

Shabbat Shalom, all who worship Yahuah Alahim and Yahusha haMashiach on their Kadosh (set-apart) New Moons, Lunar Sabbaths, and Feast Days according to the full moon as the start of months!

Today is the **22nd day** of our Creator's **Sixth Lunar Month** count that begins in the spring. It is also the authentic **3rd lunar Sabbath of the month**. It is coincident with the Roman Gregorian calendar planetary *Sun.*, 10-02-2022.

He placed His full moon beacon as the original New Moon and start of His months, high above for all to see. All praise to YAHUAH Alahim for His steadfast love and compassion for His children and His patience in restoring His lost truths in preparation for the Second Coming of His Son, Yahusha haMashiach (the Messiah). Simply because the full moon as New Moon, with its count to Lunar Sabbaths, and annual Feast Days is not popular among the Rabbinical Pharisee Jews or the Romanized Christian churches today, does, in no way diminish its LIGHT OF TRUTH shining from the pages of Scripture and His Eternal Throne. Only YAHUAH'S Ruach (power, presence, and provision) gives those who seek Him with all their hearts "*eyes to see and ears to hear.*" Ask Him today to reveal His New Moon and lunar Sabbath to you and see how your life will change as your soul temple is synchronized to His for all eternity.

"Blessed are those who hear the joyful call to worship, for they will walk in the light of your presence, YAHUAH. They rejoice all day long in your wonderful reputation. They exult in your righteousness." Psalms 89:15-16

Prayer to the Great Provider

“Yahuah spread out a cloud above them as a covering and gave them a great fire to light the darkness. They asked for meat, and He sent them quail; He gave manna, bread from heaven. He opened up a rock, and water gushed out to form a river through the dry and barren land.” *Psalm 105:39-41*

This is a song of Yahuah’s provision. While Psalm 105 summarizes the vast history of the people of Yasharal (Israel) and their amazing deliverance from Egypt, it also paints a panorama of Yahuah’s provision. He protected with a cloud and directed with the fire. He fed them with manna and quail and provided water enough to form a river when they were thirsty. He was faithful to them every step of their wandering through the wilderness. All of this happened so that they would follow His principles and obey His Torah Laws (verse 45). These verses remind me that the same Alahim (God) who gave the cloud as a covering and fire to light the darkness and brought the Israelites out with joy, is our Alahim (God) who longs to protect us, direct us, and empower us. The same YAHUAH Alahim who gave His people manna and quail from heaven and water from a rock wants to provide for us today, regardless of what our needs are, so that we will follow Him and obey Him.

Pray your way through this great Psalm (Psalm 105). Speak its verses aloud to Yahuah Alahim, and thank Him for His provision in the past, the present, and the future.

OH, YAHUAH ALAHIM, my provider, I praise you. Thank you for your Word, which reminds me of your faithful provision to your people through history. Thank you for all the ways you have provided for my needs, physically, spiritually, emotionally, and relationally. Help me to respond with thanksgiving and with obedience to your principles and your will.

“Yahuah my pasture shall prepare,
And feed me with a shepherd’s care;
His presence shall my wants supply,
And Guard me with a watchful eye.”

Personal Testimony of Teresa Noel

My Journey and Testimony

Hello to all Father Yahuah and Yahusha haMashiach truth seekers and followers.

Just like much of America, I too grew up in a church religious system, and I walked away when my children were very young. My family harassed me for years for leaving and I never planned to return to their religious system.

About six years ago I met a new friend, who ministered to me about Father Yahuah. When she started talking I knew she was speaking truths. Soon I discovered we had been following a false prophet. What a feeling it is to walk away from something that just made you feel not good about yourself, it even made me angry, and always created chaos. That alone should have woken me up,

or at least a red flag should and been flying in my face. But as dumb as I am I never left the group, and when I did question, boy sometimes the backlash came full force. Yet, I always tried to keep myself set apart, like Father has always said, He set us apart for Him.

Last year in April, in a vision, I heard chains coming and being thrown on the table and a few months later *www.TheCreatorsCalendar.com* was presented to me, and with my whole heart, I knew it was the truth. This caused a lot of chaos for a few of us who had been following the false prophet. I dropped that false prophet, and buried myself in learning about Father Yahuah and Yahusha and the New Moon, what an AMAZING journey it has been and continues to be. The journey is not always easy, but the rewards are great.

I feel so blessed every day that I am safely in the wilderness with Father Yahuah and His Son Yahusha. Two years ago, Father Yahuah said to stay home. To do that, I had to quit my job as a truck driver, sell our home and buy a camper. We have been living in this camper and at this campground for two glorious years. All the things we had now seemed so minimal to what we have now, which is what we need with no extras. It's Father Yahuah cleaning my heart and making room for Him to live. All praises and glory to Father Yahuah and Yahusha. If it wasn't for them, I would be lost, but now I am found.

We all just celebrated Sabbath day and Menorah Atonement, what A BLESSING it was. I feel the joy of the day but the sadness also. The joy of walking and talking with my Father Yahuah, but sadness because the whole has no clue of what they are missing by communing with Father Yahuah and getting to know Him and His Son.

The Creators Calendar is a wonderful website to study from and receive lots of wisdom, knowledge, and understanding of TRUTHS.

Last year a group of us were quarreling over these truths, and a friend asked me who I choose, she asked which side of the fence I was gonna be on. I stood in the laundry room here at the campsite and said "I CHOOSE FATHER YAHUAH'S SIDE." I didn't choose the person who presented *www.TheCreatorsCalendar.com* to me, nor did I choose the Creator's Calendar and the people that run the website. I didn't choose the false prophets or churches, nor did I choose her way of things. Everyone must make a choice to choose Father Yahuah and His Son Yahusha.

I was so shocked, upset, and bewildered that I was asked such a question. But then the person didn't like my answer either and hung up. I still pray for this person, but my choice is very clear that Father Yahuah is my everything, and I choose to serve Him and love Him with all of me.

Last night in a vision, I was told it was time for me to choose, I automatically said I choose Father Yahuah. HalleluYAH!!!

Our journey/walk is never easy, but great is the reward when we get to heaven. We have the good with bad to BALANCE things out. Father Yahuah loves when we have footstool problems, if we didn't then we wouldn't need Him. I don't know about you all, but I need Him every day, every second of the day, every minute of the day, and every hour of the day.

My life has never been easy but I am still standing. Some of my family members go to church. My children and grandchildren and my husband want nothing to do with Father Yahuah and that is a struggle in itself for me. I have put up with a lot of mental and verbal abuse all my life, including receiving verbal and mental abuse from my siblings and my dad, my first husband was not a nice man either, but I am Father Yahuah's living testimony, that no matter what I go through or what my family puts me through, He is always there and I'll come out stronger than before. My family still doesn't understand about my not celebrating the manmade holidays to this day. I have been opposed to celebrating Christmas for about 20 years and didn't know why until a friend revealed it to me six years ago. I soon started reading my Bible, I am a student still and always will be, and learning every day.

I live in a different state than my family, I am originally from Pennsylvania. The majority of my family is still there, but there are a few of us who have flown the cope and ventured away from the home base.

I have been a truck driver for 10 years but drove for 8 years, my husband and I teamed together in one truck. If you want to test your marriage then become truck drivers together. It's a testimony alone to eating, sleeping, driving, and living in such a small space.

I think maybe living in that small space with my husband was preparing for the big downsize of my life from a 5 bedroom three bath house to a one-bedroom one-bath camper. Living and breathing while being in a truck is extremely hard and requires so much unimaginable patience, which I am still working on by the way, as we humankind don't have a lot of patience.

Another preparation of the calendar system is that we traveled from east to west, from south to north, and back from the west to the east. It's amazing what the Father showed me after He woke me up, that I had missed and didn't understand previously. Everything we do has a purpose or a story and it's a part of our journey. HALLELUYAH, HALLELUYAH, HALLELUYAH!

I love Father Yahuah and His Son Yahusha with all my heart, soul, and might.

So those of you who feel alone, and believe me I know what alone is. I am in a state where I have no family, no friends, no one wants to hear about Father Yahuah and His son Yahusha. Father Yahuah and Yahusha are my friends. They are always with us 24 hours a day. We were made in His image, which means His Ruach/spirit was weaved and imbedded in us. We have to choose to bring him to the forefront of our hearts instead of being buried in the back and the deepest part where we will never hear His voice.

My journey continues in the wilderness, and I am very blessed to be a part of Father Yahuah and Yahusha's family.
