

Shabbat Shalom, all who worship Yahuah Alahim and Yahusha haMashiach on their Kadosh (set-apart) New/Renewed Moons, Lunar Sabbaths, and Feast Days according to the full moon as the start of His lunar months!

Today is the **8th day** of our Creator's **Third Lunar Month** count, in which the year begins in the spring. It is also the authentic **first lunar Sabbath of the month**. It looks like 03-08-5995. It coincides with the Roman Gregorian calendar planetary date of *Mon, 06-08-2026*.

Our Creator placed His full moon beacon as the original New Moon and the start of His months, high above for all to see. All praise to Yahuah Alahim for His steadfast love and compassion for His children and His patience in restoring His lost truths in preparation for the Second Coming of His Son, Yahusha haMashiach (the Messiah). Simply because the full moon as New Moon, with its count to Lunar Sabbaths and annual Feast Days, is not popular among the Rabbinical Pharisee Jews or the Romanized Christian churches today, does in no way diminish its LIGHT OF

TRUTH shining from the pages of Scripture and His Eternal Throne. Only Yahuah’s Ruach (power, presence, and provision) gives those who seek Him with all their hearts “eyes to see and ears to hear.” Ask Him today to reveal His New Moon and lunar Sabbath to you, and see how your life will change as your soul temple is synchronized to His for all eternity.

Remphan, Chiun, Saturn, and the Legacy of *Saturday* Worship

Few subjects generate more discussion among students of Scripture than the origin of the modern weekly cycle and the names assigned to its days. While most worshipers have never questioned why the seventh day is called *Saturday*, the Scriptures contain several intriguing references that invite closer examination. Among these are the names Chiun and Remphan, two terms associated with celestial worship and linked by many scholars to the planet Saturn.

The prophet Amos issued a solemn warning to ancient Israel for adopting forms of worship borrowed from the surrounding pagan nations, including “Chiun ... the star of your god” (Amos 5:26).

Centuries later, Stephen repeated the same rebuke before the Sanhedrin, referring to “the star of your god Remphan” (Acts 7:43).

The connection between **Chiun and Remphan** has long been recognized. Numerous historical and linguistic studies identify both names with **Saturn**, one of the most prominent celestial deities of the ancient world. The **worship of Saturn** spread throughout Babylon, Assyria, Egypt, Greece, and ultimately Rome, where the seventh day became known as *dies Saturni*, the Day of Saturn, from which the English name *Saturday* is derived. Song: Create in Me a Clean Heart (Psalm 51:10) Prayer Song ~ miYAH

<https://www.youtube.com/watch?v=FCuhvGBWS6o>

Prayer:

Dear Heavenly Father, Yahuah Alahim,
Open our eyes to discern the difference between sincere
tradition and the worship pattern You
established from the beginning.
Teach us to examine all things by the light of Scripture,
that we may not unknowingly carry forward practices
rooted in the worship of false gods.
Lead us away from every form of celestial devotion that
has been mingled with Your truth, including the
legacy of Saturn worship hidden
beneath the name Saturday.
Draw our hearts back to Your appointed times, Your true
Sabbaths, and the sacred rhythm revealed
through Your Word and creation.
May our worship honor Yahusha haMashiach in spirit
and in truth, restoring what was forgotten and
walking faithfully in the light You have
mercifully revealed.

Barak hashem Yahuah haMashiach!
(Bless the name of Yahuah the Messiah!)
