

**Shabbat Shalom, all who worship Yahuah Alahim and Yahusha haMashiach on their Kadosh (set-apart) New Moons, Lunar Sabbaths, and Feast Days according to the full moon as the start of His months!**

<https://www.youtube.com/watch?v=FUb6QjzvRXU>

Today is the **15th day** of our Creator's **Second Lunar Month** count that begins in the spring. It is also the authentic **second lunar Sabbath of the month**. It coincides with the Roman Gregorian calendar planetary date of ***Fri., 06-07-2024.***

Our Creator placed His full moon beacon as the original New Moon and the start of His months, high above for all to see. All praise to YAHUAH Alahim for His steadfast love and compassion for His children and His patience in restoring His lost truths in preparation for the Second Coming of His Son, Yahusha haMashiach (the Messiah). Simply because the full moon as New Moon, with its count to Lunar Sabbaths, and annual Feast Days is not popular among the Rabbinical Pharisee Jews or the Romanized Christian churches today, does, in no way diminish its LIGHT OF TRUTH shining from the pages of Scripture and His Eternal Throne. Only

YAHUAH'S Ruach (power, presence, and provision) gives those who seek Him with all their hearts *"eyes to see and ears to hear."* Ask Him today to reveal His New Moon and lunar Sabbath to you and see how your life will change as your soul temple is synchronized to His for all eternity.

"Blessed are those who hear the joyful call to worship, for they will walk in the light of your presence, YAHUAH. They rejoice all day long in your wonderful reputation. They exult in your righteousness."  
Psalms 89:15-16

## THE WAY OF THE YASHAR

By Jonathan Cahn

We were standing on a ridge overlooking a vast desert expanse. The teacher began reciting the words of the prophet: **"The voice of one crying out in the wilderness, 'Prepare the way of YAHUAH, make straight in the desert a highway for our Alahim (God).'**" How does the prophet describe the way of Alahim?

"The way of Alahim is straight," I replied.

“That’s right,” he said. “And in physics, in geometry, in space, what is the shortest distance between two points?”

“A straight line.”

“And not just in the physical realm, but in the spiritual realm as well. The way to walk the path of Alahim is to walk straight.”

“How do you walk straight in the spiritual realm?”

“A straight line is a consistent line. It has only one direction. The opposite of a straight line is a crooked or wavering line, a line that’s inconsistent and follows more than one direction. But the more the line wavers, the longer it takes to get to the same point. So the more you waver on your path in Alahim, the more you veer back and forth, the more time it takes, the more effort you must put in, and the more energy you must expend to get to the same place. And the less you will go forward. And in the end, the wavering and crooked road is the much harder path, and the straight path, the much easier. For it is the straight path that takes less time, with less effort and less energy spent. And it’s the straight path that allows you to go farther.”

“How exactly do you apply that in the spiritual realm?”

“You walk with a single aim, a single motive, a single goal, and a single heart. You eliminate any wavering to the right or the left of that goal. And whatever doesn’t line up with your calling, with your faith, with your convictions, and your purpose, you eliminate it from your life. You eliminate it from your actions, your words, your thoughts. When you walk straight, everything lines up...your words with your actions, your actions with your faith, your life with your heart. And one more thing,” he said, “In the prophecy, the word straight is the Hebrew *yashar*. And *yashar* also means good, upright, pleasant, and prosperous. And those are the blessings that are given to those who ‘make straight’ their path and walk in the way of the *yashar*.”

**The Mission:** Today, make it your aim to eliminate all wavering in your life and whatever is not in line with YAHUAH Alahim’s will. Walk and live in a straight line. Isaiah 40:3-5; Hebrews 12:13.

I have found many of these to be worthy to share and will make additional comments on them as needed. Those teachings not supported by Scripture that don’t meet the mark on any level are not shared or posted. **We are not followers of Jonathan Cahn as there are many beliefs we don’t hold in common. However, these are shared that you too may be barakah (blessed) by the wisdom of “The Teacher.”**]

### **Kerrie's Korner**

Here is another beautiful testimony from a woman in Northern California. All praise to Yahuah for His faithfulness as he strives with each of us to bring about change. I believe we can all relate to her story.

Hi Kerrie,

Abba Yahuah has been calling me out of the world in a two-year-long process of complete repentance. I would describe this as Him leading me through a refining fire. I spent 25 years of my past in darkness and sin not in any type of church. The only church experience I had in my past was for about 4 years as a teenager at Bethel church. It is about as far from the truth as you can get. Once when I was about 8 years old I went to a Baptist church and gave my heart to (Jesus, as I called him then) I was led through the salvation prayer.

In His great mercy, and LOVE about 2 years ago the Father brought me to a point of utter brokenness and I began seeking Him. At the time I didn't know which church was safe to attend. I was terrified of false doctrine. My prayer over the last 2 years has been not to be led astray by false teachers. At first, Abba brought me to a Messianic group that professes faith in the Messiah (they call him Yeshua) but they worship on Sat. via the Roman calendar. There I learned about the feasts and

Shabbat. How to read the bible entirely on a yearly cycle and how to observe the Torah.

While learning I still had this unsettling feeling there was more and I did not feel completely at peace in the Messianic teachings. About two months ago I came upon another website that spoke of the full moon Sabbath. This was the first time I had even heard of this! I started researching, seeking, knocking, and eventually, Yahuah and the Set-Apart Spirit led me to your website. Praise Yahuah for leading me to the truth. There are a handful of websites out there speaking of the full moon Shabbat but I found yours to be the most fact researched and Scripture-based. It is clear to me your information comes from years of studying. The calendar itself speaks the truth and after going through almost every link on your website I finally have peace. What you are saying is the truth. It is evident. I long for fellowship with like-minded believers. There are so very few of us out there. So yes, yes I welcome any opportunity to help!

I am married. My husband and I together now observe the Sabbath using the Creator's Calendar on your website. Praise Yahuah!!!! My husband Craig has helped me build our Sukkot over the last two years and is very supportive of all the feasts, Shabbats, ordinances, and precepts. Ours is a long story of repentance. Together and combined we have 5 children in total 4 adults and one in High School. After years of a sinful past, deceived, and completely lost for both of us, the Father in His loving-kindness has led us both to a place of repentance and into this truth. I am not sure why He loved me enough to bring me to the truth. I did not deserve it in any way but I am so thankful Abba and Yahusha did. My life has completely changed. A couple of years ago I was a completely different person.

When would be a good day and time to connect? I work from home so I can meet almost any day and time that works best for you! I am so happy to have found your website.

Shalom!  
Addie

FROM SUNRISE TO SUNSET

## The Old Path has been rediscovered!

4) There is no continuous weekly cycle in the Bible.

5) The lunar appointed Feast days portray the Plan of Salvation, performed by Yahusha haMashiach, alone.

3) Biblical months are LUNAR and begin with the Full Moon.

2) The New Year (Rosh Hashanah) begins in spring.

1) Finding the ancient path.

Journeying back into the Wilderness,  
to receive his Sabbaths.

*"Thus declares the Almighty Yahuah, "the gate of the courtyard interior facing the east shall be shut six days for work, and in the day of the Sabbath it shall be thrown open wide, and in the day of the New Moon it shall be thrown open wide. But come unto the exalted one, by the high perch of the temple gate without, and stand before the threshold of the gate and observe the Kchenim's symbolic firstfruits offering, and symbolic Apeh and Tav peace offerings. And ye shall prostrate yourselves in the threshold of the open gate, and ye shall come in and out at any time; but the gate shall not be shut until sunset. And ye shall worship the people of the land at the entrance way of the same gate, in the Sabbaths and in the New Moon Days, before the face of Yahuah." Ezekiel 46:1-3*
