

Full Moon Tonight!!! If you have clear skies you will be able to see Mars to its bottom left.

Happy New Moon Day, all who worship Yahuah Alahim and Yahusha haMashiach on their Kadosh (set-apart) Lunar New Moons and Sabbaths!

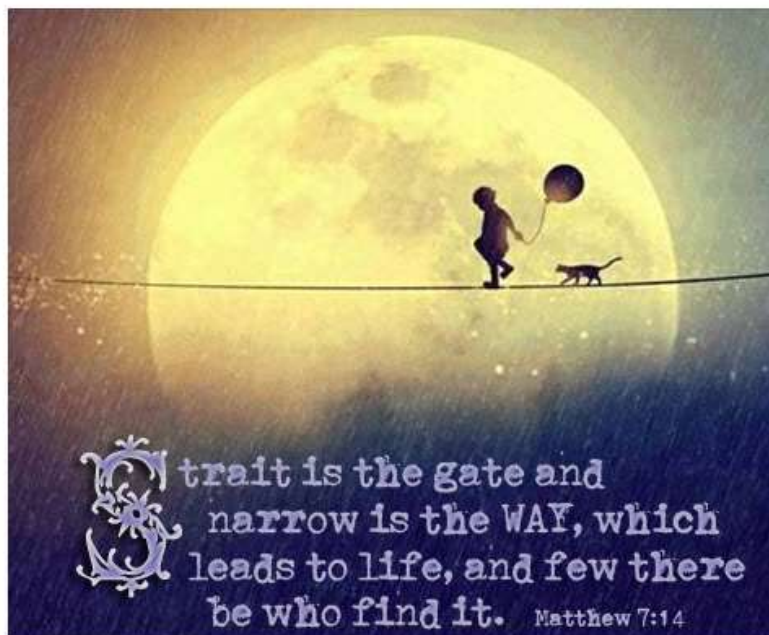

Today is **Day One** of the Creator's authentic **Ninth Lunar Month** although coincident with the Roman Gregorian calendar solar *Thurs, 12-08-22*. His years are measured from spring to spring. Each month, it is an awe-inspiring sight to watch the full moon rise in the East and make its way along the east-west time continuum under our Creator's tireless direction. Then to see with your own eyes that moment when the sun's first rays shine forth to greet the descending full moon. They greet each other with a nod and agreement that indeed, this moment, while together visible from opposite coordinates, marks the start of the new lunar month. Honoring His New Moons as declared from His sacred Torah Law shows Him who desires to enter in through the pearly gates of His Eternal Kingdom government. I hope to see you there! HalleluYah!

“Blessed are those who hear the joyful call to worship, for they will walk in the light of your presence, YAHUAH. They rejoice all day long in your wonderful reputation. They exult in your righteousness.” Psalms 89:15-16

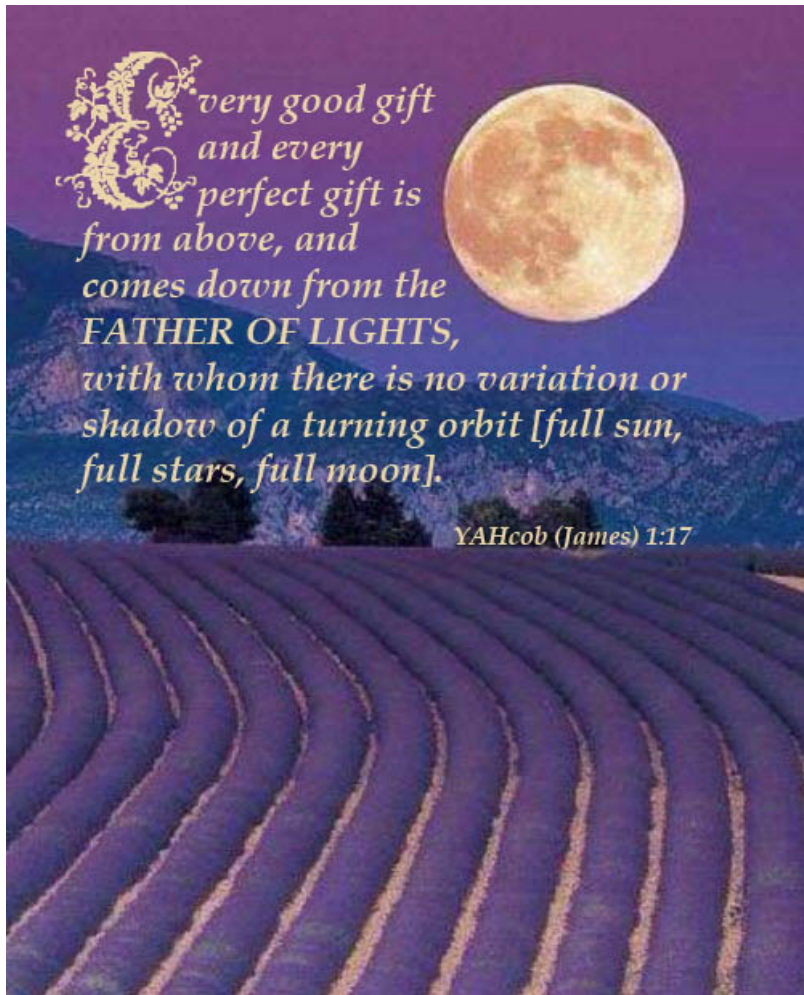

As we restore Yahuah and Yahusha's original and authentic New Moon (start of lunar months) He restores us.

But you are a chosen generation,
a royal priesthood, a kadosh
nation, His own special people,
that you may proclaim the
tehillot/praises of Him who
called you out of darkness into
His marvelous light.
(1st Peter 2:9)

Narrow is the gate and
narrow is the WAY, which
leads to life, and few there
be who find it. Matthew 7:14

*Every good gift
and every
perfect gift is
from above, and
comes down from the
FATHER OF LIGHTS,
with whom there is no variation or
shadow of a turning orbit [full sun,
full stars, full moon].*

YAHcob (James) 1:17

There was a distinct break between the Old Testament requirements dealing with the Sabbath worship . . . They [Rome] wanted to show that Christianity [her brainchild] was distinct from Judaism. The other thing that we should remember, too, is that our calendar that we follow, including **Seventh-day Adventists**, is not only a calendar that was devised by the Catholic Church, but also it is a calendar that's based upon the **SOLAR** year, not the **LUNAR** year.

The Jewish calendar that was observed in the time of *Christ* [Messiah] follows a lunar [astro-luni-solar] calendar . . . So the great irony is that even the **Seventh-day Adventists**, themselves, are not worshipping on exactly the same Sabbath day as the Jews in the time of *Christ*, because it is several days off . . . *Patrick Madrid, Catholic Apologist, EWTN, Global Catholic Radio Network, Jan. 5, 2006.*

Kerrie's Comments

Is there anything more to be said other than “HE LOVES YOU!!!”

**Song: [What Love is This? ~ Kari Jobe](#)
[Forever Love by ~ Francesca Battistelli](#)**

(As I sing along, it has become my habit to change out all the replacement names for Yah, Yahuah, Yahusha, or Alahim as the song requires.)

Barak hashem YAHUSHA haMashiach! (*Bless the name of YAHUSHA the Messiah!*)
