

Shabbat Shalom, all who worship Yahuah Alahim and Yahusha haMashiach on their Kadosh (set-apart) New/Renewed Moons, Lunar Sabbaths, and Feast Days according to the full moon as the start of His lunar months!

<https://www.youtube.com/watch?v=FUb6QjzvRXU>

Today is the **29th day** of our Creator's **Second Lunar Month** count, in which the year begins in the spring. It is also the authentic **fourth lunar Sabbath of the month**. It looks like **03-29-5995**. It coincides with the Roman Gregorian calendar planetary date of *Sat, 05-30-2026*.

Our Creator placed His full moon beacon as the original New Moon and the start of His months, high above for all to see. All praise to Yahuah Alahim for His steadfast love and compassion for His children and His patience in restoring His lost truths in preparation for the Second Coming of His Son, Yahusha haMashiach (the Messiah). Simply because the full moon as New Moon, with its count to Lunar Sabbaths and annual Feast Days, is not popular among the Rabbinical Pharisee Jews or the Romanized Christian churches today, does in no way diminish its LIGHT OF TRUTH shining from the pages of Scripture and His Eternal Throne. Only Yahuah's

Ruach (power, presence, and provision) gives those who seek Him with all their hearts “eyes to see and ears to hear.” Ask Him today to reveal His New Moon and lunar Sabbath to you, and see how your life will change as your soul temple is synchronized to His for all eternity.

THE HEBREW TEMPLE

THE ALTAR OUTSIDE THE HOLY PLACE

By Jonathan Cahn

“A question,” said the teacher. “Salvation is the reconciliation of YAHUAH Alahim *God* and man, heaven and earth. So why couldn’t it have taken place in heaven instead of on earth?”

“A good question,” I said. “But I have no idea.”

“The Tabernacle, the Tent of Meeting, represented that reconciliation in the realm of symbols. Its most sacred part was the Holy of Holies, inside of which rested the Ark of the Covenant and where the glory of Alahim (God) resided. Outside the tent was the court. In the midst of the court was the brazen altar. It was on that altar that the sacrifice was slain. So which part of the Tabernacle represents Alahim’s dwelling, and heaven?”

“The Holy of Holies.”

“Yes,” said the teacher. “The Holy of Holies even represents Alahim’s throne in heaven. And which part of the Tabernacle represents man’s dwelling, earth?”

“The courtyard?”

“Yes. The courtyard was the place farthest away from the Holy of Holies, just as earth is far removed from heaven. The court was the place where sin was dealt with...the place of the blood sacrifice and death...where the sacrifice would be led to the altar and be slain. Because sin & sinners could never exist in the Holy of Holies, it had to be dealt with outside the tabernacle tent, in the courtyard.

“That’s the answer,” I said. “Salvation’s sacrifice could never have taken place in heaven, because heaven is the Holy Place. Sin and death, as signs of corruption, can neither dwell nor exist in the Holy of Holies. So the sacrifice could only take place outside of heaven. Sin had to be dealt with outside of heaven, in heaven’s

outer courtyard...earth. Earth is the place of sin and the place of death. And only in a place of sin and death could the sin be borne and the sacrifice be killed.

That's why the altar must be outside the Holy of Holies. That's why the sacrifice must die and pay the debt of sin outside. And that's why He had to come into this world. Because it was only here that He could bear our sins... and only here that He could die for them. The altar could only be set up on earth. So the Messiah came to the world to be slain on the altar of the outer court... outside the holy place and the gates of heaven... that we might one day leave this place of sin and death and at the Second Coming enter in [to the Holy of Holies]. [Therefore, earth had to be the place of the anointed Messiah's *first coming* as the Lamb slain from its very foundations. And it will be the place of His Second Coming, for all those who received His free gift of Salvation through humble confession and forgiveness.] And then after the 1,000 years in heaven, we are promised that the earth will be made new. It will be restored to its former glory, but then will the Holy of Holies be moved to earth, where all will dwell in perfect harmony.

“He who overcomes, I will make him/her a pillar in the temple of My Alahim (God), and he/she shall go out no more. I will write on him/her the name of My Alahim and the name of the city of My Alahim, **the New Yarushalom, which comes down out of heaven from My Alahim.** And I will write on him My new Name.” Revelation 3:12

“**Then I, John, saw the holy city, New Jerusalem, coming down out of heaven from Alahim (God), prepared as a bride adorned for her husband.**” Revelation 21:2

The Mission: You dwell in heaven's outer court, the place of the sacrifice. Therefore, the life you live here must be one that receives His sacrifice unto Salvation through humble confession and forgiveness.

The Count of Shabuot

A Fresh Look

Leviticus 23:15, 16, and 21

For generations, the Count to Shabuot, also known as the Feast of Weeks or Pentecost, has been understood through two dominant traditions. Within the Christian framework, it is widely taught as a simple count of fifty consecutive days, measured with the continuous weekly cycle of the modern Roman calendar. But in ignoring the moon as a factor, where will their count begin? In contrast, Rabbinical Judaism maintains a partially lunar-based reckoning, yet continues to rely upon the

modern continuous weekly cycle, counting seven weeks that include both their conjunction New Moon Days and the transitional thirtieth day into that sequence. Consequently, the Feast is fixed to a predetermined date, the sixth day of the third lunar month, derived from a continuous count that includes all days without distinction: work days, Sabbaths, New Moon Days, and transitional days.

Yet when the Hebrew text of Scripture is examined carefully, word by word, line upon line, an entirely different pattern begins to emerge.

This study invites you to step beyond inherited assumptions and into the text itself. Through a detailed interlinear analysis of Leviticus 23:15–16, 21, supported by multiple Hebrew lexicons, we will examine whether the traditional fifty-day count truly reflects the Creator's design, or whether critical elements have been overlooked, obscured, or even altered over time. Prayer:

Heavenly Father YAHUAH,

We thank You for the priceless gift of salvation, made possible
through Yahusha the Messiah, who willingly left the
glory of heaven and entered this world of
sin and death to become the perfect
sacrifice on our behalf.

Help us never to forget that the altar was set upon the earth because it
was here that our debt must be paid and our reconciliation
secured through His shed blood.

Grant us humble hearts that daily receive His sacrifice through confession,
repentance, forgiveness, and faithful obedience as
we walk in the light of Your truth.

As we dwell for a little while longer in this world's outer court,
prepare us to enter Your everlasting presence at Yahusha's
glorious return and to inherit the New Jerusalem.

Write upon our hearts Your sacred Name, and keep us faithful

until the day we stand before You in perfect
harmony and everlasting peace.

Barak hashem Yahusha haMashiach!
(Bless the name of Yahusha the Messiah!)
