

Shabbat Shalom, all who worship Yahuah Alahim and Yahusha haMashiach on their Kadosh (set-apart) New Moons, Lunar Sabbaths, and Feast Days according to the full moon as the start of months!

Today is the **15th day** of our Creator's **Second Lunar Month** count that begins in the spring. It is also the authentic **second lunar Sabbath of the month**. It is coincident with the Roman Gregorian calendar planetary date of *Sat., 05-20-2023*.

He placed His full moon beacon as the original New Moon and the start of His months, high above for all to see. All praise to YAHUAH Alahim for His steadfast love and compassion for His children and His patience in restoring His lost truths in preparation for the Second Coming of His Son, Yahusha haMashiach (the Messiah). Simply because the full moon as New Moon, with its count to Lunar Sabbaths, and annual Feast Days is not popular among the Rabbinical Pharisee Jews or the Romanized Christian churches today, does, in no way diminish its LIGHT OF TRUTH shining from the pages of Scripture and His Eternal Throne. Only YAHUAH'S Ruach (power, presence, and provision) gives those who seek Him with all their hearts "*eyes to see and ears to hear.*" Ask Him today to reveal His New Moon and lunar Sabbath to you and see how your life will change as your soul temple is synchronized to His for all eternity.

“Blessed are those who hear the joyful call to worship, for they will walk in the light of your presence, YAHUAH. They rejoice all day long in your wonderful reputation. They exult in your righteousness.” Psalms 89:15-16

First Things First

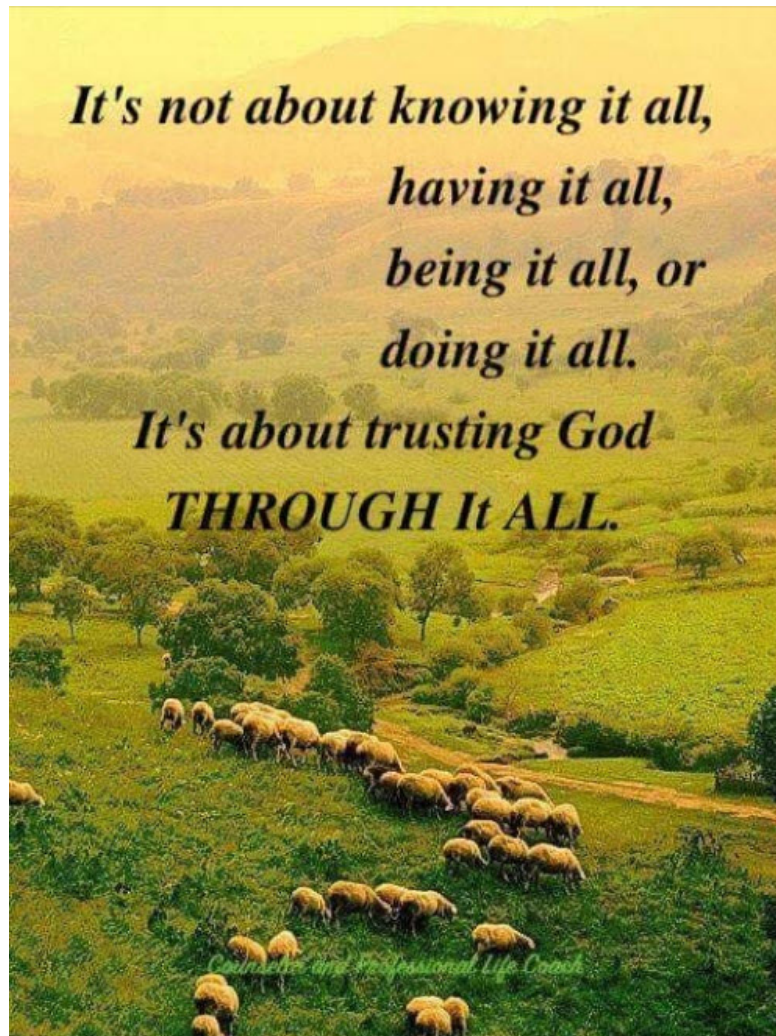

The first thing to do each morning is to engage with the Almighty YAHUAH, our Heavenly Father, by way of His interceding Son. Declare that we will rejoice and be glad in this day! When we go to sleep He ministers to us. He gives His beloved rest. He strengthens our body and rejuvenates us. We can declare we are going to have a great day or we can allow the circumstances of the day to dictate to us. When we allow the circumstances to dictate the kind of day we will have, we've already come under the influence of something other than the Divine. From that moment on it is a fight, a battle. We must have a good understanding of who YAHUAH, the Almighty, and YAHUSHA, the Messiah are.

No matter what is going on, or what we're going through, He is either sending it to us or He's allowing it but He is perfectly aware of it.

If YAHUAH, the Almighty is sending it to us, there is something we need to learn. If He's allowing it, there is also something we need to learn. But remember what David said. *"Yeah, though I walk through the valley of the shadow of death I will fear no evil."* Why? Because He is with us. Just know our Heavenly Father, through His Son is with us. Because of that we already have victory. It may not feel like it. We may not see the outcome, but He is with us in it...That is the key!

Declare: *"I've got the victory!"*

Our victory is not determined by the good stuff. Rather, it is when we are feeling depressed, oppressed, sad, or sorry, these are the difficult times. These times of trials tribulations are simply coming to test our faith, and to build patience. Even in times like these if we allow Him, He is building us, strengthening us, preparing us for the battles that are yet to come. If Satan can trick us to think we have to fight him, we've already been seduced by the lie. But the beauty of the battles that are yet to come are not ours. YAHUAH AND YAHUSHA HAS THIS! Kerrie's Comments:

Thank you Denise for your beautiful devotion of trust and faith. This really ministered to me. We are all hopeless without the presence and intervention of our Creator and His Holy appointed Messiah. We need to begin each day seeking their presence in our lives.
