

Shabbat Shalom to all who worship Yahuah Alahim and Yahusha haMashiach on their Kadosh (set-apart) New/Renewed Moons, Lunar Sabbaths, and Feast Days according to the full moon as the start of His lunar months!

<https://www.youtube.com/watch?v=FUb6QjzvRXU>

Today is the **8th day** of our Creator's **Sixth Lunar Month** count, in which the year begins in the spring. It is also the authentic **first lunar Sabbath of the month**. It looks like **06-08-5995**. It coincides with the Roman Gregorian calendar planetary date of *Fri, 08-04-2026*.

Our Creator placed His full moon beacon as the original New Moon and the start of His months, high above for all to see. All praise to Yahuah Alahim for His steadfast love and compassion for His children and His patience in restoring His lost truths in preparation for the Second Coming of His Son, Yahusha haMashiach (the Messiah). Simply because the full moon as New Moon, with its count to Lunar Sabbaths and annual Feast Days, is not popular among the Rabbinical Pharisee Jews or the Romanized Christian churches today, does in no way diminish its **LIGHT OF**

TRUTH shining from the pages of Scripture and His Eternal Throne. Only Yahuah's Ruach (power, presence, and provision) gives those who seek Him with all their hearts "eyes to see and ears to hear." Ask Him today to reveal His New Moon and lunar Sabbath to you, and see how your life will change as your soul temple is synchronized to His for all eternity.

Psalms 89:15-16

Kerrie's Korner:

For nearly twenty years, I have carried a deep burden to share what I have come to understand concerning our Creator's Calendar. Some convictions may soften with the passing of time, but this one has only grown stronger. With each passing year, and with every new layer of study, I have become more convinced that the subject of sacred time reaches far beyond the question of which day we choose to worship. It touches the very framework our Creator established from the beginning.

For this Sabbath Message, I have decided to share my personal testimony, knowing that some of you may never have read it before. It is the story of my own journey out of the Seventh-day Adventist Church after I encountered truths concerning the biblical calendar that I could neither dismiss nor deny. That journey and ultimate decision were not entered into lightly. It required me to reexamine long-held beliefs, cherished traditions, and assumptions I had accepted for much of my life.

Before we begin, I also want to make something very clear: this testimony is not only for Seventh-day Adventists, nor is the calendar question merely a debate between *Saturday and Sunday* worship. I believe my story may strike a familiar chord in the hearts of sincere Sunday keepers as well, because the deeper issue reaches beyond both days. It asks us to consider whether the calendar by which we identify sacred time today is truly the same system of time established by our Creator in Scripture.

So I invite you to walk with me for a few moments through the path by which I was led. My purpose is not to condemn anyone's present understanding, but to share honestly what I discovered, why it mattered so deeply to me, and why, after all these years, I still believe this truth deserves to be prayerfully examined.

Prayer:

Dear Eternal Father, Yahuah,
Give us hearts that are faithful to You, willing to follow
Your ways above every tradition
and measure of man.
Teach us to recognize and honor the sacred calendar You
ordained in the heavens, that our worship may
be synchronized with Your appointed times.
Draw us into holy harmony with the courts of heaven,
where all creation moves according to Your

perfect order and purpose.

May our lives bear witness to our love for You through
faithful obedience, reverent worship, and a
steadfast desire to walk in Your truth.

Barak hashem Yahusha haMashiach!
(Bless the name of Yahusha the Messiah!)
