

Shabbat Shalom, all who worship Yahuah Alahim and Yahusha haMashiach on their Kadosh (set-apart) New/Renewed Moons, Lunar Sabbaths, and Feast Days according to the full moon as the start of His lunar months!

<https://www.youtube.com/watch?v=FUb6QjzvRXU>

Today is the **22nd day** of our Creator's **Eleventh Lunar Month** count, in which the year begins in the spring. It is also the authentic **third lunar Sabbath of the month**. It looks like **11-22-5993**. It coincides with the Roman Gregorian calendar planetary date of *Wed., 03-05-2025*.

Our Creator placed His full moon beacon as the original New Moon and the start of His months, high above for all to see. All praise to Yahuah Alahim for His steadfast love and compassion for His children and His patience in restoring His lost truths in preparation for the Second Coming of His Son, Yahusha haMashiach (the Messiah). Simply because the full moon as New Moon, with its count to Lunar Sabbaths and

annual Feast Days, is not popular among the Rabbinical Pharisee Jews or the Romanized Christian churches today, does in no way diminish its LIGHT OF TRUTH shining from the pages of Scripture and His Eternal Throne. Only Yahuah's Ruach (power, presence, and provision) gives those who seek Him with all their hearts "*eyes to see and ears to hear.*" Ask Him today to reveal His New Moon and lunar Sabbath to you and see how your life will change as your soul temple is synchronized to His for all eternity.

"Blessed are those who hear the joyful call to worship, for they will walk in the light of your presence, Yahuah. They rejoice all day long in your wonderful reputation. They exult in your righteousness."
Psalms 89:15-16

Weighed in the Balances and Found Wanting

In the great controversy between good and evil, truth and error, both sides have been gearing up for the final showdown. The lines have been drawn. The LIGHT OF THE WORLD, YAHUSHA haMashiach (the Messiah), faces off against Satan and the forces of darkness.

This short article highlights the vast contrast between the two entities, their objectives, and the provisional promises of Yahuah Alahim. These are provided through the concepts of weights and measures as they play into the role of *The Mark of the Beast* and the *Seal of Yahuah Alahim (God)*. This battle is waged over the STANDARD OF TRUTH and RIGHTEOUSNESS, the TORAH LAW of YAHUAH Alahim vs. the New World Order Laws, the falsified systems and witty inventions of demons and men.

From his journey with the “Teacher” in Israel, Jonathan Cahn presents a marvelous narrative that will introduce this subject of “*Weights of the Balance*” in his *Book of Mysteries*, which I will expand upon.

The teacher led me into a chamber he had never shown me before. It was illuminated by the light of oil lamps and filled with round stones of varying sizes. We sat down at a small table. He opened up a cloth bag filled with small stones and poured them out onto the tabletop. They were round and light in color and each was engraved with what appeared to be ancient letters.

“What are they?” I asked.

“They are the *avanim*, he said, ***the weights of the balance***. And this is the Chamber of Measures. These were the measures and standards used in ancient times to determine values, weights, and quantities.” He then took out a second bag and emptied its contents on the table. “These look the same as the others, but they’re not. These are false measures and altered weights. The inscriptions have been changed so that they no longer match the weight of the stone. This one says shekel, but it weighs less than a shekel. It would be used by a corrupt merchant to make an item appear to be heavier or greater than it was. The merchant had redefined the measure to conform it to his will and desire.”

He picked up one of the stones and then continued. “Altered and falsified weights not only apply to merchants but also to corrupt

civilizations. When a civilization redefines its values, when it changes the meanings and definitions of reality away from YAHUAH Alahim (God) and away from the created order, when it alters the measures of morality, of right and wrong, to conform them to its will and desires, it is dealing in altered weights, false measures, deceptive balances. It is turning the objective into the subjective, and man into their own god.”

At that, he emptied another bag of weights onto the table and began reading their inscriptions. “This one says good, and on the other side evil. This one says Life, and on the other side Death. Another says Idol, and on the other side YAHUAH Alahim. Male and female . . . sacred and profane. This one says Marriage. And this one says Child in the Womb. Each of these once Sacred according to Scripture, have become altered weights, false measures, changed values, signs of corruption.”

“So how do you escape the corruption of altered weights?”

“Never bend the truth to fit your own will. Bend your will to fit and align with the truth as it is in Scripture. Never alter the Word of YAHUAH Alahim to conform Him to your image; alter your ways to the WORD and conform your life to the image of YAHUAH Alahim. Beware of false standards, and stay far from altered weights.”

Only One Just Set of Weights and Measures

In the grand scheme, our Creator has established **ONLY ONE JUST SET OF WEIGHTS AND MEASURES** (Deut. 25:14-16). **Its purpose is to guard you and me against the evil one and his end-time Mark of the Beast.** This just set of weights and measures has always existed from eternity past, present, and into the future. Our Creator changes not!

When it comes to fallen humanity on this earth, our Creator and Savior’s priority has always been about restoring and saving the souls of men and women. In His great love and compassion, He has made every possible effort to save all who have ever been born. “*For all are called, and yet few are selected.*” (Matt. 22:14). They are

not selected or chosen for His kingdom because they refuse Him and His STANDARD of weights and measures through their own choices.

Prayer: All praise to Yahuah and Yahusha for Your steadfast standard of weights and measures. May our hearts and minds be conformed to your will each day and not live according to our own terms, our own laws, our own beliefs, our own holy days of our own choosing. May we be restored by the renewing of our minds, that our actions follow, and that we may become a living testimony of your love in this world and the world to come. Amen.

Barak hashem Yahusha haMashiach! (*Bless the name of Yahusha the Messiah!*)
