you heard about RAHMA group at my 7's and I was lead to know a little about extraterrestrial beings.

I entered at a Evangelical Church but left 5 years later disappointed because they were of the prosperity gospel, yes the whole Latin America has them. And after that I fell into the Sherry Shiner's web.

Now I know the truth trying to read your articles and trying to know what I have to do little by little.

Thanks

Shalom and much love from the Nairobi, Kenya assembly. Thank you for standing with us and supporting us. We started keeping the lunar calendar Sabbath. It's a great challenge to start but we are searching the scriptures to know the truth of the matter... Thank you for helping us know the whole truth. Keep praying for us.

A MUST WATCH 2 PART VIDEO. What is revealed here for the first time is a projected coming Stock Market Crash, and it has been discovered that it, as well as all the previous crashes, have occurred on the Jewish lunar calendar. This is touched on in Part 1, and explained more in depth in Part 2.

But here is the clincher...I have been wondering for years “by what method the whole world would be drawn to our CREATOR’S TRUE BIBLICAL CALENDAR?” “What would be the catalyst that would bring it to the forefront? And now I believe that the revelation of truth will come by means of the pocketbook, meaning our money and investments. Everyone is concerned about money on some level. Well, I believe the platform has been laid. And now many will be open to hearing the truth about the true CREATOR’S CALENDAR that they may walk in obedience and so that the curses on the fraudulent Jewish calendar will end. It appears that the Father in His great love for mankind is providing a magnificent wake up call. Are you ready for this, soak it in???? I will be writing an article to reach these folks and the world at large.

(As I sing along, it has become my habit to change out all the replacement names for Yah.)

Just a note. The Sixth Lunar Month is coming up in just over a week. According to the witness of the [Menorah](#) it marks [the Birth of our Messiah](#), the entrance of our Messiah on the earth's stage. It was appointed for Him to be born among men, to live, and then die for all of mankind that we may be restored back to the Father and then have eternal life with them. What great love both the Father and Son, together as Alahim, have for this fallen human race. HalleluYAH!!!

Barak hashem YAHUSHA haMashiach! (*Bless the name of YAHUSHA the Messiah!*)
