

Happy New Moon Day, all who worship Yahuah Alahim and Yahusha haMashiach on their Kadosh (set-apart) Lunar New Moons and Sabbaths!

Today is **Day One** of the Creator's authentic **Eighth Lunar Month** although coincident with the Roman Gregorian calendar solar *Sun., 10-29-23*. His years are measured from spring to spring. Each month, it is an awe-inspiring sight to watch the full moon rise in the East and make its way along the east-west time continuum under our Creator's tireless direction. Then to see with your own eyes that moment when the sun's first rays shine forth to greet the descending full moon. They greet each other with a nod and agreement that indeed, this moment, while together visible from opposite coordinates, marks the start of the new lunar month. Honoring His New Moons as declared from His sacred Torah Law shows Him who desires to enter in through the pearly gates of His Eternal Kingdom government. I hope to see you there! HalleluYah!

“Blessed are those who hear the joyful call to worship, for they will walk in the light of your presence, YAHUAH. They rejoice all day long in your wonderful reputation. They exult in your righteousness.” Psalms 89:15-16

THE MASK OF THE EGYPTIAN

Jonathan Cahn

He led me into the Chamber of Books and to a large volume bound in blue and much less ancient-looking than most of the other books in that room. It was a book of cathedral art, depictions of Messiah in paintings, sculptures, and stained-glass windows.

“Do you think He looks Jewish?” asked the teacher.

“Not in there,” I said.

“Tell me of Joseph as the shadow of and type of Messiah,”

“He was despised and rejected by his brother, separated from his family, exiled to a foreign land, falsely accused, and imprisoned. He suffered for the sins of others but was then raised up from his dungeon, exalted, and given a royal position from which he saved a nation.”

“And all the while,” said the teacher, “estranged from his family and they to him. He becomes the hope of a world beyond the world of his family. His brothers have no idea that the savior of Egypt is their rejected and long-lost brother Joseph. Then they go down to Egypt and stand in his presence, face-to-face. But they don’t know it’s him. Why?”

“He would have been dressed up as an Egyptian official.”

“That’s correct. They couldn’t see past his Egyptian clothes and adornments. They could only see a lord of Egypt, a Gentile savior of a Gentile land. What does the mystery reveal?”

“For the last two thousand years Messiah has become the Savior to people of every nation and tongue...and yet, He’s been estranged from His own family, Israel, the Jewish people. To them He’s the Savior of the Gentiles. They can’t see past the foreign clothing, the adornments...”

“The stained glass, the statues, the icons, the cathedrals of a culture cut off from its Jewish roots. But that’s not the end of the story. What happens at the end?”

“Joseph’s brothers finally realize that the Egyptian is their long-lost brother...and their hope as well.”

“So too the story of Messiah and His people will end when they stand before Him face-to-face and finally see through the clothing, the adornments, and the mask of two thousand years. And then they will realize that the Savior of the Gentiles is their long-lost brother, YAHUSHA (Yeshua), their Joseph, and their hope as well. Pray for that day. For when it come, it will be Messiah’s joy, Israel’s redemption, and, as it is written, riches for the world.”

The Mission: Pray for the peace of Yarushalom (Jerusalem) and for His ancient people to see through the mask and behold Messiah, their long-lost brother, YAHUSHA (Yeshua).

[Disclaimer: Please note that “*The Book of Mysteries*” is Jonathan Cahn’s notes from the lessons he received while spending a year under the tutelage of “The Teacher” in Yasharal (*Israel*). I have found many of these

to be worthy to share and will make additional comments on them as needed. Those teachings not supported by Scripture that don't meet the mark on any level are not shared or posted. **We are not followers of Jonathan Cahn as there are many beliefs we don't hold in common. However, these are shared that you too may be barakah (blessed) by the wisdom of "The Teacher."**]

A photograph of a person standing on a wooden lifeguard stand on a beach at night. The person has their arms raised in a gesture of awe or worship, looking up at the sky. The sky is filled with stars, and the Milky Way galaxy is clearly visible, arching across the upper half of the frame. The beach is in the foreground, and the ocean is visible in the background. The entire scene is framed by a thin, light-colored border.

“WORSHIP YAHUAH
IN THE SPLENDOR
OF HIS
SET-APARTNESS;
TREMBLE BEFORE
HIM, ALL
THE EARTH.”

PSALMS 96:9

“And then the MOON,

Ever punctual to mark the TIMES as an everlasting sign.
It is the MOON that signals the APPOINTED WORSHIP
ASSEMBLIES, a luminary that wanes after being FULL.
The MONTH derives its name from her. She waxes
wonderfully in her phases, a banner of the hosts on high,
shining in the vault of the shamayim (heavens).”

Ecclesiasticus 43:6-8, circa 12-180 B.C.
