

Happy New Moon Day to all who worship Yahuah Alahim and Yahusha haMashiach on their Kadosh (set apart) Lunar New Moons and Sabbaths!

<https://www.youtube.com/watch?v=FUb6QjzvRXU>

Today is **Day One** of the Creator's authentic **Third Lunar Month** in which the year begins in the spring. It looks like **03-01-5995**. It coincides with the Roman Gregorian solar calendar *Mon, 06-01-2026*.

Each month, it is awe-inspiring to watch the full moon rise in the East and make its way along the east-west time continuum under the Creator's tireless direction. Then, see with your own eyes that moment when the sun's first rays shine forth to greet the descending full moon before it sets in the west. They greet each other with a nod and agreement that this moment, while visible from opposite coordinates together, marks the start of the new lunar month. Honoring His New Moons, as declared from His sacred Torah Law, shows Him who desires to enter through the pearly gates of His Eternal Kingdom government. I hope to see you there! HalleluYah!

“Blessed are those who hear the joyful call to worship, for they will walk in the light of your presence, YAHUAH. They rejoice all day long in your wonderful reputation. They exult in your righteousness.”
Psalms 89:15-16

THE MAZMERAH

By Jonathan Cahn

We were watching one of the gardeners at work, trimming the branches of a fruit tree.

“Do you see what he’s using?” asked the teacher. “In the Hebrew Scriptures, it’s called the *Mazmerah*, the *pruning hook*. He’s pruning the branch. Do you know why?”

“Tell me.”

“A tree,” he said, “has a limited amount of resources and energy to distribute to its branches. If a branch becomes unfruitful, it will hinder the tree’s overall health and its ability to bear fruit. It will drain the tree’s resources. So the purpose of pruning is to remove the unfruitful branch or that which is hindering the tree from fruitfulness. Pruning allows the tree to redirect its resources to the healthy and fruitful branches and thus to become even more fruitful.”

“And if one is not a gardener,” I said, “how does this apply?”

“Your life in Yahuah Alahim (God) is a branch, a branch of His life, a conduit of His blessings. And just as any gardener must prune that which is unfruitful, so it is written that Yahuah Alahim must also prune His branches to allow them to bear the fruit they were meant to bear.”

“How does that translate into life?”

“To a tree being pruned, the process of pruning takes on the appearance of loss. So every child of Yahuah in this life will experience what appears to be a loss. Some things will pass from your life; others will be taken. They will appear to you as losses. But they will not be. The purpose of pruning is not to harm the tree, but just the opposite. It is to allow the tree to bear the fruit it was meant to bear. So too in your life with Yahuah Alahim (God).

When you experience losses, they will not be for your harm. Every loss will be redeemed. Each will be used to cause you to become what you were made to be. So don't dwell on what was and is no more. Dwell on that which is yet to come, the purposes of Yahuah Alahim (God), and the fruit that is yet to be brought forth. For the Mazmerah, the pruning hook of Yahuah, only touches the branch of His caring, and then only for one purpose, that it might allow, cause you, and enable you to bear the fruit for which your life from the beginning was created to bring forth.”

The Mission: What losses have you known in your life? Yahuah Alahim has used and will use them to bring good and new life. Do likewise. Use them for good. *Psalms 92:13-14; John 15:1-5*

Kerrie's Korner

The real battle, like a tug-of-war, is waged between Satan and our Messiah, and the stakes are you and me. Strikingly, we have the deciding vote. Because of His great LOVE, our Messiah died for us, but Satan did no such thing. He is all about lies, fake news, and tricking people into following him. Now is the time for each of us to fall on our knees and pray for this country. Pray for those who are currently feeling that life has treated them unfairly. Pray that all of us will look up and seek the face of Yahusha, our Messiah, and recognize some aspect of His loving

mazmerah, His pruning hook, aimed at bringing about change in hearts toward Him and others.

We have a loving Eternal Father who sent His Son into this wicked world to do the seemingly impossible, to redeem broken, sinful, and reprobate mankind from the clutches of Satanic power. Nothing has changed! He died for all!

Now our focus must be on trusting Him and sharing this truth in love to all who will hear that they may one day soon experience the great joy of DELIVERANCE as they enter in at the East Gate and shout, “HEAVEN IS CHEAP ENOUGH!!!”

Prayer:

Heavenly Father, Yahuah Alahim,
In the Name of Your Son, Yahusha,
We thank You for Your loving care, even when Your mazmerah,
Your pruning hook removes things from our
lives that we do not understand.
Grant us the faith to trust that every loss surrendered into Your
hands can be transformed into greater fruitfulness,
deeper character, and a closer walk with
Yahusha, our Messiah.
Help us not to dwell upon what has passed away, but to look
forward with hope to the good purposes, You are
accomplishing through every trial and
every season of change.
Strengthen those who feel wounded, discouraged, or treated
unfairly, that they may recognize Your hand at
work, drawing them toward healing,
repentance, and restoration.
May our lives bear abundant fruit for Your Kingdom, and may we
faithfully share the good news of Your redeeming love

until that glorious day when we enter through the
everlasting gates with joy and thanksgiving;
in Yahusha's Name, Amen.

Barak hashem Yahusha haMashiach!
(Bless the name of Yahusha the Messiah!)
