

Happy New Moon Day, all who worship Yahuah Alahim and Yahusha haMashiach on their Kadosh (set-apart) Lunar New Moons and Sabbaths!

Today is **Day One** of the Creator's authentic **Sixth Lunar Month** although coincident with the Roman Gregorian calendar solar **Sunday, 09-11-22**. His years are measured from spring to spring. Each month, it is an awe-inspiring sight to watch the full moon rise in the East and make its way along the east-west time continuum under our Creator's tireless direction. Then to see with your own eyes that moment when the sun's first rays shine forth to greet the descending full moon. They greet each other with a nod and agreement that indeed, this moment, while together visible from opposite coordinates, marks the start of the new lunar month. Honoring His New Moons as declared from His sacred Torah Law shows Him who desires to enter in through the pearly gates of His Eternal Kingdom government. I hope to see you there! HalleluYah!

“Blessed are those who hear the joyful call to worship, for they will walk in the light of your presence, YAHUAH. They rejoice all day long in your wonderful reputation. They exult in your righteousness.” Psalms 89:15-16

I have been offline since we received an evacuation warning at 3:00 pm Thursday. We packed everything into our two vehicles awaiting the final order to evacuate because of the Mosquito Fire (California) burning out of control. Folks just a mile away were all ordered to evacuate. Many near us chose to leave as well. The first night we could see the red glow of a hot fire moving in our direction, and although we were under a cloud of thick smoke for the next 24 hours, that has subsided. The fire is now 10 percent contained and the winds are currently in our favor. Although it has been stressful we have remained in prayer and praise that all is well thus far. We have our lives and our loved ones, and Yah provides us peace in the midst of the storm.

I have finally found all my cords and computer parts to get back up and running. What a relief! Please keep the folks around the world facing hunger, fires, flooding, or persecution of any kind in your prayers this day. We have a merciful Alahim who died that all may have life and have it more abundantly.

As the first day of the Sixth Month, the New Moon Day is coincident to the Messiah's Prophetic Birthday.

Our Messiah's Birthday has Been Found

Discover in this comprehensive study of the Birthday of our Messiah how the *woof* and the *warp* of Scripture's details produce a sturdy fabric of truth. This article exposes nearly 2,000 years of lies with regard to this most epic and relevant day. Discover how the Birthday of our Messiah reveals long-lost evidence of our Creator's original calendar model and why knowing this is so vital for every obedient follower of Yahuah and His dear Son.

The purpose of this article is to illustrate that Yahusha, our Messiah, who came to this earth for the purpose of forgiving sinners and providing the only WAY back to our Eternal Father, was born on the precise and appointed prophetic day as prophesied in the Tanakh (Old Testament). The Brit Hadasha (New Testament) then confirms the prophecy with punctuated detail as it provides the intertwined lunar time-measurements of both the conception and birth of Yahusha, the Messiah, and His pre-appointed prophet, Yahuchanon (John the Baptist).

Those who held near to their heart the Kadosh (*sacred*) temple ceremonies with its unique time rhythms for its New Moons, Sabbaths, and annual Feast Day lunar appointed assemblies, were the ones most likely to anticipate and recognize the first coming of their Messiah and His actual birthday. The same is true as these truths are being restored in these last days. **Each of the clues relating to our Messiah's prophetic birthday has been gathered to illuminate the preeminent FACT that our Messiah's birthday is pragmatically declared in Scripture and only found by utilizing the correct calendar. STUNNINGLY, IT HAS BEEN THERE ALL ALONG!** The

evidence further defines the utter impossibility that our Messiah was born on *Christmas day, December 25th*, as declared by Roman Catholicism and their pagan solar calendar time-measuring model.
