

Eight Days of Praise and Worship

The Feast of Tabernacles & the Last Great Day: From Egypt to the Heavenly Promised Land

These eight prayers follow Israel's journey from the restoration of sacred TIME in Egypt to the promise of dwelling eternally with Yahuah and Yahusha. Each prayer offers praise and thanksgiving for the mighty works of the Most High, while drawing a parallel to the restoration and preparation of His faithful Covenant Bride in these last days.

Sabbath - Day 1: The Restoration of Sacred TIME

The Full New Moon and the Beginning of the Year

Heavenly Father Yahuah Alahim,
We come before You in humility to praise Your magnificent name
for restoring to Moses and Aaron Your original and
authentic calendar, beginning with the full
New Moon, in contrast to Egypt's dark
conjunction reckoning.

We thank You for calling Israel out of bondage and restoring the
sacred measure of TIME by which Your appointed Sabbaths
and Feasts would be known.
Before Israel could celebrate Passover, You first established the
beginning of the month from which the fourteenth
day would be counted.
What a beautiful testimony that Your Plan of Salvation unfolds
according to Your perfect appointments, never by
accident or the traditions of men!
All of these you have accomplished as examples for us.
Today, as You call Your faithful Bride out of spiritual Egypt and Babylon,
awaken our hearts to recognize and honor this same sacred
TIME system You established from Creation and
restored to ancient Israel.
May we joyfully surrender our inherited traditions and walk in the
light of Your restored truth, trusting in Yahusha haMashiach,
who fulfills Your appointed purposes on our behalf.
For You alone are the Author of TIME, the Keeper of
Your Covenant, and the everlasting
Light of our salvation!
HalleluYah!!!

Day 2: Passover and Deliverance from Egypt

The Fifteenth Day and the Night of Departure

Most Holy Yahuah Alahim,
We come and worship before You, praising You for the mighty deliverance
accomplished through the blood of the Passover lamb on the
fourteenth day of Abib, revealing the promised
sacrifice of Your beloved Son, Yahusha haMashiach, who was
yet to come on the very same day, 1,500 years later.
We thank You for preserving Israel through the night of judgment
when all of Egypt lost their firstborn sons, when all
the faithful of Israel remained beneath the
protection of the blood of the lamb

on their doorposts.
You protected Your sacred Sabbath by having Israel remain in place
in Egypt until the sacred hours had passed on the fifteenth day,
before departing Egypt by night, according to
Your appointed order.
How wonderfully You demonstrated that deliverance comes
through trusting Your Word and following Your
instructions in faithful obedience!
Today, we too are called to leave behind the bondage of sin,
confusion, and man-made traditions, placing our
complete confidence in the redeeming
blood of Yahusha.
Teach us to honor Your Sabbaths, trust Your timing, and follow
wherever Your pillar of light leads us, for the very reason
this is of great importance to you.
Through the Lamb of Yahuah, the way out of bondage
and into everlasting covenant fellowship
has been opened!
HalleluYah!!!

Day 3: The Miracle of the Red Sea

Walking by Faith on Dry Ground

Almighty Yahuah Alahim,
We lift our voices in wonder and praise for the glorious miracle
when you parted the Red Sea, allowing your faithful
Israel to walk safely through its
midst on dry ground.
When the armies of Egypt pursued Your people and every earthly
avenue of escape appeared closed, You revealed that
nothing is impossible for the Creator
of heaven and earth.
We thank You for the faithful leadership of Moses and for
the mighty deliverance that forever testified
to Your power over every enemy.

Today, when Your faithful people face overwhelming trials
and the world seems determined to draw us back into
bondage, remind us that Your hand has
never lost its power to save.
Through Yahusha haMashiach, strengthen our faith to move forward
even when we cannot yet see the pathway You are preparing
for us to walk through towering
encumbrances.
May we never fear the waters before us or the enemies
behind us, but trust wholly in Your promises
and follow Your leading.
HalleluYah, for the One who opened the Red Sea before
Israel will surely lead His faithful Bride safely into the
heavenly Promised Land!
HalleluYAH!!!

Day 4: The Manna and the Restoration of the Sabbath

The Second Month: Six Days of Provision and the Seventh-Day Rest

Beloved Father Yahuah Alahim,
We praise You for Your tender compassion when Israel hungered
in the wilderness and for the miraculous provision
of quail following the Sabbath hours of the
fifteenth day and manna on the
morning of the sixteenth.
Through forty years of heavenly bread, You faithfully
taught Your people the sacred rhythm of six
working days followed by Your holy
seventh-day Sabbath.
We thank You for the testimony of the manna, which, within
Your restored lunar calendar, reveals the Sabbaths falling
consistently on the eighth, fifteenth, twenty-second,
and twenty-ninth days of each month, counted
from the full New Moon.
How graciously You transformed their daily hunger into a

living classroom of faith, obedience, and
dependence upon Your Word!
Today, when so many have forgotten Your appointed rhythm
of worship, restore in us the willingness to receive
both our daily bread and our sacred
appointments from Your hand.
Through Yahusha, the true Bread from heaven, nourish our souls
and teach us to trust Your provision rather than the
customs and calendars of this world.
HalleluYah, for You are the faithful Provider who feeds both
body and soul and calls Your Covenant Bride to rest in
the perfection of Your divine order!
HalleluYAH!!!

Day 5: The Mountain and the Covenant

The Third Month: Three Months in a Row

Majestic Yahuah Alahim,
We glorify Your holy name for leading Israel to Mount Sinai,
where Your magnificent presence descended upon the
mountain in fire, power, and glory.
We thank You for the chronological record, a witness of their
arrival on the night of the fifteenth day, completing three
consecutive months that reveal the same sacred Sabbath
dates counted from the full New Moon.
Through the Exodus, the manna, and the mountain, You established
a testimony of sacred TIME that Your people could
recognize, remember, and faithfully observe.
At Sinai, You called Israel into covenant fellowship, revealing
Your righteous Torah as the foundation of a
people set apart for Your glory.
Today, as Your faithful Bride approaches the heavenly Promised Land,
write Your commandments upon our hearts and restore
our understanding of Your divine appointments.
Through Yahusha haMashiach, our Mediator and Redeemer,

prepare us to stand in Your presence with reverence,
humility, and joyful obedience.
HalleluYah, for Your covenant is everlasting, Your Torah is righteous,
and Your sacred appointments continue to call
Your people into harmony with heaven!
HalleluYAH!!!

Day 6: The Sanctuary and the Plan of Salvation

The Divine Pattern of TIME and EVENT

Heavenly Father Yahuah,
We humbly bow in grateful adoration for the wilderness Sanctuary,
through which You revealed the heavenly pattern of
redemption and Your magnificent
Plan of Salvation.
We thank You for establishing through the Sanctuary's sacred services
a second witness to Your divine calendar, confirming the
appointed beginning of each year, month, count to the
Sabbath, and each annual Feast Day.
Each prescribed sacrifice was assigned its precise TIME and EVENT,
revealing a heavenly order in which nothing was left to
chance or human tradition.
Through the altar, the priesthood, the sacrifices, the Holy Place,
and the Most Holy Place, You illustrated the unfolding
ministry of the long-promised Messiah,
Yahusha haMashiach.
How beautifully each sacred ceremony pointed forward to His sacrifice,
resurrection, heavenly intercession, judgment, and the
final restoration of Your dwelling
place among the redeemed!
Today, as Your faithful Bride prepares for the heavenly Kingdom,
open our understanding to the prophetic meaning of Your
Sanctuary and the appointed Feasts that reveal the
work of our Redeemer.
May our soul temples be cleansed from every defilement,

our hearts brought into harmony with Your Torah,
and our worship synchronized with
Your heavenly order.

It is the Sanctuary that reveals Your perfect love, Your
appointed TIME, and the glorious ministry of Yahusha,
through whom the WAY into Your eternal
presence has been opened!
HalleluYAH!!!

Day 7: The Appointed Feasts and the Faithful Covenant Bride

Restored to the Heavenly Rhythm of Worship

Most Holy Yahuah,
We praise You, Father, above all, for the marvelous completeness
of Your divine worship rhythm, through which the full New
Moons, weekly Sabbaths, and annual Feasts proclaim
Your perfect order throughout the year.
We thank You for the Sanctuary services that revealed the appointed
beginning and ending of sacred days, months, and years, and
the unchanging dates upon which Your holy
convocations were to be celebrated.
What a glorious privilege that Your Torah has preserved these
sacred instructions so Your faithful people may
remain in harmony with the worship rhythm
established in heaven!
Today, as we celebrate the Feast of Tabernacles, teach us to
rejoice before You with the same gratitude and
reverence You desired of ancient Israel.
Forgive our ignorance, cleanse away the traditions that have obscured
Your truth, and grant us hearts willing to receive
every restoration You lovingly reveal.
Through Yahusha haMashiach, strengthen our covenant faithfulness,
that our profession of love may be demonstrated through
willing obedience and joyful participation
in Your appointed times.

HalleluYah, for Your Feasts are not merely memorials of the past,
but sacred rehearsals of the glorious salvation and eternal
fellowship awaiting Your faithful Bride!
HalleluYAH!!!

Sabbath - Day 8: The Last Great Day, The Heavenly Promised Land

The Marriage Covenant Fulfilled and Eternity Begins

Everlasting Father Yahuah Alahim,
and beloved Yahusha haMashiach,
We offer our highest praise for the glorious promise to us of entering the
heavenly Promised Land and dwelling forever
in Your magnificent presence.

We thank You for the wilderness lessons of ancient Israel, through
which You demonstrated that covenant faithfulness
requires trust, obedience, and a willing heart
surrendered to Your divine restoration.

As You prepared a faithful generation to enter the heavenly Canaan,
prepare us, Your last-day Covenant Bride, to embrace every truth
You reveal, while resting our hope of salvation entirely
in the redeeming merits and heavenly
ministry of Yahusha.

We praise You for Your mercy toward those who walked faithfully
according to the light they received, and we pray that those
of us living amid the restoration of truth today will
neither reject Your instruction nor turn away
from Your appointed ways.

And to Yahusha haMashiach, You alone have faithfully fulfilled
every promise and provision of the sacred Bridal Covenant,
leaving nothing undone in Your magnificent
work of redemption.

Now prepare our hearts to fulfill our part through unwavering faith,
loving obedience, and complete surrender
to Your divine will.

May we faithfully honor Your appointed TIMES, answer Your sacred
invitations without hesitation, and be found among those
who have made themselves ready for the
Marriage Supper of the Lamb.

May our lamps burn brightly, our wedding garments remain spotless
through the righteousness of Yahusha, and our
voices unite with the redeemed of every
generation in everlasting praise.

And on that great day when we cast our crowns at your feet, may we declare
with those resurrected, that Heaven is cheap enough,

O death, where is your sting?

O grave, where is your victory?

For you, Yahusha, have provided victory through your shed blood.

HalleluYah, HalleluYah, HalleluYah, for our wilderness journey
will have ended, and the heavenly Promised Land will be
our eternal home, and we shall dwell in the glorious
presence of Yahuah and Yahusha forevermore!

HalleluYAH!!!
