

Shabbat Shalom, all who worship Yahuah Alahim and Yahusha haMashiach on their Kadosh (set-apart) New Moons, Lunar Sabbaths, and Feast Days according to the full moon as the start of months!

Today is the **29th day** of our Creator's **Fifth Lunar Month** count that begins in the spring. It is also the authentic **fourth lunar Sabbath of the month**. It is coincident with the Roman Gregorian calendar planetary date of *Wed., 08-30-2023*.

He placed His full moon beacon as the original New Moon and the start of His months, high above for all to see. All praise to YAHUAH Alahim for His steadfast love and compassion for His children and His patience in restoring His lost truths in preparation for the Second Coming of His Son, Yahusha haMashiach (the Messiah). Simply because the full moon as New Moon, with its count to Lunar Sabbaths, and annual Feast Days is not popular among the Rabbinical Pharisee Jews or the Romanized Christian churches today, does, in no way diminish its LIGHT OF TRUTH shining from the pages of Scripture and His Eternal Throne. Only YAHUAH'S Ruach (power, presence, and provision) gives those who seek Him with all their hearts "*eyes to see and ears to hear.*" Ask Him today to reveal His New Moon and lunar Sabbath to you and see how your life will change as your soul temple is synchronized to His for all eternity.

"Blessed are those who hear the joyful call to worship, for they will walk in the light of your presence, YAHUAH. They rejoice all day long in your wonderful reputation. They exult in your righteousness." Psalms 89:15-16

DODEKHA: THE DIVINE LOVES

By Jonathan Cahn

We sat on a low stone wall encircling one of the school's vineyards.

“In the Song of Solomon,” said the teacher, “the bride compares the love of her beloved to wine. Wine was a symbol of earthly pleasure. Yet when the bride speaks of her beloved, she says this: *Your love is better than wine.*”

“And the Song of Solomon is ultimately about Alahim (God) and us; the bride represents us and the beloved represents Alahim.”

“That’s correct,” he said. “So what is it saying?”

“That the love of Alahim is better than any earthly pleasure.”

“Yes, and something more than that. Behind the translation is a revelation one can only find in the original language. The Hebrew reads this way: *Kee tovim dodekha me yayin*. It is translated as ‘Your love is better than wine.’ But in the original language, the bride says, ‘Your dodekha is better than wine.’”

“And what does dodekha mean?”

“Not ‘your love.’ Dodekha means your loves... ‘Your loves are better than wine.’ What does that reveal?”

“The love of Alahim is not just the love of Alahim...but the loves of Alahim.”

“Dodekha means that Alahim loves you so much that it can’t even be described or contained without breaking out of the language. It means the word love cannot adequately express it. It means that Alahim doesn’t just have love for you, but many loves. When you need His mercy, He loves you with a merciful love. When you need His strength, He loves you with an encouraging love. When you’ve been wounded, He loves you with a tender love. When you need the love of a friend, He loves you as a friend. When you need to be lifted up in His arms, He loves you with the compassion of a loving Father. His love for you is many. He loves you today, not with yesterday’s love, but with a love for today, a love that is new every morning.

Therefore, you must seek not only to know the love of Alahim but to know the loves of Alahim. You can never rest on knowing yesterday’s love or the love you have known before. You must seek each day to know the loves He has for you, the new love, the fresh love, the surprising love, the never-ending love. It is that love, His love, that is better, much better than any earthly joy... for His loves are better than wine.”

Mission: Seek this day to know not only the love but the loves of Alahim... the always new and never-ending loves of your Beloved for you. *Psalms 63:3-6; Song of Solomon 1:2; Ephesians 3:18-19.*

[Disclaimer: Please note that “*The Book of Mysteries*” is Jonathan Cahn’s notes from the lessons he received while spending a year under the tutelage of “The Teacher” in Yasharal (*Israel*). I have found many of these to be worthy to share and will make additional comments on them as needed. Those teachings not supported by Scripture that don’t meet the mark on any level are not shared or posted. **We are not followers of Jonathan Cahn as there are many beliefs we don’t hold in common. However, these are shared that you too may be barakah (blessed) by the wisdom of “The Teacher.”**]

Kerrie’s Comments

Tonight (08-30-2023) there will be a Super Blue Moon rising in the east announcing that tomorrow (08-31-2023) is **New Moon Day, the first day of the Sixth Lunar Biblical Month**. It is the biggest and brightest moon of 2023. Although it is called a “blue moon” it is not blue in color. It

is a term applied sometime in the last 1,700 years under the Roman solar calendar model. How do we know? It is called a “blue moon” because it is the second full moon to occur in a single month, and they mean Roman solar month. As you know according to Scripture, the months are lunar and commence with the FULL MOON lunar phase announcing New Moon Day. Each time the FULL MOON comes around it automatically begins a new month the very next morning at sunrise.

Super Blue Moon Is Coming! It's the Biggest and Brightest Moon of 2023

New Article Posted

I have posted a new article to TheCreatorsCalendar.com website, entitled, [Passover's Seven Scriptural GPS Fun Facts](#). It is identifying the original and authentic calendar of our Creator according to seven Biblical FACTS, and ultimately supporting the FULL MOON as the New Moon.

Song: [Spirit and the Bride Say Come ~ Joshua Aaron](#)

BELIEVE IT OR NOT

“Truth is not what I believe.
Truth is not even what I know.
Truth is **FACT!**
I may not believe it.
I may not know it.
That does not change it.

It is there nevertheless, waiting to be discovered and believed. Truth does not depend on the unsettled and changing opinions of men.

It was truth before it was believed. It remains truth whether it is believed or not. Reason does not originate or create it...
IT MERELY DISCOVERES IT.”

~ Carlyle B. Haynes

The CreatorsCalendar.com

Dad, why do we keep the seventh day Sabbath?

Because our Creator rested on the seventh day after He made the heavens and the earth in six days. It's to honor Him.

Keeping the Sabbath is honoring the Father Who gave us the breath of life. We owe to Him our very existence.

Even if you
Can't Be
Anything
Else...Be

Faithful

sometimes the only way
through it is a
hallelujah
