

Shabbat Shalom, all who worship Yahuah Alahim and Yahusha haMashiach on their Kadosh (set-apart) New/Renewed Moons, Lunar Sabbaths, and Feast Days according to the full moon as the start of His lunar months!

<https://www.youtube.com/watch?v=FUb6QjzvRXU>

Today is the **22nd day** of our Creator's **Fifth Lunar Month** count, in which the year begins in the spring. It is also the authentic **third lunar Sabbath of the month**. It looks like **05-22-5995**. It coincides with the Roman Gregorian calendar planetary date of *Thurs, 08-20-2026*.

Our Creator placed His full moon beacon as the original New Moon and the start of His months, high above for all to see. All praise to Yahuah Alahim for His steadfast love and compassion for His children and His patience in restoring His lost truths in preparation for the Second Coming of His Son, Yahusha haMashiach (the Messiah). Simply because the full moon as New Moon, with its count to Lunar Sabbaths and annual Feast Days, is not popular among the Rabbinical Pharisee Jews or the

Romanized Christian churches today, does in no way diminish its LIGHT OF TRUTH shining from the pages of Scripture and His Eternal Throne. Only Yahuah's Ruach (power, presence, and provision) gives those who seek Him with all their hearts "eyes to see and ears to hear." Ask Him today to reveal His New Moon and lunar Sabbath to you, and see how your life will change as your soul temple is synchronized to His for all eternity.

*It shall be established forever like the moon,
Even like the trustworthy witness in the sky. Psalms 89:37*

"Blessed are those who hear the joyful call to worship, for they will walk in the light of your presence, Yahuah. They rejoice all day long in your wonderful reputation. They exult in your righteousness."
Psalms 89:15-16

The following poem has been designed as a Bible study in lyrical form, drawing directly from Scripture wherever the biblical record speaks and turning to documented history only where Scripture is silent. Each featured section is followed by a related article at **TheCreatorsCalendar.com**, allowing the reader to explore the evidence and biblical foundations in greater depth. This study concludes with the theme song, *“While You Were Sleeping,”* which brings the central message together in music and reflection.

While All the World Slumbered

While you were sleeping, time passed quickly by,
First, the sun, then the moon, and all the stars in the sky.

Celestial bodies revolving, ever onward to show,
His magnificent timepiece, from its EAST to WEST flow.

Matthew 25:5; Genesis 1:14-18; Psalms 19:1-3; Psalms 97:6-7.

“The East-West Time Continuum.”

Placed in the heavens, at the Creator’s command,
They brought joy and harmony, throughout the whole land.

If this weren't enough, He portioned the moon's light,
For lunar years, lunar months, and lunar Sabbaths delight.
Genesis 1:14-18; 1 Chronicles 23:3-32; Exodus 12:1-3; Ezekiel 46:1; Isaiah 66:23; Psalms 81:3.

“The Fourth Day of Creation.”

Each light in its place, as the hands of a clock,
His trustworthy witness, Scripture's mysteries unlock.
Neither fame nor fortune, these tidings designed,
But to declare YAH's faithful, among those of mankind.
Psalms 89:37; John 11:9; Revelation 12:1.

“He Ordained the Full Moon for Appointed Times.”

Yah's first week in Genesis, contains two kinds of days,
Six work days, one Sabbath, configured no other way.
His lunar months contain three kinds, surprising to most,
breaking four-weekly cycles, with each New Moon signpost.

Genesis 1, Ezekiel 46:1,3, Psalms 89:37, Isaiah 66:23,

Psalms 104:19, Leviticus 23:1-44

Three Kinds of Days Chart

He set for a sign, His Sabbath with care,
To be counted from New Moons, high up in the air.
The *full* moon that's seen, tells us Sabbath's the eighth,
The fifteenth, twenty-second, and twenty-ninth is the date.
Exodus 12:1-3; 16; 19; 1 Chronicles 23:3-32; Numbers 10:10; Numbers 28:14; Psalms 19:1-3; Psalms 97:6-7; Genesis 1:14-18; 1 Samuel 20:5; 2 Kings 4:23; Psalms 81:3; Isaiah 66:23; Ezekiel 46:1-3; Amos 8:5, “Sabbath's Consistent Lunar Month Dates;” “Sabbath, the Fruit of the Tree of Time.”

In the third generation, after Noah's Ark came to rest,
Nimrod's astrologers altered time, as they were possessed,
From the full moon to the dark, the occult was then born,
Babel's tower erected, for YAH'S *mo'edim** they did scorn.

All is not lost now, erroneous beliefs mankind links,
For during times of our ignorance, our Father literally winks.

Song: While You Were Sleeping ~ TheCreatorsCalendar.com

<https://suno.com/song/b5a40e3d-30f4-4c84-91a6-672be2e75a51>

Kerrie's Korner:

Samuel Kaara, our beloved Evangelist in Kenya, reported that the Crusade has ended with many in attendance each afternoon. There were five baptisms and many more interests. Please keep these folks in prayer as Samuel has stayed in this town to continue to give Bible studies and prepare hearts for a decision. One man in attendance was so blessed that he donated a quarter acre of land to be used for The Creator's Calendar Restoration Ministry. Our Father Yahuah certainly knows how to open doors where faith is involved.

Prayer:

YAHUAH, awaken our hearts to hear Your voice and recognize
the heavenly signs You established from Creation, that
we may walk faithfully in Your appointed times
rather than sleep through the
truths You are restoring.

Give us discernment to turn from inherited error, courage
to follow the Lamb wherever He leads, and oil
in our lamps that we may be found ready
when the Bridegroom comes.

Keep us humble, watchful, and obedient, that Your light
may guide us into covenant faithfulness, salvation,
and the joy of dwelling eternally
in Your presence.

Barak hashem Yahusha haMashiach!
(Bless the name of Yahusha the Messiah!)
