

Shabbat Shalom, all who worship Yahuah Alahim and Yahusha haMashiach on their Kadosh (set-apart) New/Renewed Moons, Lunar Sabbaths, and Feast Days according to the full moon as the start of His lunar months!

<https://www.youtube.com/watch?v=FUb6QjzvRXU>

Today is the 15th **day** of our Creator's **First Lunar Month** count, in which the year begins in the spring. It is also the authentic **second lunar Sabbath of the month**. It looks like **01-15-5994**. It coincides with the Roman Gregorian calendar planetary date of *Sunday, 04-27-2025*.

Our Creator placed His full moon beacon as the original New Moon and the start of His months, high above for all to see. All praise to Yahuah Alahim for His steadfast love and compassion for His children and His patience in restoring His lost truths in preparation for the Second Coming of His Son, Yahusha haMashiach (the Messiah). Simply because the full moon as New Moon, with its count to Lunar Sabbaths and annual Feast Days, is not popular among the Rabbinical Pharisee Jews or the Romanized Christian churches today, does in no way diminish its **LIGHT OF TRUTH** shining from the pages of Scripture and His Eternal Throne. Only Yahuah's

Ruach (power, presence, and provision) gives those who seek Him with all their hearts “*eyes to see and ears to hear.*” Ask Him today to reveal His New Moon and lunar Sabbath to you and see how your life will change as your soul temple is synchronized to His for all eternity.

“Blessed are those who hear the joyful call to worship, for they will walk in the light of your presence, Yahuah. They rejoice all day long in your wonderful reputation. They exult in your righteousness.”
Psalms 89:15-16

I have found many of these to be worthy to share and will make additional comments on them as needed. Those teachings not supported by Scripture that don’t meet the mark on any level are not shared or posted. **We are not followers of Jonathan Cahn, as there are many beliefs we don’t hold in common. However, these are shared that you too may be barakah (blessed) by the wisdom of “The Teacher.”**]

Three Days and Three Nights

Sign of Yonah (Jonah) Riddle Solved

(All Four Gospels Compared)

Prayer: Gracious Father, Yahuah, in the name of your Son, Yahusha, we thank You for the miraculous love You have shown us through the sacrifice and resurrection of Yahusha haMashiach.

We praise You for fulfilling the SIGN of Jonah, spending three literal days and three literal nights in the heart of the earth as You promised (Matt 12:40). Yahuah, we marvel at how this time-centric SIGN reveals Your sovereign mastery over day and night, sunrise to sunset, and the four watches of the night.

Thank You for restoring the original time-system You ordained at creation, where days are measured by daylight and nights by Your appointed watches. We rejoice that, by rightly dividing the Greek words and honoring Your Creator's astro-luni-solar calendar, the riddle of these three days and nights shines forth in truth.

We lift our voices in gratitude for the interlinear illumination across all four Gospels that aligns every sunrise and sunset with the story of our redemption.

Thank You for Your reformation of truth, lifting the veil of Roman and human traditions, and guiding us back to the authentic rhythms of Your sanctuary. We are humbled by the precision of Your eternal calendar, where full moons mark new months and sacred weeks begin in the glory of spring.

We acknowledge that for centuries scholars wrestled in darkness, but now Your pragmatic revelation breaks through with clarity and hope. We celebrate the dawn at the end of the sixteenth day—the “dawn” or fourth watch of the night—when our Messiah burst forth from the tomb in undeniable triumph.

Father, we honor the sacred boundary of Your Sabbath, defined by daylight from sunrise to sunset, as a gift of rest and remembrance of Your redemptive work. Thank You for knitting together creation's timepiece in the heavens with the rhythm of our worship on earth, uniting all who adore You beyond any human framework.

May the truth of these time-centric facts inspire us to live each moment in gratitude and align our hearts with Your sovereign design. Empower us, O Yah, to proclaim

boldly that the day begins with Your light and that Your calendar of grace governs our every step. In the name of Yahusha haMashiach, whose death and resurrection conquered sin and time itself, we give You glory and thanks forever. Amen.

Barak hashem Yahusha haMashiach! (*Bless the name of Yahusha the Messiah!*)
