

Shabbat Shalom, all who worship Yahuah Alahim and Yahusha haMashiach on their Kadosh (set-apart) New Moons, Lunar Sabbaths, and Feast Days according to the full moon as the start of months!

Today is the **8th day** of our Creator's **Eighth Lunar Month** count that begins in the spring. It is also the authentic **1st lunar Sabbath of the month**. It is coincident with the Roman Gregorian calendar planetary *Tues., 11-15-2022*.

He placed His full moon beacon as the original New Moon and the start of His months, high above for all to see. All praise to YAHUAH Alahim for His steadfast love and compassion for His children and His patience in restoring His lost truths in preparation for the Second Coming of His Son, Yahusha haMashiach (the Messiah). Simply because the full moon as New Moon, with its count to Lunar Sabbaths, and annual Feast Days is not popular among the Rabbinical Pharisee Jews or the Romanized Christian churches today, does, in no way diminish its LIGHT OF TRUTH shining from the pages of Scripture and His Eternal Throne. Only YAHUAH'S Ruach (power, presence, and provision) gives those who seek Him with all their hearts "*eyes to see and ears to hear.*" Ask Him today to reveal His New Moon and lunar Sabbath to you and see how your life will change as your soul temple is synchronized to His for all eternity.

"Blessed are those who hear the joyful call to worship, for they will walk in the light of your presence, YAHUAH. They rejoice all day long in your wonderful reputation. They exult in your righteousness." Psalms 89:15-16

THE NAME IN WHICH YOU ARE

Jonathan Cahn

We were sitting in the sandy plain, in the same place where the teacher had in the past drawn symbols in the sand. But this time he handed me the stick and asked me to draw. So I did, slowly, as he directed. When I was finished, he told me what it was that I inscribed in the sand.

“Each of the symbols you drew,” he said, “is a Hebrew letter. The first is the *yod*. The second is the *shin*. The third is the *vav*. And the last is the *ayin*. Do you recognize it?” he asked. “It’s how the name *Yeshua* looks in Hebrew, which was then translated into ‘Jesus.’”

“Yeshua,” I replied, “Messiah’s real name.”

“Yes,” said the teacher, “but think about it. He wasn’t always Yeshua or Jesus.”

“What do you mean?”

“Before the creation, the Son was with the Father and the Word was with God. He was the Son. And He was the Word. But He wasn’t called Yeshua. In light of eternity, He has only borne the name Yeshua for a very short time. Why was it that He was given that name?”

“Because He was to save His people from their sins.”

“Do you remember what Yeshua actually means?”

“God is salvation.”

“Yes. So it wasn’t His inherent name nor His Name from the beginning. In the beginning, there was no sin, no darkness, no fall, no crisis, no brokenness, no judgment, no death, and no need for salvation. For His Name to be Yeshua from the beginning would make no sense. **Think about it. His Name is Yeshua because of us...because of our need to be saved. So every time His Name is spoken, it proclaims His being joined to us. And He chose to bear that name forever. And do you know what else that name means? It means we’re actually in His Name. It’s the salvation of us that His Name is declaring. It’s the salvation of you. His Name declares your salvation. You’re in His Name. And when you receive Yeshua, when He becomes your salvation ... then it’s all complete.**”

“It’s as if His Name is a prophecy...a prophecy that comes true when you receive it.”

“His Name is a mystery in which we are part. And when you receive the name, then the name is fulfilled. The Son of the Most High Alahim (God) becomes your salvation. And all who receive the name... are already in it...Yeshua.”

The Mission: Ponder this mystery: You are in His Name. He was named for you. You are joined forever. Seek what that means. And live this day in that joining. *Isaiah 12:1-3; Jeremiah 23:5-7; Jeremiah 33:16; Matthew 1:21; John 1:1-2.*

I love the marvelous message in this devotional by Jonathan Cahn, where His teacher identifies that our Messiah's very name carries the prophecy of our Salvation. And thereby in calling upon His authentic Hebrew name we are receiving His salvation. By extension, there can be no salvation by any other name, such as the name *Jesus*. Yet, in the Father's compassion and mercy toward us, I have no doubt that He has honored our ignorance when we prayed in the name of Jesus. But His desire is to restore His truths to all those who declare to be His followers.

Ultimately, these will hear and accept this truth of His sacred and prophetic name. All His truths are now being restored as a vetting system for entrance into His Kingdom government. In this way, He will know who His true followers are who seek to be faithful and obedient and who long for an eternal home with Him and put away the long-held traditions of men that carry no sacred application.

Because we are focusing on this most sacred name, the name above all names, it is so important to get it right. Not to be petty, but to seek correctness. Thus, I have to respectfully disagree with the spelling and pronunciation of the Messiah's Hebrew name provided by Jonathan Cahn and His teacher, which is the traditional name used in modern Israel for the Messiah. Historically, the Jews have side-stepped the correct pronunciation of all the sacred names, and the Messiah's name is no different in my estimation.

His authentic Hebrew name is most often spelled *yod* (י), *hey* (ה), *vav* (ו), *shin* (ש), *ayin* (א), then placed from right to left as recorded throughout the Scriptural text and pronounced Ya-hoo-sha (**H#3091 - יהוה - Yahusha**). It is this name and this spelling that is consistently recorded in the Hebrew Tanakh (Old Testament) Scripture 218 times.

Although, in the Hebrew Scriptures our Messiah's name is consistently spelled with five letters (**H#3091 - יהושע – Yahusha**), in the Strong's Hebrew Dictionary it is also spelled with six letters: **יהושוע (Yahushua)**. The addition of the second vav (ו) causes the name to have the "shua" at the end. But not to be confused with a "W." This appears to originate in the Hebrew Masoretic tradition in which vowel points were added to bring continuity to their choice of pronunciation. Yet, when the vowel points are removed, restoring the Hebrew to its usage at the time of our Messiah, we are returned to the pronunciation of Yahusha.

The other forms of this most sacred name came to be as a result of the invention of *vowel points*, as recent as the 12th century A.D. and is predominantly utilized in the Masoretic Text from which we get most of our modern Bible versions.

The Hebrew name Yahusha was later replaced by the Greco/Roman name *Hesus*, which later became the Latin *Isous*, later *Iesus*, and much later still in the 17th century A.D. when the "J" was added to the English language, it was changed again, becoming *Jesus*. Ironically, there has never

been a “J” letter or sound in the Hebrew language. So the use of the “J” in our Messiah’s name is the surest sign of wrong spelling and pronunciation, such as in *Jehovah* or *Jesus*.

Interestingly, the leader of Israel after Moses died carries the exact same name as our Messiah, *Yahusha*. You might know him as *Joshua*, the one who led Israel to march around Jericho, and the walls came tumbling down. Yet, his name was not changed to *Jesus* or *Jesus*, but only took on the “J” and the *shua*, giving us *Joshua*.

The Greco/Roman spelling of the Messiah’s name changing multiple times over the last 2,000 years is great evidence that the name so popularly utilized among Christians of every denomination, is entirely fictional, and groundless. Yet, those claiming to be Bible believers and specifically “Christians,” will never change what they call the Messiah as long as they are tied to a Christian church. Why? Because Christianity is founded upon the principles of Roman Catholicism, by whom the name *Jesus* has so purposely and carefully replaced the authentic Messiah’s name. And while all Protestant churches have protested Catholicism on some level, they still carry her DNA in many ways not generally recognized by them. Some Protestant churches were formed after the “J” was applied to *Jesus*, making it *Jesus*. And some of these having an acclaimed prophet who utilized the name *Jesus*, would be at odds with their modern prophet if they chose to implement His authentic Hebrew name in its place, or be forced to recognize their presumed prophet to be a fraud.

Below is the literal text copied from the 1611 King James version of Scripture in my eSword 1611 KJV Bible. Note the spelling of the Messiah’s name is *Jesus*. So it is that the new name with its spelling with a “J” came to exist since this Bible version was first printed.

*“The booke of the generation of **Jesus** Christ, the sonne of Dauid, the sonne of Abraham.” Matthew 1:1*

Here is a link to Lew White’s 14-minute video on the Sacred Name of Yahuah and Yahusha. You will see that it is significantly different than presented by Jonathan Cahn, as told by his teacher.

You Tube video: [YAHUSHA – yod-hay-uau-shin-ayin.](#)

“And you shall teach them ordinances and laws, and shall show them the way wherein they must walk, and the work that they must do.” Exodus 18:20

And while Lew White’s video presentation is accurate in pronunciation, I believe the last letter of our Messiah’s name was originally the *hey* (ה) as it also carries the same *ah* sound as with the *ayin* (א). My reasoning for this is simple. The (H#7716 - שה) literally spells LAMB in Hebrew. It is the formula from the beginning in Eden when the first lamb (שה-sha) was slain, and the Creator placed the white blood-stained woolen skins upon our first parents. For this was the SIGN of the

promise of our Messiah unto SALVATION. For it is His eternal robes of righteousness that cover His obedient followers. (Genesis 3:21).

Hosea 4:6

Each of us has been provided the choice to be grafted in and receive both the FATHER AND SON'S KADOSH (SACRED) NAME on our foreheads, by accepting and receiving His Son. Pray that this name will be YAHUSHA יהושע. For both, the Father and Son's power, presence, and provision are only baked into the correct NAME of YAHUSHA HAMASHIACH, unto salvation. This Kadosh NAME is declaring to the whole world that the ETERNAL YAHUAH יהוה SAVES YOU AND ME BY WAY OF HIS ONLY BEGOTTEN SON, YAHUSHA THE LAMB (H#7716-שח-sha). In this way, both the Father and Son's names begin and end with the same letters. The only letter difference is the shin (ש). It is through this method alone that YAHUSHA OUR MESSIAH ensures that His FATHER'S promises are trustworthy UNTO ETERNAL LIFE.

Comments

Here are two more comments from last week's challenge to watch and comment on the video by the Atheist, who declared that Christianity is based upon the foundation of sun worship. It was rather fun to identify his errors and how much he had hit the nail on the head.

Please listen to this SONG as it spells out the problem with MANY ILLUSTRATIONS:
[*Too Long in the Sun ~ Kerry Alexander*](#)

I didn't want anyone to feel pressured to watch the video last week, but this kind of thing serves as a useful tool to make us think and dig deep. The most interesting discovery I had in taking the challenge was to find that because I am no longer in a Christian church, and have come out to stand on the truths of Yahuah's WORD (calendar and sacred names), I was not the target. No accusations were coming my way. In fact, I found it interesting how often I even agreed with the

Atheist in his assertions, but then he rolled it all into one conclusion declaring therefore there was never a (Messiah) and the entire story in the Bible is false. Which is so far off base for a myriad of reasons.

Another comment from my brother Marlan of California:

With the solar eclipse on Pasch (Passover), 14 days after "New Moon" (Rosh Hashanah), in the month of Abib, the three observable heavenly attributes were all aligned: viewed from earth where the foot of the cross penetrates the ground, looking upward past the Lamb Himself and on into heaven, one would have viewed a spectacular sight of Moon, Sun, and visible Stars (due to the total eclipse of the sun) in perfect alignment: What stars? The edge of the constellation Aries (the Lamb). Thus marks the Aleph and Tav (Alpha and Omega). His is the beginning and the end of the Plan of Salvation. It is what he did and is doing on our behalf until that last great day. Nothing we can do to change it except to be ready.

Comment by Gavin Giblett of New Zealand:

Re Atheist Video

How to present a deceiving argument:

1. Present an argument which is 90% truth and 10% lie. It can be very difficult to spot the 10% lie.

For example: 1st century believers spoke Greek and the "New Testament" was written in Greek

2. Present an argument which is 100% truth but then jump to an incorrect conclusion.

For example:

The Documentary Hypothesis, which is easily disproved by [Luke 24:27](#).

And throughout the "New Testament" Scripture the Torah of Moses is attributed to Moses [Matthew 8:4; 19:7, 8; 23:2; Mark 1:44; 10:3, 4; 7:10; Luke 5:14; 16:19, 31; 20:37; 24:27, 44; John 3:14; 5:39, 45, 46; 6:32; 7:19, 22, 23](#).

The Deutero-Isaiah Hypothesis, again easily disprovable as; in [John 12:38](#) there is a quote from Isaiah chapter 53. In [John 12:40](#) there is a quote from Isaiah chapter 6. Between these two verses, [John 12:39](#) links them by saying, "that [same] Isaiah said again..." John tells us that Isaiah I and Isaiah II are by the same author. If you recognize the integrity of the whole, you can keep from wasting a lot of energy going down the rabbit trails of the skeptical academics.

3. Present an argument which is 100% truth, but omit a crucial piece of information (either deliberately or unwittingly) leaving your reader to draw an incorrect conclusion.

This is the approach employed by the Atheist Video

The crucial piece of information missing is the Witness of the Stars as presented in the Hebrew Mazzaroth.

The key textbook on this subject is [*"The Witness of the Stars by E.W. Bullinger."*](#)

The star pictures (constellations) are a mnemonic (an aid to memory) in remembering the Hebrew names of the stars.

The meaning behind the Hebrew star names - in their order of brightness - gives us the story of Redemption.

Adam and Eve and Enoch used these mnemonics to teach their children Our Creator's plan of Redemption.

Yes, much of this was lost in Genesis Chapter 11 when these mnemonics were corrupted and the Hebrew Mazzaroth became the "Zodiac", - but some of the original remains.

This is the crucial piece of information omitted by the Atheist Video.

It is not surprising Satan produced a counterfeit virgin birth story, a counterfeit twelve Apostles etc.as these have been declared from time of creation in the Witness of the Stars, and known of in all civilizations.

HOWEVER, what is really interesting is clearly Satan did not know the day Our Messiah would be born, Satan chose the Winter Solstice (December 25).
