

Today is **PASSOVER** the **14th day** of our Creator's **First Lunar Month** count that begins in the spring. It is coincident with the Roman Gregorian calendar planetary date of *04-19-2023*.

He placed His full moon beacon as the original start of Years and Months high above for all to see. All praise to YAHUAH Alahim for His steadfast love and compassion for His children and His patience in restoring His lost truths in preparation for the Second Coming of His Son, Yahusha haMashiach (the Messiah). Simply because the full moon as New Moon, with its count to Lunar Sabbaths, and annual Feast Days is not popular among the Rabbinical Pharisee Jews or the Romanized Christian churches today, does, in no way diminish its LIGHT OF TRUTH shining from the pages of Scripture and His Eternal Throne. Only YAHUAH'S Ruach (power, presence, and provision) gives those who seek Him with all their hearts "*eyes to see and ears to hear.*" Ask Him today to reveal His New Moon and lunar Sabbath to you and see how your life will change as your soul temple is synchronized to His for all eternity.

"Blessed are those who hear the joyful call to worship, for they will walk in the light of your presence, YAHUAH. They rejoice all day long in your wonderful reputation. They exult in your righteousness." Psalms 89:15-16

KING OF THE CURSE

(Crown of Thorns)

We sat down in a desert valley surrounded by mountains. Between us was a little thorn bush. The teacher reached for one of its branches, twisted it off, and held it in front of his face.

“Thorns,” he said. “Did you ever wonder why Messiah wore a crown of thorns?”

“I’ve always found it a strange thing.”

“Think about it, a crown, a symbol of royalty, power, kingship, wealth, and glory . . . yet made not of gold or jewels, but thorns. Why? When man fell, the consequence of that fall was the curse; the ground would now bear thorns and thistles. The thorns were thus the sign of the curse, the sign of a fallen world, a creation that can no longer bear the fruit it was called to bear, but now brings forth thorns, pain, piercing, blood, tears, and destruction.”

He handed me the branch of thorns, then continued, “Now when a crown is placed on a man’s head, he becomes king. At that moment, the weight of the kingdom rests upon him. So what is the mystery of the crown of thorns that was placed on the head of Messiah?”

“When the crown was placed on His head, He became . . .”

“The King of Thorns, the King of the Curse. Thorns speak of pain and tears. So the crown of thorns means He will now bear the pain and tears of man. Thorns speak of the piercing. So He will be pierced. And the thorns are linked to the curse and the curse is linked to death. So the

crown of thorns ordains that Messiah will die. He will bear the weight of the curse upon His head. He becomes the King of Thorns, the King of the Curse.”

“But a crown also signifies authority,” I said. “One who reigns supreme.”

“Yes, and thus by bearing the weight of the curse, He becomes king over it. He becomes King of the Curse.”

“And King of the Cursed.”

“King of the Broken, King of the Pierced and Wounded, King of the Rejected, and King of Tears. So all who have fallen can come to Him and find redemption. For the One who wears the crown has authority over these things . . . to turn sorrow into joy, death into life, and thorns into blossoms. He who wears the crown is Lord [Master] of the Fallen, the King of Thorns.”

The Mission: Today, bring the thorns, the wounds, the shame, and the sorrows of your life to the King of Thorns, and commit them to His authority.

[Disclaimer: Please note that “*The Book of Mysteries*” is Jonathan Cahn’s notes from the lessons he received while spending a year under the tutelage of “The Teacher” in Yasharal (*Israel*). I have found many of these to be worthy to share and will make additional comments on them as needed. Those teachings not supported by Scripture that don’t meet the mark on any level are not shared or posted. **We are not followers of Jonathan Cahn as there are many beliefs we don’t hold in common. However, these are shared that you too may be barakah (blessed) by the wisdom of “The Teacher.”**]

Passover

“See, the Lamb of Aluahym who takes away the sin of the world!”

Yahusha

יהושע

Yahusha

For it is impossible for blood of bulls and goats to take away sins. Heb 10:4

But now He has appeared once for all at the end of the ages to put away sin by the offering of Himself. Heb 9:26

“Whoever puts his trust in Him shall not be put to shame.” Rom 10:11

YAHUAH (OUR FATHER) DID NOT CHECK
TO SEE WHO INSIDE
THE HOUSE WAS WORTHY.

HE CHECKED FOR **BLOOD**
ON THE DOORPOST

NONE ARE WORTHY.
THE BLOOD OF **YAHUSHA** COVERS US
(OUR MESSIAH)

Yet, don't be confused by this! The first born sons of the House of Yasharal would **NOT** have been saved without perfect obedience to the TORAH instructions, given by YAHUAH to Moshe and Aaron, regarding **PASSOVER**:

1. Synchronize to the correct New Moon (full moon). Ex. 12:1-4; Gen. 1:16
2. Count 14 days from the full New Moon to PASSOVER. Ex. 12:6
3. Slay the Lamb between the evenings (noon). Exodus 12:6
4. Place the blood on the door posts and lintel before sunset. Ex. 12:7
5. Roast and eat the Lamb after sunset, before midnight. Ex. 12:8

Each of these were typified by the death and burial of Yahusha our Messiah 1,500 years later. For He was the Promised LAMB from the beginning of time, from which PASSOVER was a sign.

All the Egyptian first born males of mankind and animals died in their disobedience, while all of Yasharal (Israel) were saved for their obedience and attention to details. This is still true today.

While none are WORTHY (righteous), we can seek obedience.

YAHUSHA'S BLOOD SAVES THE OBEDIENT AND FORGIVEN!

Recommendations for Celebrating Passover with your family, friends, and most of all your Messiah who paid it all:

Visit the [All Things Passover](#) page and begin with the first article. It will walk you through every detail. There are enough articles at this link to last all week and maybe two.

Yesterday, I made an incredible discovery while digging around in the 1911 Encyclopaedia Britannica, and I just have to share it with all of you on this eve of our Messiah's Passover. It is compelling evidence that further supports the fact that the *full moon* was the original start of years and months. So as you celebrate this most sacred day of all, you can have confidence that while all the Jews and other lunar groups have celebrated it two weeks ago and some four weeks from now, you can have complete confidence that this Passover correlating with 04-19-2023 is synchronized to the authentic Passover first in Eden, later by the Israelites before leaving Egypt, and then by the only begotten son of the Eternal Father, our Messiah at His crucifixion. I have an article nearly complete featuring this quote and much more. So as they say, without further ado...

The Full Moon, the Original Start of Years and Months

This is further supported by *François Lenormant's "Origines de l'Histoire" (History of the Origins)*, published in 1880 and recorded in the *1911 Encyclopaedia Britannica*, p. 993. He was a French astronomer and early archeologist of Assyria and Babylon. He identified that the early Mesopotamia culture utilized the *full moon* as the start of months and years. Remember, this was the first civilization following the flood. This represents the first and second generations of Noah who, along with

his family of eight, had remained faithful to their Creator and, as a result, were saved in the ark.

As identified in his quote below, it was *twelve full moons* in their order that designated the lunar months of each year. And because *full moons* occur by night alone, they consistently measured the night sky together with the stars exactly as defined by the four witnesses of Scripture as found in *Genesis 1:16, Psalms 136:7-9, Jeremiah 31:35-36, and Revelation 12:1*.

Assyria and Babylonia —The twelvefold division of the zodiac was evidently suggested by the occurrence of twelve full moons in successive parts of it in the course of each year. This approximate relation was first systematically developed by the early inhabitants of Mesopotamia and formed the starting point for all other divisions of time... [Later] The idea of tracing the sun's path among the "stars" [by daylight] was, when it occurred to Chaldaean astronomers, an original and, relatively to their means, a recondite one. We owe to its realization by them the constitution and nomenclature of the [modern] twelve signs of the zodiac. 1911 *Encyclopaedia Britannica - Zodiac, p. 993; François Lenormant, Origines de l'Histoire, p. 236.*

The Origin of the Conjunction as the Start of Years and Months

Note that from the same paragraph above on page 993 of the 1911 Encyclopaedia Britannica, still quoting from *François Lenormant's "Origines de l'Histoire" (History of the Origins)*, he identifies that years later, the Chaldaean astronomers from this same region, possibly under the leadership of Nimrod and his wife Semiramis, invented and introduced the method of measuring time by tracing the sun's path among the starry constellations of the zodiac by daylight. The term utilized to describe this variance from the original method of utilizing the *full moon* was a recondite one. The term "*recondite*," means concealed, hidden, and secret.

So what does it all mean? The original start of months was the **full moon** among the faithful of Yahuah Alahim, our Creator. Then later, the Chaldaean astronomers were the originators of the counterfeit and replacement time-measuring system. They changed the divine model by inventing a new method of measuring time, entirely out of sync with the original. This was done in rebellion to their Creator to craft a lunisolar method of measuring the stars with the sun by day when the stars are invisible and hidden. By extension, although not overtly stated, the dark conjunction, also hidden, was then introduced and utilized from that moment onward as the New Moon and the start of months. This was the inception when the new "*secret or hidden*" lunisolar time measuring system was crafted and set 180 degrees opposite that of our Creator. Might this be the primary reason for the destruction of the tower of Babel, the confusion of the languages, and the scattering of the people unto all regions of the earth?
