

Shabbat Shalom, all who worship Yahuah Alahim and Yahusha haMashiach on their Kadosh (set-apart) New Moons, Lunar Sabbaths, and Feast Days according to the full moon as the start of His months!

Today is the **15th day** of our Creator's **Thirteenth Lunar Month** count that begins in the spring. It is also the authentic **second lunar Sabbath of the month**. It coincides with the Roman Gregorian calendar planetary date of Monday, April 8, 2024. **Remember to check out the Solar Eclipse if you are in the United States. For me, it will occur around 11:15 A.M.**

Our Creator placed His full moon beacon as the original New Moon and the start of His months, high above for all to see. All praise to YAHUAH Alahim for His steadfast love and compassion for His children and His patience in restoring His lost truths in preparation for the Second Coming of His Son, Yahusha haMashiach (the Messiah). Simply because the full moon as New Moon, with its count to Lunar Sabbaths, and annual Feast Days is not popular among the Rabbinical Pharisee Jews or the Romanized Christian churches today, does, in no way diminish its LIGHT OF TRUTH shining from the pages of Scripture and His Eternal Throne. Only YAHUAH'S Ruach (power, presence, and provision) gives those who seek Him with all their hearts "*eyes to see and ears to hear.*" Ask Him today to reveal His New Moon and lunar Sabbath to you and see how your life will change as your soul temple is synchronized to His for all eternity.

"Blessed are those who hear the joyful call to worship, for they will walk in the light of your presence, YAHUAH. They rejoice all day long in your wonderful reputation. They exult in your righteousness." Psalms 89:15-16

The Total Solar Eclipse of April 8, 2024

By Kerrie L. French

As the date of the impending *Total Solar Eclipse of April 8, 2024*, looms closer, perhaps you have heard, seen, or even become emotionally swallowed up by the several Christianized superstitions or other possible theories surrounding this coming event. The varied perspectives seem endless. Perhaps you have laid awake at night in a quandary as to which formulated models are true and should be taken seriously, or whether they carry no weight at all.

My tipping point was spawned by the emergent hype, and the accumulation of videos I have watched, some of which lay claim to speaking prophetically. So I aim to bring order out of chaos, light out of darkness, and Scriptural TRUTHS from Yahuah Alahim's ancient paths. If a view is not founded upon this sure foundation, it carries no weight of evidence.

“To the Torah Law (H#8451) and to the Testimony [sun, moon, and stars as they attest to the rhythm of the song of Moses and the Lamb], if they speak not according to this word, there is no light (truth) in them.” Isaiah 8:20

I fully agree with Jonathan Cahn's perspective regarding this **Total Solar Eclipse**. I found it of particular interest what he says about the ancient Jews believing a lunar eclipse was about Judgment on Yasharal (Israel) and the solar eclipse was about judgment on other nations. This is very telling. Anciently, Yasharal was following the correct lunar calendar that commenced with the full moon (the night that a lunar eclipse can occur). The Full Moon was a sign of faithfulness then as it is now. It was the pagan and heathen nations that had adopted the dark conjunctions lunar phase together with the sun to start their months (the only day of the lunar month that a solar eclipse can occur). The dark moon was ordained by our Creator to mark the middle of the lunar month. This new system of honoring the dark moon as the start of months was crafted in the early years of ancient Babylon, three generations after Noah's ark landed, and for the most part adopted by Egypt.

Interestingly, years later when Roman emperors abolished their use of the lunar calendar the first thing they did was divorce all time measuring from the moon. By this, they severed themselves and all those within their empire and under their influence from knowing or even discovering the truth of the rhythm of our Creator's Calendar. His Song of Songs is a symphony orchestrated by the sun, moon, and stars.

Our Creator's timepiece is so much more than a mere calendar that checks off days, weeks, months, years, and jubilees. **Its rhythm was designed as a dance between the Bridegroom and His faithful Bride.** It came complete with the storyline of lyrics recalling a saving love, commitment, betrothal, and the promise of a forever home near His Father's house. And all this in the cadence like a metronome from Full Moon to dark moon, to Full Moon to dark moon... Along the way, he placed incidentals, like the Lunar Eclipses and the Total Solar Eclipses to highlight His dance and song that speaks of His LOVE, the Greatest Story ever told. It is a call to action. These eclipses were not to be omens of doom but were ordained to draw all

men unto Himself, to look up to the heavens and seek for YAHUSHA their loving savior, and be transformed as they confess their sins and desire to follow His lead in perfect time, in harmony with His movements across the dance floor of time.

“These are they who follow the Lamb whithersoever He goes.”

Revelation 14:4

Folks, it is the authentic and original lunar calendar beginning with its Full New Moon Days, lunar Sabbaths, and lunar appointed Feast Days, each in their ordained order that present not only the rhythm but also the lyrical storyline of our Creator and our Messiah’s GREAT LOVE. This is the SONG OF MOSES AND THE LAMB. You are singing it, as your heart swells with love and a desire to be in step, ever letting the Bridegroom lead in this **Dance, and Song of Songs**. Through this perpetual dance and song measured in the heavens, we bring honor and glory to our beloved Messiah and the Eternal Father.

“And I saw as it were a sea of glass mingled with fire: and them that had gotten the victory over the beast, and over his image, and over his mark, *and* over the number of his name, stand on the sea of glass, having the harps of Alahim.

And they sing the song of Moses the servant of Alahim, and the song of the Lamb, saying, Great and marvelous *are* thy works, Yahuah Alahim Almighty; just and true *are* thy ways, thou King of saints.

Who shall not fear thee, O Yahuah, and glorify thy name? For *thou* only *art* holy: for all nations shall come and worship before thee; for thy judgments are made manifest.” Revelation 15:2-4

(As I sing along, it has become my habit to change out all the replacement names for Yah, Yahuah, Yahusha, or Alahim as the song requires.)

Barak hashem YAHUSHA haMashiach! (*Bless the name of YAHUSHA the Messiah!*)
