

**Happy Rosh Hashanah (New Year's Day) and Full New Moon Day, all who worship Yahuah Alahim and Yahusha haMashiach on their Kadosh (set-apart) Lunar New Moons and Sabbaths!**

<https://www.youtube.com/watch?v=FUb6QjzvRXU>

Today is **Day One** of the Creator's authentic **First Lunar Month of the YEAR 5,994** although coincident with the Roman Gregorian calendar solar Sunday, **04-13-25**.

Rosh Hashanah is identified in Exodus 12:1-4 as the start of the year 14 days before Passover. All the Scripture's years are measured from spring to spring. Each month, it is an awe-inspiring sight to watch the full moon rise in the East and make its way along the east-west time continuum under our Creator's tireless direction. Then to see with your own eyes that moment when the sun's first rays shine forth to greet the descending full moon. They greet each other with a nod and agreement that

indeed, this moment, while both visible from opposite compass points, marks the start of the new lunar month. Honoring His New Moons as declared from His sacred Torah Law shows Him who desires to enter in through the pearly gates of His Eternal Kingdom government. I hope to see you all there! HalleluYah!

“Blessed are those who hear the joyful call to worship, for they will walk in the light of your presence, YAHUAH. They rejoice all day long in your wonderful reputation. They exult in your righteousness.”  
Psalms 89:15-16

## APPOINTING YOUR DAYS

By Jonathan Cahn

“We’ve spoken of the year before you,” said the teacher. “Today we will speak of the days before you. What will the days yet to come bring to your life?”

“How could I know that?” I replied. “I don’t really have a say in the matter.”

“But what if you did?”

“How?”

“It is written, *‘Teach us to number our days.’* What does it mean?”

“That our days are limited, and so it’s wise to number them”

“That’s correct,” he said, “And it’s the first meaning of the Scripture verse. But in the original language is a secret. And this secret can change your life, the days of your life. In the Hebrew it says, ‘Teach us to ***manah*** our days.’ The same word, *manah*, appears in the Book of Jonah where it is written that Yahuah Alahim ***manahs*** a fish, a worm, and the wind.”

“Then ***manah*** must mean more than number.”

“It does. It means to *prepare* and to *appoint*. So you must not only number your days, you must learn to *prepare* your days to *appoint* your days.”

“What does that mean?”

“It means that you’re not just to watch and wait passively to see what your days will bring. You are to prepare them.”

“How can I prepare my days before they happen?”

“How did the first days happen in the beginning? They didn’t just happen. Before they existed, Yahuah Alahim our Creator prepared them. He appoint them. He purposed them. So if you’re a child of His, you are called to do likewise.”

“How?”

“Prayer.”

“Praying for days that don’t yet exist?”

“Prayer isn’t only for what is, but for what is not yet.”

“But I can’t determine what will happen.”

“It doesn’t matter what happens. You appoint your days trusting Yahuah Alahim to bring what is good. You consecrate them for HIS PURPOSES. And then you use your days to accomplish those purposes. **Don’t let your days determine your life.**

**Let your life determine your days.** And don't just let your days go by. Prepare them, that they might become vessels of blessing and life. Appoint your days."

**The Mission:** Prepare the days ahead. Set them apart as He did. Commit them into Yahuah Alahim's hands and appoint them for the fulfilling of His purposes. Psalms 90:12 and Acts 19:21

I have found many of these to be worthy to share and will make additional comments on them as needed. Those teachings not supported by Scripture that don't meet the mark on any level are not shared or posted. **We are not followers of Jonathan Cahn, as there are many beliefs we don't hold in common. However, these are shared that you too may be barakah (blessed) by the wisdom of "The Teacher."**]

## ***Road to Zion***

*[Based on Psalm 84:5-7]*

There is a WAY that leads to LIFE,  
The few that find it never die.  
Past mountain peaks graced white with snow,  
The WAY grows brighter as it goes.

There is a road inside of you,  
Inside of me there is one too.  
No stumbling pilgrim in the dark,  
The road to Zion's in your heart.  
The road to Zion's in your heart.

The river runs beside the road,  
Its waters living as they flow.  
In liquid voice the water calls,  
On thirsty knees the pilgrim falls.

There is a road inside of you,  
Inside of me there is one too.  
No stumbling pilgrim in the dark,  
The road to Zion's in your heart.  
The road to Zion's in your heart.

Sometimes a shadow dark and cold,  
Lays like a mist across the road.  
But be encouraged by the sight,  
Where there's a shadow, there's a light.

There is a road inside of you,  
Inside of me there is one too.  
No stumbling pilgrim in the dark,  
The road to Zion's in your heart.  
The road to Zion's in your heart.

Sometimes it's good to look back down,  
We've come so far - we've gained such ground.  
But joy is not in where we've been,  
Joy is who's waiting at the end.

There is a road inside of you,  
Inside of me there is one too.  
No stumbling pilgrim in the dark,  
The road to Zion's in your heart.

No stumbling pilgrim in the dark,  
The road to Zion's in your heart.  
The road to Zion's in your heart.  
The road to Zion's in your heart.

Barak hashem Yahusha haMashiach! (*Bless the name of Yahusha the Messiah!*)
