

Happy New Moon Day to all who worship Yahuah Alahim and Yahusha haMashiach on their Kadosh (set apart) Lunar New Moons and Sabbaths!

<https://www.youtube.com/watch?v=FUb6QjzvRXU>

Today is **Day One** of the Creator's authentic **Fourth Lunar Month**, in which the year begins in the spring. It looks like **04-01-5995**. It coincides with the Roman Gregorian solar calendar *Tues, 06-30-2026*.

Each month, it is awe-inspiring to watch the full moon rise in the East and make its way along the east-west time continuum under the Creator's tireless direction. Then, see with your own eyes that moment when the sun's first rays shine forth to greet the descending full moon before it sets in the west. They greet each other with a nod and agreement that this moment, while visible from opposite coordinates together, marks the start of the new lunar month. Honoring His New Moons, as declared from His sacred Torah Law, shows Him who desires to enter through the pearly gates of His Eternal Kingdom government. I hope to see you there! HalleluYah!

“Blessed are those who hear the joyful call to worship, for they will walk in the light of your presence, YAHUAH. They rejoice all day long in your wonderful reputation. They exult in your righteousness.”
Psalms 89:15-16

THE FOUR CORNERS OF THE ALTAR

Jonathan Cahn

The teacher led me into something of a hidden valley, small and hedged in by low-lying mountains on all sides. In the middle of the valley was a rectangular object, about seven feet across and about four feet high.

“What is it?” I asked.

“It’s an altar,” he replied, “an altar of sacrifice, a model of the brazen altar that stood in the Temple courts. Note the horns at its corners. The sacrifice would be tied to the horns, bound to the four directions of the four corners of the altar ...as it is written in Psalms 118: ‘Bind the sacrifice with cords to the horns of the altar.’ It’s from the same song that Messiah and His disciples sang at the end of the Last Supper.”

“So they sang a song about the sacrifice on the altar the night before He would be offered up ...as a sacrifice ...but not on the altar.”

“But it was on the altar,” he said. “In Hebrew, the word for altar is *mizbayakh*. It means an instrument of slaughter by which a sacrifice was lifted up. Come.” He led me to the other side of the valley, on which there stood another object behind a ridge in the mountain that obscured it. It was a large wooden cross, looking less like a religious object than an instrument of execution.

“Another altar,” he said, “of another sacrifice. The altar in the Temple was an object of four directions. So too the altar of Messiah was an object of four directions.”

“But the altar had four corners. I don’t see any corners on the cross.”

“Yes,” said the teacher, “the altar of sacrifice must have four corners. And it does. You’re just not seeing it. You’re looking for four corners pointing outward and framing the space within it, as on the rectangle of the brazen altar. But this is heaven’s sacrifice and heaven’s altar. The four corners of this altar are opposite. They point inward and frame the space outside.”

And that's when it hit me as I stared at the beams. **“I see it now! The four corners are those of a rectangle turned inside out, converging on Him. And the space they frame ... is the sky.”**

“The four corners of the Temple altar contained a finite space. But the space contained by these four corners is infinite ...it frames the universe ... to cover ever ground, every circumstance, every sin, every burden, every problem, every guilt, every pain, every fear, every shame, every heart, and every moment of every life ...just as the life it sheds and the love it bears are infinite ...It's the altar of infinity.”

The Mission: Ponder this truth: The love of Yahuah Alahim (God) is bigger than the universe, stronger than evil, and longer than time. In that, overcome all that you must overcome. *Exodus 40:6; Psalms 118:27; Galatians 6:14; Hebrews 13:10*

Disclaimer: *“The Book of Mysteries” by Jonathan Cahn presents a series of lessons he attributes to “The Teacher” in the land of Yasharal (Israel). While we do not affirm all of Cahn's interpretations or theological positions, we welcome the insights that harmonize with Scripture.*

Song: **I Will Carry You (Isaiah 46:4) ~ Messianic Worship Song**

Prayer:

Dear Yahuah Alahim,
thank You for the infinite love revealed through Yahusha Your Son,
whose sacrifice reaches beyond every boundary,
burden, sin, fear, and shame.

Bind my heart to the truth of that altar, where heaven's mercy was lifted up
and Your love framed not merely a place,
but the whole universe.

Teach me to see the cross not as defeat, but as the eternal witness that Your
love is stronger than evil, deeper than pain,
and longer than time.

Help me overcome all that stands before me by resting in the finished
work of Messiah and trusting the power
of His redeeming blood.

May I glory only in the sacrifice of Yahusha, and walk forward in
gratitude, courage, and holy surrender.

Barak hashem Yahusha haMashiach!
(Bless the name of Yahusha the Messiah!)

New Moon Day

The day Morning and Evening Converge and become balanced in the heavens. The only day the sun is seen in the east rising and in the west the Bright Full Moon before it's setting, their lights upon the earth as in the beginning where it says in Genesis 1:15 17

And let them be for lights in the firmament of the heaven to give light upon the earth: and it was so.

And to rule over the day and over the night, and to divide the light from the darkness: and Yahuah saw that it was good.

Our Head Yahuah gave to us when He gave us our New Beginning before leaving Egypt when He said in Exodus 12:2

This month shall be unto you the beginning of months: it shall be the first month of the year to you.

*It is this balance according to Yahuah, His Pattern written in the heavens, spoken about in Scripture, Yahuah uniting His Children each month into His Numbering of days His Order we are learning to number our days, coming into His Feasts and Festivals and Sabbaths His Way,
not ours!*

Downward & Underneath

“And they [Yashar’al] will forget all My TORAH [Law] and all My commandments and all My judgments, and will go astray as to New Moons, and Sabbaths, and Festivals, and Jubilees, and ordinances. And after this they [believers] will turn to Me from amongst the gentiles (goyim) with all their heart and with all their soul and with all their strength and I will gather them from amongst all the gentiles, and they will seek me, so that I shall be found of them, when they seek me with all their heart and with all their soul. And I will disclose to them abounding peace with righteousness, and I will remove them, the plant of uprightness, with all My heart and with all My soul, and they shall be for a blessing and not for a curse and they shall be of the ROSH (HEAD) and not of the ZANAB (TAIL END). And I will build My sanctuary in their midst, and I will dwell with them, and I will be their Alahim and they shall be My people in truth and righteousness. And I will not forsake them nor fail them, for I am Yahuah their Alahim.”

Book of Jubilees 6:34-38

“And Yahuah ordained you, for the HEAD (Rosh) and not for the TAIL END (zanab), but pertain only to the upward and overhead OF HER [the full New Moon], you shall not pertain to the downward and underneath [dark/crescent]. Surely, you shall obey according to the commandments of Yahuah your Alahim, which I charge you this day to observe and to do them.” Deuteronomy 28:13
