

Shabbat Shalom, all who worship Yahuah Alahim and Yahusha haMashiach on their Kadosh (set-apart) New/Renewed Moons, Lunar Sabbaths, and Feast Days according to the full moon as the start of His lunar months!

<https://www.youtube.com/watch?v=FUb6QjzvRXU>

Today is the **22nd day** of our Creator's **Fourth Lunar Month** count, in which the year begins in the spring. It is also the authentic **third lunar Sabbath of the month**. It looks like **04-22-5995**. It coincides with the Roman Gregorian calendar planetary date of *Tues, 07-21-2026*.

Our Creator placed His full moon beacon as the original New Moon and the start of His months, high above for all to see. All praise to Yahuah Alahim for His steadfast love and compassion for His children and His patience in restoring His lost truths in preparation for the Second Coming of His Son, Yahusha haMashiach (the Messiah). Simply because the full moon as New Moon, with its count to Lunar Sabbaths and annual Feast Days, is not popular among the Rabbinical Pharisee Jews or the Romanized Christian churches today, does in no way diminish its LIGHT OF

TRUTH shining from the pages of Scripture and His Eternal Throne. Only Yahuah's Ruach (power, presence, and provision) gives those who seek Him with all their hearts "eyes to see and ears to hear." Ask Him today to reveal His New Moon and lunar Sabbath to you, and see how your life will change as your soul temple is synchronized to His for all eternity.

“Blessed are those who hear the joyful call to worship, for they will walk in the light of your presence, Yahuah. They rejoice all day long in your wonderful reputation. They exult in your righteousness.”
Psalms 89:15-16

ALAHIM ON THE BLUE PLANET

Jonathan Cahn

It was evening. We sat on a hill overlooking the school. The stars appeared particularly bright and clear that night.

“Imagine,” said the teacher, “that we came from somewhere out there in the universe. And we heard that the Son of Yahuah, the Creator of the universe, had visited this one particular planet, this blue planet... Earth. Imagine we heard it reported that He walked among its people as one of them. And so we came to find out which life it was that He lived. How would we find that Person?”

“He would have the nature of His Father,” I said. “He would be the epitome of goodness. He would be holy, righteous, loving. And He would be humble, because humility is part of goodness. And He would exist to do good. His life would be about giving of Himself. His life would be a gift. It would answer the needs of man and give life to everyone it touched.”

“What else would it be?” he asked.

“It would have to be a unique life, the most unique life. It would have the greatest impact on this world of any life. It would be like a rock thrown onto the waters of a

lake. It would cause reverberations throughout the world...throughout time. It would change the course of history and the world.”

“And would everyone love and praise this life?” he asked.

“No,” I replied. “Since it was a fallen world, He would be both loved and hated. The forces of darkness would be against Him. He would become the focal point of all evil. And being the incarnation of good, He would have to come against evil. And being the Son of Alahim, He would have to overcome it...If He came down to earth, then His life would have to become the most central life ever lived on this planet.”

“So,” said the teacher, “if Son of Alahim were to come down to this planet...then He has already come down to this planet. That’s something to celebrate. And how incredible that we could even come to know such a One...and that such a One would call us friend. And if we should have the life of that One inside of us, then...”

“What kind of lives should we be living?” I said. “Lives of goodness and holiness, lives of giving and selflessness, and answers the needs of those around us, that goes against the flow of this world, and that overcomes evil, and that makes a difference for having been lived.”

“Yes,” said the teacher. “So live that life...as if the life of Alahim was, through your life, walking among us on the blue planet...and it will be so.”

The Mission: Make it your aim this day to live the life of Alahim in this world. Live to bless, to fill, to save, to overcome, and to change the world. *John 15:14-16; Ephesians 1:20-21; Colossians 1:10-11; Hebrews 13:8.*

Disclaimer: *“The Book of Mysteries” by Jonathan Cahn presents a series of lessons he attributes to “The Teacher” in the land of Yasharal (Israel). While we do not affirm all of Cahn’s interpretations or theological positions, we welcome the insights that harmonize with Scripture.*

(As I sing along, it has become my habit to change out all the replacement names for Yah, Yahuah, Yahusha, or Alahim, as the song requires.)

Prayer:

Dear Yahuah Alahim,
thank You for sending Yahusha to walk among us
and reveal Your goodness, holiness,
humility, and love.
Place His life within us so that our words and actions
may bring hope, healing, and

blessing to those around us.
Teach us to live selflessly, to stand against darkness,
 and to overcome evil through
 righteousness and truth.
May our lives reflect the presence of Yahusha on
 this blue planet and make an eternal
 difference for having been lived.
Strengthen us each day to bless, restore, save,
 and faithfully fulfill the purpose
 for which You have called us.

 Barak hashem Yahusha haMashiach!
(Bless the name of Yahusha the Messiah!)
