

Shabbat Shalom, all who worship Yahuah Alahim and Yahusha haMashiach on their Kadosh (set-apart) New Moons, Lunar Sabbaths, and Feast Days according to the full moon as the start of months!

Today is the **29th day** of our Creator's **Sixth Lunar Month** count that begins in the spring. It is also the authentic fourth **lunar Sabbath of the month**. It is coincident with the Roman Gregorian calendar planetary *Sun.*, 10-09-2022.

He placed His full moon beacon as the original New Moon and start of His months, high above for all to see. All praise to YAHUAH Alahim for His steadfast love and compassion for His children and His patience in restoring His lost truths in preparation for the Second Coming of His Son, Yahusha haMashiach (the Messiah). Simply because the full moon as New Moon, with its count to Lunar Sabbaths, and annual Feast Days is not popular among the Rabbinical Pharisee Jews or the Romanized Christian churches today, does, in no way diminish its LIGHT OF TRUTH shining from the pages of Scripture and His Eternal Throne. Only YAHUAH'S Ruach (power, presence, and provision) gives those who seek Him with all their hearts "*eyes to see and ears to hear.*" Ask Him today to reveal His New Moon and lunar Sabbath to you and see how your life will change as your soul temple is synchronized to His for all eternity.

"Blessed are those who hear the joyful call to worship, for they will walk in the light of your presence, YAHUAH. They rejoice all day long in your wonderful reputation. They exult in your righteousness." Psalms 89:15-16

THE [FULL] MOON BRIDE

By Jonathan Cahn

He took me out in the early evening. It was a full moon, and its light illuminated us to the point where I could have taken notes right there had I chosen to do so.

“Do you remember what the Song of Solomon is about?” he asked.

“It’s a love song between a bride and groom.”

“And in its deepest realms?”

“An allegory of Alahim and His people, YHUH (Yahuah) and Yasharal (Israel), Messiah and His bride.”

“And we are the bride,” he said. “In one of the verses of the Song of Solomon the bride is described as **one as beautiful ‘as the moon.’** Do you find the moon to be beautiful?”

“I guess but if you look at its surface, it’s not very beautiful.”

“No, it’s filled with imperfections, markings, irregularities, patches of darkness, and craters. And yet it’s called beautiful and connected to the beauty of the bride. And it’s fitting. For as the moon is filled with imperfections, irregularities, and darkness, so too is the bride. And as the moon is filled with the scars of past wounds, so too are we.”

“Then how can the bride be called beautiful?”

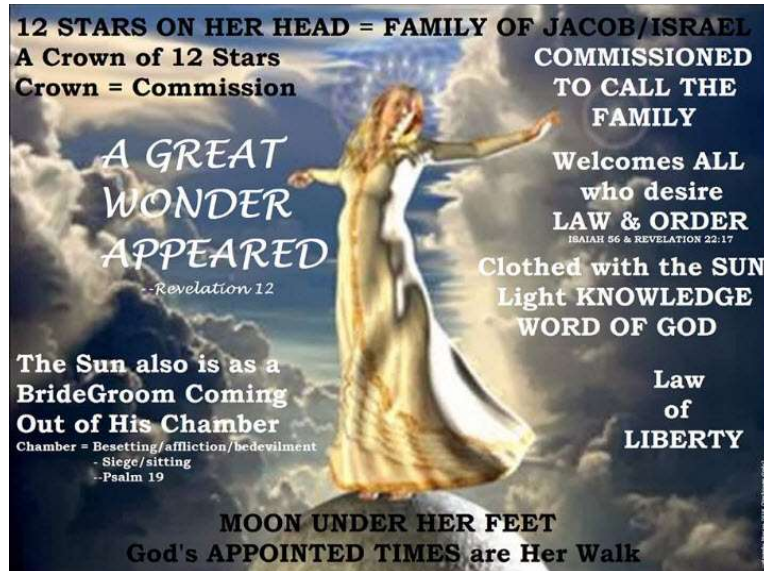

“Her beauty is the beauty of the moon. The moon isn’t beautiful in itself. Neither are we. The moon’s beauty is in something other than itself. Its beauty is in its LIGHT. And its LIGHT is not its own, but of the sun. The moon is beautiful inasmuch as it reflects the light of the sun. If it were able to look at itself in a mirror, it would only see imperfection, scars, and darkness. But if it forgets about itself, and looks into the face of the sun, then it shines with the radiance of the sun. And that is the secret of the bride’s beauty.”

“That we aren’t beautiful in ourselves, but that our beauty is in that which is other than ourselves.”

“We are as the moon and He as the sun. And as the moon’s light and beauty come from the sun, so our light and beauty come from YAHUAH Alahim. If we focus on ourselves, we only see imperfections, scars, and darkness. But if we forget about ourselves and focus on Him, and see the beauty of His LIGHT, then we ourselves will shine with His brightness. And His LIGHT will overcome our imperfections. And we become beautiful. Never make the mistake of living a life focused on yourself. Fort yourself. Turn to Him. Dwell in the beauty of His presence. Then your life will become a reflection of His, and **you’ll shine as the moon** with the LIGHT of His radiance.”

The Mission: Today, turn your focus away from yourself and to Him. Let your imperfections be lost in His radiance. And let your life shine with the FULLNESS of His beauty. *Exodus 34:29; Song of Solomon 6:10; John 3:2; 2 Corinthians 3:18.*

[Disclaimer: Please note that “*The Book of Mysteries*” is Jonathan Cahn’s notes from the lessons he received while spending a year under the tutelage of “The Teacher” in Yasharal (*Israel*). I have found many of these to be worthy to share and will make additional comments on them as needed. Those teachings not supported by Scripture that don’t meet the mark on any level are not shared or posted. **We are not followers of Jonathan Cahn as there are many beliefs we don’t hold in common. However, these are shared that you too may be barakah (blessed) by the wisdom of “The Teacher.”**]

The problem with this image is that it depicts a crescent moon and not the full LIGHT of the full moon. This woman then is an impostor as she remains mostly in darkness and is not actually fully clothed with the LIGHT of the sun.

Kerrie's Comments:

These last six months have flown by all the while filled with calamity, wars, and rumors of wars. Life each day seems wrapped in the language of Revelation. Has there ever been a time when all the world seemed in such a state of chaos? Yet, to those who seek Yahuah Alahim with all their hearts their remains the constant promises.

“You will keep *those* in perfect peace, whose minds are stayed on You, because they trust in you.” Isaiah 26:3

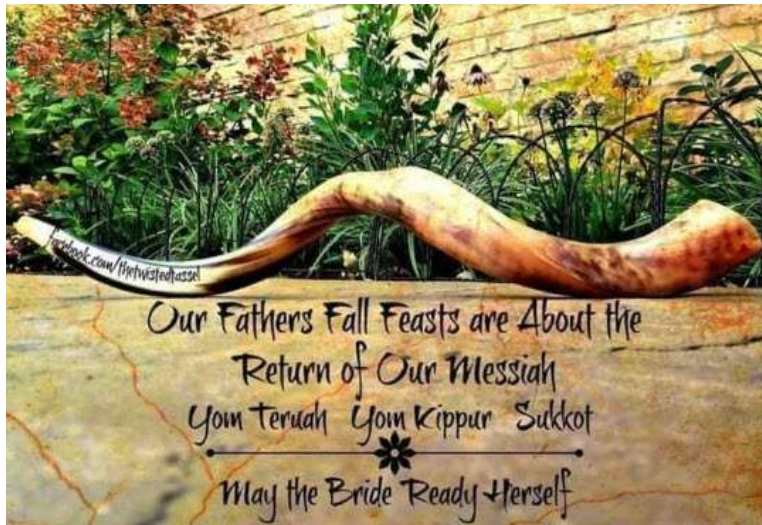

“Here is the cheerful endurance of the saints, here are they who keep the commandments of Yahuah Alahim, and have reliance upon Yahusha [the Messiah].” Revelation 14:12 (*Not just the Ten Commandments, but all the commandments that were given from the beginning that we should walk in them. See 2 John 1:6.*) [Law vs. Grace an Oxymoron.](#)

Folks, it is time to submerge yourselves daily in YAHUAH'S WORD for it is the LIGHT unto Salvation for all who believe upon His NAME! Think of it as the sun, and that you need its LIGHT daily so that your life may radiate His love, joy, peace, patience, kindness, and self-control. HalleluYah!

Tonight the full moon will appear rising in the east and shine all night long. This is the sign that the Seventh Lunar Month will begin tomorrow morning at sunrise.

“The SUREST SIGN confirming that the full moon has indeed occurred and that the Full Moon start of the lunar month (New Moon Day) (Rosh Chodesh) has commenced at sunrise, is on the morning that the first observable full moon greets the sun for the first time from opposite horizons just prior to moonset. [Step by Step Guide for Locating the Full New Moon Day.](#)

What is the significance of the first day of the Seventh Month? It has been given the Hebrew name of *Yom Teruah*, which translated means the **Day of Trumpets**. And like all the other Feast Days it symbolizes a prophetic event to be performed by our Messiah alone. This particular Seventh full moon announces the **SECOND COMING OF OUR MESSIAH!!!** We celebrate this every year as a rehearsal of that coming GREAT AND GLORIOUS DAY that will occur on the seventh full moon, the first day of the Seventh Lunar Month.

“For my husband *is* not at home; He has gone on a long journey; He has taken a bag of money with him, and will come home [RETURN] on the day of the **full moon.**” Proverbs 7:19-20

Most translations replace the Hebrew word (H#3677 – **KOD** – keseh – full moon) with the words appointed time. While it is true that the second coming of our Messiah has an appointed time, changing the actual term of *the full moon* with the words *appointed time* is a watered-down method to hide its importance and the significance of YAHUAH’S lunar time-measuring as the ordained system for which the entire PLAN OF SALVATION is announced.

What this all means is that according to the Torah and Tanakh (Old Testament) it is Yahuah’s desire that His people know the signs in the heavens (shamayim) of His coming even on the very day of the month. But then when we read in the New Testament things like the following words of our Messiah, what are we to think?

["Watch therefore, for you know neither the day nor the hour in which the Son of Man is coming. Matthew 25:13](#)

Doesn’t this seem to be in conflict with the whole purpose of the prophetic Feast Days and specifically the Feast of Trumpets announcing the Second Coming? So when there is a conflict what are we to do? We are to gather everything on the subject so as to see where the weight of evidence lies, as well as remember what came first and was laid as a foundation for the New Testament. Other things to consider is that scribes can miss translate and even have motivation for altering or hiding something they wish to ignore. So when it comes to the above verse a very

simple understanding of the first Greek word may change the entire sentence. Consider this word (G#1127 – γρηγορευτε – **Gregoreuo** – means – watch, keep awake).

The root word is Gregoreuo, which means *watch*, the term we gave our timepieces worn on our wrist for a hundred years. This is also the name given to the Pope (A.D. 1582) who repaired the wayward solar calendar as in Pope Gregory. His solar calendar is still called the Gregorian calendar. Today, most of the world keeps time and events according to Gregorian solar time, instead of Yahuah's ordained lunar time. Is it possible that as a result of utilizing the opposing solar calendar system, it could cause all its adherents to "*not know either the day or the hour in which the Son of Man is coming?*" Let's try it on for size... In place of the word "watch" we will insert the actual Greek word "*Gregoreuo*" (*Gregorians*) and then read it again.

"Gregorians therefore, know neither the day nor the hour in which the Son of Man is coming. Matthew 25:13

Sometimes, the truth is right there in front of us, or one step just below the surface. Utilizing a Bible dictionary and concordance so many things come into clearer focus.

Barak hashem YAHUSHA haMashiach! (*Bless the name of YAHUSHA the Messiah!*)
