

Scriptural Evidence

Bereshith meaning "Beginnings" changed to Genesis 1: 14 – 18

14And Elohim said, "Let lights come to be in the expanse of the heavens to separate the day from the night, and let them be for signs and appointed times, and for days and years, 15and let them be for lights in the expanse of the heavens to give light on the earth." And it came to be so. 16And Elohim made two great lights: the greater light to rule the day, and the lesser light to rule the night, with the stars. 17And Elohim set them in the expanse of the heavens to give light on the earth, 18and to rule over the day and over the night, and to separate the light from the darkness. And Elohim saw that it was good.

Happy New Moon Day, all who worship Yahuah Alahim and Yahusha haMashiach on their Kadosh (set-apart) Lunar New Moons and Sabbaths!

Today is **Day One** of the Creator's authentic **Fifth Lunar Month** although coincident with the Roman Gregorian calendar solar *Wed., 08-02-2023*. His years are measured from spring to spring. Each month, it is an awe-inspiring sight to watch the full moon rise in the East and make its way along the east-west time continuum under our Creator's tireless direction. Then to see with your own eyes that moment when the sun's first rays shine forth to greet the descending full moon. They greet each other with a nod and agreement that indeed, this moment, while together visible from opposite coordinates, marks the start of the new lunar month. Honoring His New Moons as declared from His sacred Torah Law shows Him who desires to enter in through the pearly gates of His Eternal Kingdom government. I hope to see you there! HalleluYah!

"Blessed are those who hear the joyful call to worship, for they will walk in the light of your presence, YAHUAH. They rejoice all day long in your wonderful reputation. They exult in your righteousness." Psalms 89:15-16

Kerrie's Comments: Tonight the full moon rises in the east announcing that tomorrow at sunrise the new month begins. This is a night to witness if you have clear skies, but also it is so exciting to witness the full moon on the western horizon as the sun rises and shines upon it in the morning. All of this is under the supervision of YAHUAH OF HOSTS. He alone is CREATOR and MAINTAINER of His SACRED WORSHIP SCHEDULE. May YAHUAH OF HOSTS be WORSHIPED AND PRAISED this sacred New Moon Day.

“...the voice of joy and the voice of gladness, the voice of the bridegroom and the voice of the bride, the voice of those who will say: "Praise YAHUAH of hosts, for YAHUAH *is* good, for His mercy *endures* forever"— *and* of those *who will* bring the sacrifice of praise into the house of YAHUAH. For I will cause the captives of the land to return as at the first,' says YAHUAH.” Jeremiah 33:11

Song: The Diamond Turns ~ Paul Wilbur

(As I sing along, it has become my habit to change out all the replacement names for Yah, Yahuah, Yahusha, or Alahim as the song requires.)

Barak hashem YAHUSHA haMashiach! (Bless the name of YAHUSHA the Messiah!)

Your New Moons, Sabbaths and Feast Days, My soul hates, they are a trouble to me, and I am weary to bear them. And when you spread forth your hands, I will hide mine eyes. *YahshaYahu (Is.)1:14-16*

WHY? Because Yahudah (Judah) had adopted the New Moons, Sabbaths, and Feast Days of the surrounding pagan nations. Their new TIME measuring method was based entirely on the moment the DARK MOON and SUN are in conjunction. YET, Genesis 1:14-16 defines that the FULL MOON as New Moon, together with the STARS RULE ALL NIGHT WITHOUT the SUN. So the above reference to the New Moons, Sabbaths, and Feast Days that YAHUAH ELOHIM could not bear, were 180 degrees opposite of His ordained TIME STANDARD.

Genesis 1:14-16 Psalms 136:7-9 Jeremiah 31:35-36
